I know what some of you are saying. "Oh hell!", you're saying, "He's actually going to do it again! Wasn't once enough?" Isn't that a stupid question? If once was enough, you wouldn't be reading this trash right now. Isn't that true? Anyway, in a totally different vein, I've been asked by some of my friends (who shall remain nameless to protect the innocent, the guilty, and me from being sued) how I can know whether or not I'll be lynched when the next ish is pubbed. It's actually very easy. I just have each one read by a panel of sundanes, and if they like it, it's good enough to pub. Simple, isn't it? Anyway, on the advice of myself, I have decided to not have a song in this ish, possibly because I can't think of one right now. This may change later on. Also, there is no book review this issue, because I've been too busy to read. There will be a story, as soon as I can think of a plot (maybe later tonight). So welcome back, and good lick (yes, you read that right).

Meanwhile, back at the ranch, things are cooking pretty hot. The S.L.I.M.E. has gotten himself a job as a hacker. Yes, Ghod rest my soul, I am programming in a language that I don't know (dBASE II), about something of which I know nothing (accounting). However, I'm learning, and it's bringing in money (Yay! Teas!). So, it looks like I can hit cons every now and again. On to business...

GAME REVIEW

CHIVALRY & SORCERY by Ed Sibaliet & Will Beckhaus
Fantasy Games Unlimited

During my time as a gamer, I have been impressed by two games. One is CAR WARS and the other is C&S. Chivalry and Sorcery is a role playing game, similar to D&D (gag! retch!). The players create characters and act out their parts. Although this game has been out for a while, it was recently re-written and re-issued. Although the revised rules are more complex than the old ones, they are far more satisfying than any comparable set of rules. A character first rolls his/her horoscope and aspect (e.g. well-expected Leo, a "born fighter"). This will give you an idea of what your character is best suited to be. You then get 50 points

Coming Soon From W&P
Graphics and Jim Morrison, Inc.
G&S

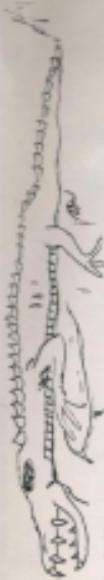

+ 10x2d6 (plus an additional 10% if you're well aspected) to buy your stats. There are several requisites, each costing a certain amount to buy. There are several rolls for a character age (and thus experience, you don't start as a level 1 character automatically), and (optionally) for attitudes, special traits, eye color, hair color, hair texture, and phobias. One then buys certain skills for a character (depending on what your occupation is). Also, you get x amount of silver to equip your character.

There is quite a bit more, and simple it isn't. It can take quite a while for a neophyte to create a character unassisted, but when it is done, you know what your character knows, how s/he thinks, what his/her attitudes are, a far cry from the standard D&D-style "Well, I have five minutes, let me create a character now, who can do anything!" The rules are quite comprehensive and more than a little confusing. But if you demand realism, this game is for you.

On the brighter side, 17April83 celebrated the return of "Cosmos" (or, as my brother calls it, "C-MOS") to the boob tube. At least there's something to watch other than re-runs of "Mary Hartan, Mary Hartan" and Trek. Of course, the problem with these things are that you have to see all the commercials for Brand-X designer jeans and Mega-Bra. This becomes boring after the first twenty or so microseconds.

Enough of this crap! I said earlier that I had the literary pretensions necessary to put a story down here, but I don't have a plot (lucky you!).

ARE YOU A GOOD WITCH OR A BAD WITCH?

Well, there was no doubt some merit in that, but I don't know what it was. Regardless of that, there is more to come. I long ago decide that the worst thing about majoring in physics was that the textbooks are, for the most part, really bad. Having nothing else to do with my time, I've decide to run a regular series on the subject.

PHYSICS, Lesson I The Properties of Matter

W - WHAT A PAIN IN THE MASS!

Everything that exists shares certain properties with everything else that exists. First, it takes up space, and second, it has a mass. Taking up space is easy to visualize. It has certain spacial dimensions; its own specific size. The mass is a little more difficult to see. "Do you see how much I weigh?", I hear you cry. Not at all. Weight is a force (something we'll get into later) and has a certain direction. Your weight points towards the center of the earth. It changes with local gravity. For example; you would only weigh $1/6$ on the moon of what you do now. But you would not have lost any matter, or decreased your density. Thus, you're mass would still be the same. As an example, I weigh 640.1 newtons (143 pounds), but I mass 65.25 kilograms (4.469 slugs). However, if I was on the moon, I would weigh 106.7 newtons (23.83 pounds), but would still mass 65.25 kilograms.

REVIEW

There are two basic properties of matter. There is mass, which is how much matter there is. There is it's volume, or how much space that matter takes up. Mass is measured in kilograms or slugs, and volume is measured in cubic meters or cubic feet (or some fraction thereof).

Hope you all enjoyed that. From now on, it will be a regular feature, and I have no doubt that some wise-ass will tell me that I'm stupid for doing it, but s/he can go out and pub his own zine if s/he likes. Whatever.

This do appear to be the end of this particular issue. As usual, the next one will be out some when in the future. Also as usual, correspondence, comments, loose stamps, etc. can be sent to the above adress. You can call me at the above number if you're local, rich or stupid. F.T.S.

Fred Hill is running programming on the
Holocaust soon. Knowing the group running
the programming, they'll just repeat the
same incorrect lesson that's always been
written about the Holocaust. They're wrong.

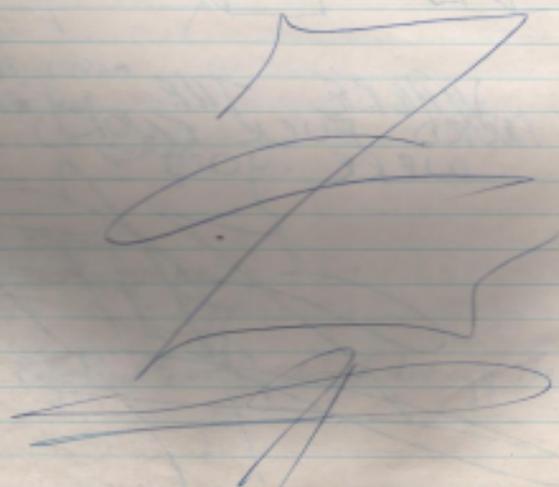

The Holocaust is not an Anti-Semitic Mass.

Unfortunately, for some reason, the Jewish
aspect of the Holocaust had much better
PR than any other massacre. First, almost
half the victims of the Holocaust were
Jewish. The rest weren't. The ~~one~~ million
people killed on Cyprus weren't Jewish. By
only publicizing the Jewish part of the Holocaust,
the underlying message is that the rest are

better or more-important than any other
minorities, ~~BUT~~ shit. Persecution ~~isn't~~ any
minorities is wrong. Why is it that
only anti-semitism is wrong and every
other form of discrimination is only
a little bit bad?

GARY I DON'T KNOW IF THIS ENTRY WILL
2:24AM EVER BE SEEN BY HUMAN EYE. I'LL KEEP
WRITING AS LONG AS I CAN. I'VE BLOKADED
MYSELF IN THE ANNEX AS HENRY BURNS,
BUT THE STEAM PIPES SOUND LIKE THEY'RE
GOING TO COLLAPSE (OR PERHAPS THERE IS
SOMETHING CRAWLING THROUGH THEM) IF YOU'VE
FOUND THIS BOOK IT'S TOO LATE ALREADY.
PO. COUSIN A FAVOR AND EAT A GRENADE,
BUT THEN BEAN MORE A LONGER HUMAN, YOU KNOW
THAT AIN'T YOU? NO MATTER. IT'S TOO LATE. 27,000
MIRIA MORE (LIKE OR TAKE A DAY) AND HUMANITY
IS DOOMED.

I SHALL ACCOUNT THE EVENTS OF THE PAST
FEW DAYS AS BEST I CAN. THE SMELL, THE BLOOD,
THE SMELL OF BURNING ROOFS - IT SEEMS TOO

HAVE CONFOUNDED ME. (COUGH, COUGH)

ON SUNDAY, THE 14TH, A GROUP OF CHINESE STUDENTS FROM STAGE AAN ~~WENT TOWARD~~ ^{TOWARD} THE FORM, CHASING A RABBIT AND TRYING TO SHOT IT WITH A BB GUN. UNFORTUNATELY, THEY TRIPPED ON THE STAIRS AND BASHED THEIR HEADS OUT ON THE WALL. SOMEHOW, GEORGE DISPOSED OF THE BODIES.

DARRYL SAW THIS, AND GENTLY SPOOLED UP THE BUNNY. HE THEN ATE IT, PAYING NO MIND TO THE FACT THAT THE RABBIT HAD SPROUTED NUMEROUS SPIDER-LIKE LEGS AND TENTACLES. DARRYL ACTED A LITTLE DOPPLY AFTER THIS, BUT NO ONE SEEMED TO NOTICE.

I HAD WALKED IN BY THEN, ALONG WITH BOTWIN AND CLIFF. WE HEARD THE STORY FROM GEORGE, AND WE ALL PROCEEDED TO ~~THE~~ STAGE TO INVESTIGATE. OUTSIDE ONE OF THE BUILDINGS, WE FOUND A DEEP DEPRESSION IN THE PAVEMENT. IT TURNED OUT TO BE A POT-HOLE. WE MOVED ON AND FOUND A SECOND DEPRESSION, DEEPER THAN THE FIRST. AT THE BOTTOM LAY A CLEAVING OBLONG SHIP. SUDDENLY A GLIMMER OF COMPREHENSION PASSED ACROSS MIKE'S FACE. HE SNAPPED HIS FINGERS AND SAID "OF COURSE, A SPACE DOOR-VOGUE!" JUDGING FROM THE DEPTH OF THE LAYERS OF BEER CANS ~~AND~~ IN THE WALLS OF THE PIT, ~~THE~~ I FOUND THE SHIP TO BE AT LEAST 100,000 YEARS OLD. WE DECIDED THAT THIS WAS SERIOUS STUFF, ESPECIALLY BECAUSE THERE WERE SEVERAL HUNDRED DEAD FOREIGN STUDENTS LYING AROUND. WE EXAMINED THE CORPSES (LOOKING

FOR LOUIE (CHANGE FOR JEWEL & JODAS) AND FOUND ONE, BARRY BURNT, WHICH ~~WAS~~ HAD A REMARKABLE SIMILARITY TO SEVERAL DOZEN PEOPLE I KNEW. IN FACT, IT HAD SEVERAL DOZEN FACES ON VARIOUS STALKS, NOT TO MENTION SIX DOZEN LESS AND TWELVE FOOT LONG GENITALIA. WE DECIDED TO BRING IT BACK TO THE FORUM TO USE AS A MODEL FOR A NEW MURAL. NO NEED TO MENTION THAT CLIFF DIDNT WANT TO TOUCH IT.

WE GOT BACK TO THE FORUM, WITH OUR NEW FOUND TOY, AND FOUND EVERYTHING AS NORMAL. BAP WAS LYING ON THE COUCH, KEVIN WAS FLICKING BEER CAPS, ZOD AND POPE WERE PAINTING EACH OTHER, FRED WAS PLAYING SOME GAME (WITH TOY HOWITZER AND A REMARKABLY LIFE LIKE STATUE OF MACARTHUR), HUGH WAS TRYING TO FIND A PEN WHICH HE HAD LOST IN HIS HAIR SEVERAL WEEKS BEFORE, AND BARRY WAS NOW TWELVE FEET TALL AND DOZING GAGEN SLOOP FROM AT LEAST A DOZEN DRINKS. NOPE, NOTHING NEW. WE STORED THE THING IN ZOD'S REFRIGERATOR, A MOVE WE WOULD SOON REGRET.

AFTER A SHORT TIME, BARRY BEGAN TO HOWL (SOUNDING SOMETHING LIKE ETHYL MERMAN IN HEAT) ZOD TOOK THIS AS A PERSONAL INSULT TO HIS BEARD AND ATTEMPTED TO ~~THROW~~ THROW A CEMENT BLOCK AT WHAT WAS LEFT OF BARRY. TO HIS LUCK, HE FOUND THAT A TWELVE HUNDRED POUND RESIST FROM A JOHN CARPENTER CIVIC PRESENT FALL DOWN. SUDDENLY ROY LOST ABOUT 100 LBS AND WAS SUCKED INTO THE THING. HIS LAST WORDS, I BELIEVE, WERE SOMETHING LIKE "URS. URS. SPURAT" THIS PISSED

OFF POPE, WHO SAW SOME OF HIS BEST
ARTWORK DISAPPEAR BEFORE HIS EYES. HE TRIED
TO EXPLAIN TO THE THING THAT IT DIDN'T EAT,
BUT MET WITH THE SAME RESULT AS ZOD. THEIR
CONVERSATION WENT SOMETHING LIKE THIS:

"HEY... LIKE EXISTENCE IS ONLY AN ILLUSION, RIGHT?"

"GLURP"

"I MEAN, DEFINITION HAS NO MEANING IN A
UNIVERSAL SENSE OF NOTHINGNESS IN THE SENSE OF
LIKE TOTAL SOMETHINGNESS, YOU KNOW?"

"PEURSH"

"LIKE IF YOU TAKE OUT A BOOK AND
NO ONE SEES YOU, DO YOU REALLY... AAAAAIIISGH!"

"GLURP, GRUP, (SWALLOW) GURGLE, GURP"

I DECIDED THE THING WAS MAKING TOO MUCH NOISE,
SO I HIT IT WITH A MALITOV COCKTAIL MADE
OUT OF A BOTTLE OF RUBBER CEMENT. THE THING
BURNT UP LIKE SO MUCH TOASTER PIZZA.

AS SOON AS ~~THE~~ THE FLAMES WERE
EXTINGUISHED, WE NOTICED BAP HAD STOPPED
BREATHING. FRED LEAPED INTO ACTION, AND BEGAN
POUNING ON BAP'S CHEST, EITHER TO RESUSCITATE
HIM, OR JUST FOR FUN. SUBSEQUENTLY, BAP'S CHEST OPENED
UP, A NUMBER OF TENTACLES + TEETH THE SIZE
OF VOLKSWAGEN HUBCAPS DRAGGED FRED IN,
HAPPILY MINCHING HIM DOWN. AND SPITTING OUT
A PAIR OF BLOOD COVERED ARMY BOOTS. WE FIGURED
THAT SOMETHING REALLY WEIRD WAS HAPPENING
OR THAT BAP HAD BEEN A LOT HUNGRIER THAN
ANYONE HAD THOUGHT. WE WEREN'T TAKING ANY
CHANCES, SO WE INCINERATED BAP AS WELL. WE
DID THIS BY FLICKING HUNDREDS OF BURNING MATCHES

ONTO HIS BODY. WE FIGURED HE WOULD HAVE LIKED TO GO THAT WAY. (YOU KNOW, "HE WHO LIVES BY THE SWORD..." etc.)

SUDDENLY, HUGH SAID "WAIT", AND THEN HE SAID, "I THINK I'VE GOT IT. THE BELLS OF THE THING CONTACT OUR OWN AND IMITATE THEM. IT IS TRYING TO STAY ALIVE THROUGH US. THE THING COULD BE ANY ONE OF US! OOPS, I THINK I'VE SAID ENOUGH ALREADY..." SUDDENLY, A FOOT POPPED OUT OF HIS EAR, FOR GOOD MEASURE WE NAILED HIM TO A CROSS AND THEN BURNED HIM. (TO THIS DAY, THE NEWMAN CLUB WORSHIPS THE SPOT)

THIS SEEMED TO BE GOING A BIT TOO FAR (OUR MEMBERSHIP WAS PROPPING RAPIDLY) SO I CAME UP WITH A DRASTIC IDEA, I LINED EVERYONE UP (WHICH BY NOW INCLUDED JAM, RALPH, JEFF-LISA, ~~ANDREW~~ ~~HEIDI~~, MARGARET, LINCOLN, JOHN LEO) I APPROVED THE GROUP:

"THERE IS ONLY ONE WAY TO TELL WHICH OF US IS THE THING. I WILL TAKE A SAMPLE OF EVERYONE'S BLOOD + MIX IT WITH A LITTLE BIT OF GEORGE'S LEFTOVER MACARONI + CHEESE. THE BLOOD OF THE THING WILL SEEK TO DEFEND ITSELF + RUN AWAY." I GOT ABOUT TWO FAR BEFORE EVERYONE RAN AWAY, TERRIFIED AT THE IDEA OF HAVING THEIR SWINE PALKED. THE DEBATE EITHER THAT EVERYONE WAS CHILDMAN, OR THAT EVERYONE WAS THE THING. IN EITHER CASE, WE WERE IN BIG TROUBLE.

HE NOTICED THAT MY EYE HAD BEEN SCARCE FOR A WHILE HE PEERED THROUGH THE CURTAIN, AND THERE HE WAS, ISAT OF. THERE WAS GEORGE'S HEAD, RUNNING AROUND ON SIX SPIDER LEGS, SCREAMING "EYE-EEE, I. E., EYE-EEE" IT CHARGED A SOMEWHAT INTRENCHED JAM DOWN THE HALL, AND FINALLY POUNDED ON HIS FACE, AS THE TWO VANISHED FROM

SIGAT, AROUND THE CORNER. RALPH, JEFF, CLIFF AND
A FEW OTHERS WENT AFTER THEM. AFTER A
FEW SECONDS, THE SCREAMING STOPPED AND
RALPH CAME WANDERING BACK UP THE CORRIDOR
WITH THE LOOK OF ONE WHO'S HAD A FULL MEAL.
SUDDENLY, HIS STOMACH EXPLODED IN A BIG WAY.
WHAT CAME OUT WAS THE SIZE OF A ~~VOLKSWAGEN~~
VOLKSWAGEN (RALPH HADN'T EVEN LOOKED ANY
DIFFERENT BEFORE THE EXPLOSION - HOW COOL).

~~##~~ IN FACT, WHAT CAME OUT LOOKED
LIKE FORM MEETING ON TWO LEGS, GIVE OR
TAKE A TENTACLE. EVERYONE WHO HAD BEEN
ABSORBED INTO THE THING WAS THERE, THEIR HEADS
BOBBING UP AND DOWN IN LONG ~~STALKS~~ STALKS. BOB'S
AND POPP'S HEADS WERE ARGUING. JAM'S HEAD
WAS COMPLAINING ABOUT BEING STUCK BETWEEN
FRED'S & GEORGE'S HEAD. SOMEWHERE DARRYL WAS
SINGING "THERE'S NO BUSINESS LIKE SHOW BUSINESS"
WE SET IT ON FIRE AND MOST OF US RAN
INTO THE ANNEX.

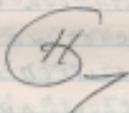

SUDDENLY, THERE WAS A KNOCK ON THE
INSIDE OF BOB'S REFRIGERATOR'S DOOR. I KIND
OF FIGURED THIS MEANT TROUBLE. WE SENT
JOHN OVER TO OPEN IT, BUT SET HIM ON
FIRE FIRST TO SAVE TIME. HE OPENED
THE DOOR AND GOT A FACE-FULL OF LIVENS,
BREATHING MACARONI AND CHEESE. AS SOON
AS WE GOT THAT FIRE OUT, WE NOTICED THAT
LINCOLN'S FACE AND KNEE HAD EXCHANGED
LOCATIONS, SO WE CHASED IF INTO THE FORM.
WITH TORCHES MADE OUT OF GEORGE'S OLD
~~UNDERWEAR~~ UNDERWEAR (WHAT A STENCH!)

WE THEN, TIED UP MERYL AND THREW HER TO IT AS SORT OF A SACRIFICE, BUT THAT ONLY SERVED TO REALLY MAKE IT MAD. I AND MIKE DIVED PART IT INTO THE ANNEX AND BARRED THE DOOR CLOSED BEHIND US. HIDEOUS SOUNDS CAME FROM THE FORUM, HEIDI SCREAMS, SEMMEL SCREAMS (AFTER OFFERING TO DECLARE THE THING WORLD-LEADER), LISA SCREAMS (BREAKING BOTH OUR GRILLS), KEVIN SCREAMS (WE HEAR ~~REVERBERATING~~ RICOCHETING BOTTLE CAPS, WHICH MUST HAVE BEEN FLIPPED IN A LAST DITCH EFFORT), MARGARET LAUGHS AND THEN SCREAMS (SHE MUST HAVE ENJOYED IT) TOM SCREAMS (WE CAN TELL IT WAS HIM FROM THE SOUTHERN ACCENT).

ALL IS QUIET, SOON WE HEAR THE THING SLITHERING TOWARD THE DOOR OF THE ANNEX. I TURN TO MIKE. "WELL MIKE, DO YOU THINK IT'S HAD ENOUGH TO EAT" MIKE REPLIES "MY CRYSTAL BALL'S IN THE SHOP" (HE'S OBVIOUSLY GETTING HYSTICAL) I SAY "PERHAPS WE CAN FORN WEAPONS FROM THE ITEMS IN THIS ROOM" MIKE REPLIES "WHAT'S THIS 'WE' IN IT, YOU GOT A MONKEY IN YOUR POCKET?" I SAY, "PERHAPS WE CAN CRAWL OUT THROUGH A STEAM PIPE" MIKE REPLIES, "SOUNDS LIKE A PERSONAL PROBLEM." SUDDENLY I CAN TAKE NO MORE OF THESE TRITE REPLIES. I SLUG MIKE IN THE HEAD WITH A BRICK, AND PUSH HIM OUT THE DOOR. AS I RE-BAR THE DOOR + PUSH FURNITURE UP AGAINST IT, I HEAR A DESPONDENT "CREET" AND THE SOUNDS OF CONTENTED MUNCHING. SO THERE IT STANDS. I HAVE BEEN LOCKED IN THE ANNEX FOR FOUR DAYS NOW, AND THE THING IS STILL TRYING TO BATTER ITS WAY THROUGH THE DOOR. IT HAS EATEN EVERYONE IN THE BUILDING, PERHAPS THE WORLD, PERHAPS

EVEN PITTSBURGH. YET IT HAS NOT
YET GOTTEN ME. HOWEVER, I HAVE THIS
FUNNY FEELING, ESPECIALLY EVER SINCE
I NOTICED THE LARGE COCKROACH SITTING
IN THE CORNER STARING AT ME, WITH A
SPOON ON ITS NOSE.

NOW EVERYONE ELSE REALLY DOES THINK PIPE
SMELLS. REALLY. DON'T MOTHER.

WAS FLOATING PAST. ONE OF THEM, WHO LOOKED A LOT LIKE JAM IN A DRESS AND BLINDED ME, SUDDENLY CAME INTO VIEW. TO FARREL'S AMBUSHMENT JAM WAS SUDDENLY ON A BICYCLETTE WITH A BLACK DRESS AND A CARROT NOSE.

"WHAT ARE YOU WORKING AT MAN?" THE BEACLE TURNED TO FARREL, SLAPPING ITSELF OFF THE DEAD REMAINS OF THE OTHER ONE AND CAT. THE BEACLE, NEARLY AS GOOD AS DEAD, LOOKED OUT THE WINDOW, BUT SAW NOTHING.

FARREL STILL SAW JAM IN A DRESS, WHO WAS NOW SHAKING HIS HEAD AND EYES ANGRILY AT ISRAEL. "D.O.D. D. D.D." HE SAID "D.D.D. D. D.D." FARREL STARED IN HORROR, ~~HE~~ LISTENING TO JAM'S STRANGE MUSINGS. DRIPPY, WHO WAS HOLDING HIS ^{RIGHT EAR} ~~HEAD~~ ABOVE HIS HEAD, SNARLED HIS LEFT EAR THEN SNIPPED IT.

"HEY MAN, YOU OK? I WOULD'VE GAZED IS SOMEONE WAS OUT THERE?"

FARREL (WHO HAD TO LOOK UP AT DRIPPY) LOOKED AT HIM, THEN TURNED BACK TO JAM, WHO WAS NOW CURTAINING IN ITALIAN.

"I'LL GET YOU MYPRETTY, AND I'LL BE A LITTLE MESSY, TOO. THEN HE WAS SWIFT AWAY IN A STREAM OF BUBBLES, YELLING "WUNDERFUL WUNDERFUL WUNDERFUL. WILL SOMEONE PLEASE - A TURN OFF THE MACHINE."

THEN HE WAS GONE FOR GOOD. FARREL TURNED BACK TO DRIPPY, WHO WAS VICKING HIS BALLS (BECAUSE HE CAN, THAT'S WHY) AND HOLDING HIS HEAD ABOVE HIS HEAD.

"HEY MAN, YOU STILL OUT OF IT?"

"I. Y'URE TALKING?"

"MAN. IT'S TELEPATHY, LIKE SANDY. DOESN'T WANT BUT THE HELL KNOWS HIS SPEECH. BUT IF YOU LOOK REAL GOOD, YOU'LL SEE HIS THOUGHT BALLOON ABOVE MY HEAD."

FARREL CRAWLED HIS NECK UP AS FAR AS HE WOULD GO, AND CLOSE ENOUGH, HE SAW, WAY UP AT THE EDGE OF THE POND, A THOUGHT BALLOON ^{CONVEYED BY AN} ~~ON THE~~ ~~ENTIRE~~ RIVER - FURNISHING SERIES OF BUBBLES TO THE TIP OF DRIPPY'S HEAD. HE LOOKED ABOVE HIS OWN HEAD, BUT SAW ONLY THE DRAGON W/INTENDED

HE HAD TAKEN FROM THE FORUM.

WITH A DEEP SIGH, SARREL TOLD DRUOPY ALL THAT HAD HAPPENED TO HIM SINCE LEAVING JEWELBROOK, AND HIS PRESENT NEED FOR A NICKEL.

"AN SWEAT MAN, OPEN THE DOOR AND REPEAT AFTER ME: I KNOW DA-A-HEY!" DRUOPY WAS BARKING FURIOUSLY. "DON'T OPEN THAT DOOR WITHOUT STICKING YOUR ^{RIGHT} HAND ABOVE YOUR HEAD. THE HANSMAN'S MOOSE IS QUICK."

ROLLING HIS EYES HEAVENWARD, SARREL ~~THREW~~ ^{DIDN'T STICK} A HAND ABOVE HIS HEAD, BUT DID OPEN THE DOOR ^{AND} LEAK. THE HOWL OF THE WIND WAS ^{DEAFENING} ~~DEAFENING~~, AND ^{THE} UTTER DARKNESS OUTSIDE THE BOOTH HE SAW SINISTER, TWISTING SHADOWS. IMMEDIATELY HIS HAND FLEW UP TO ONE SIDE OF HIS HEAD.

AT THAT EXACT MOMENT BAP CAME FLOATING BY, THROWING WT MATCHES TO ANY ~~MAN~~ WHO WOULD PUT HIS - FEELING SARREL WITH ONE HAND UP, BAP THREW A MATCH AT HIM, AND THE FLAME LANDED IN THE MIDGET'S PALM.

"HEY BAP, I- OUCH!" SARREL CURSED, WONDERING WHERE HE WOULD FIND ENOUGH WATER TO QUASH THE FLAME.

"YOU COULD TRY STICKING IT IN THE RAIN, MAN." DRUOPY UNWITTINGLY, LIGHTING UP A CIGARETTE ^{OUT OF HIS POCK.} ~~OUT OF HIS POCK.~~ WITH ONE HAND.

SARREL DID, ONLY TO HAVE A STROKE OF LIGHTNING STRIKE IT. FORTUNATELY, THE RAIN PUT WHAT WAS LEFT OF HIM OUT, AND HE ENTERED THE BOOTH, CURSED AND DRIPPING.

"SUCK, MAN!" DRUOPY SAID, USING HIS COAT AS A MATCH DROPPY TOOK A PUFF, AND LOOKED AT SARREL, FIDGETING A MINUTE. HE OPENED THE FOURDOOR DOOR A MINUTE, AND STAMPE OUTSIDE INTO THE RAIN. AT THAT EXACT SECOND THE RAIN STOPPED. DRUOPY RAN UP TO ~~THE~~ ^{THE} ~~BOOTH~~ ^{BOOTH} ~~WHERE~~ ^{WHERE} HE COULD HIDE, PULLED IN IT, AND STROVE BACK TO THE BOOTH, COUNTING TO HIMSELF.

"10. 9. 8."

"NOW, THE RAIN STOPPED!"

"6. 5. 4."

"I THINK I'LL STEP OUTSIDE."

"2.1. NOW!"

JUST AS FARREL STEPPED OUT THE DOOR, THE RAIN CAME DOWN, HEAVIER THAN EVER. ON THE M.Y.T. RIVERWAY, A BLACK GALAXY WAS DRIFTING UP ^{TOWARD} THE SOUTH, DARYL AND DANNY SITTING ON THE ^{WIND} HORN.

"JUST A SPRING SHOWER, AY, DAN?"

"WELL, I -"

"JUST A LITTLE DRIZLE, HUH? I'LL ~~BE~~ STOP IN A MINUTE, RIGHT?"

"UH, I -"

"ASHAME TO WORRY ABOUT, HUH? ~~OR~~ ANYWAY THE WILL BECOME A THUNDERSTORM, HUH? WE DON'T EVEN NEED AN UMBRELLA, HUH?" BY THIS POINT DARREL WAS STAMPELING DANNY, RAISING AT HIS TOP OF HIS LUNGS.

"EXCUSE ME, CAN I BORROW A MICKEL?" FARREL ASKED THE TWO MEN UNCONSCIOUSLY. THE TWO MEN LOOKED AT EACH OTHER, ~~FORGETTING~~ THEIR FUR FELD, THEN DROVE INTO THE WATER, DIPPING THEIR BARS. THE BLACK GALAXY TURNED ~~TO~~ TOWARD FARREL, AND ~~THE~~ HORN OPENED UP, ~~SHOOTING~~ ^{FRINGING} AN EMM WHISTLER AT THE PHONEBOOTH, WHICH EXPLODED, SPRINKLING DRIZZLE AND DROPS ALL OVER FARREL.

HE HAD SWOOPED UP ALL THE COUSIN CHANGE HE WOULD ^{AND HAD} RAN THROUGH THE RAIN UNTIL HE REACHED THE WEST SOUTH HE COULD FIND. PUTTING THE MONEY IN THE SLOT, HE HAD TRIED CALLING ANYONE HE COULD THINK OF. WHO ~~WAS~~ ~~IN~~ THE AREA AND ~~IF~~ COULD GIVE HIM A LIST. THIS ~~BE~~ LARGE LIST WAS QUICKLY DISMISSED, AND SO IT WAS THAT IT WAS NOW 1:00 AM, AND FARREL WAS CALLING THE ONLY PERSON LEFT ON HIS LIST. LUCAS BE ANSWERED.

"^{WOW} / CAN YOU GIVE ME A LIST? I'M STRANDED IN THE TOLLWAY, AND MY MISTAKEN DIED?" LUCAS CONSIDERED THIS. FARREL SPENT HIS ENTIRE LIFE SHUTTLE BETWEEN THE 52 HOURS IN HIS LIFE, SPENDING A WEEK WITH ERIN, CLAIMING TO SAY THE THAT SHE WAS THE ONLY ONE WHO EVER LOVED. ERIN FELL IN LOVE IT, BUT SHE ~~WAS~~ ERIN USED NOTHING DANNY.

10:00 AM
DITCHED ABOUT HAVING TO GET OUT OF
COUNTRY WAS ONE OF THOSE WHO ALLEGEDLY USED FRANEL TO GET A BETTER 9:00 PM
9:00 AM AT 11:00 AM, AND SO OUT IN THE RAIN, NOT UNLIKE THE OTHER
GUY FRANEL LIKED IT, BUT SINCE NONE OF THEM WILL EVER READ THIS, I
CAN SAY WHAT I PLEASE. WORKING SAID WHAT SHE PREFERRED, DU.

"FRANEL, I WILL ENJOY YOUR PRESENCE THIS TIME, ~~AND~~ AND
WITH THAT, SHE HUNG UP ON HIM, LEAVING HIM STUNNED.

"TOUCH LUCK MAN. WOULDN'T CHASE RABBITS WITH ME?"

FRANEL PAUSED IN HIS ANSWER LONG ENOUGH TO SEE THE
OLD LADY FLOATING PAST IN A BLUE TRUCK, HAVING SARGARINUSLY WITH
BOTH HANDS. DRUSKY FELT THE BILE RISE IN HIS THROAT.

"AUNT PENNY!" HE SPAT, THE HAIR ON HIS BACK RISING TO
ATTENTION, HIS TAIL CURLING AND CLOWS GREYED TO THEIR LIMIT.

"THE MURDERED SHAM: AND HAS SPENT HER LIFE TRYING TO PUT
ME IN THE PAVAD. WE'VE GOT TO TAKE THIS ATTACK TO THE OFFENSIVE!"
DRUSKY ~~HE~~ DASHED OUT OF THE PHONEBOOTH ^{IF HE WOULD} TOWARD THE MAIN.
"C'HAH, MAN. DU THIS FOR SHAM!"

FRANEL HESITATED. THIS WASN'T HIS FIGHT, AND DIDN'T SEE WHY
HE HAD TO GET INVOLVED. BUT HE WAS BASICALLY AN UNK. GUY, AND
^{TRIED TO} CHAMPION THE CAUSE OF THE UNDER-CLASS. ALWAYS
HIS LUPAN OUT OF THE CASE, HE SET IT ON AUTOMATIC FIRE AND
BEGAN SHOOTING AT THE TRUCK, AIMING FOR THE REAR TIRE.

MEANWHILE DRUSKY HAD BECOME A BLACK AND WHITE BLUR, FEELING
CANNING TRY AT ATTACKING A ^{WHEELS} VEHICLE FOR REASONS
HEAVY HAND TO OVERSPOOLS. HIS TRANSMISSION-REINFORCED SPINE AND
Joints WERE QUATERS OF RAMPING UPON UNTIL HE WAS LITERALLY
CRASHING SOMEWHERE ABOUT PENNY, ^{CRASHING INTO HER} HERE TO GO
ZOTT. WHO WOULD HAVE BE OF DISAPPEARING DRUSKY AND FRANEL
AND HE WOULD HAVE BEEN WITH A SPREADS PENNY THINGS AT
THEM, AND FRANEL, SQUARELY CONFLICTS WITH THE BLUE TRUCK, TENDING
AUNT PENNY TO AN EARLY (LATER) DEATH.

THE RAIN QUICKLY PUT OUT THE FIRE, AND THE TWO LUNARDS
SEARCHED THE TRUCK IN GOOD OLD MATHING FASHION, FINDING NOTHING
IN THE TRUCK BUT THOUSANDS OF OVERGROWN FEET. THE IMPLICATIONS
OF THIS GOES OVER THEIR HEADS, WHICH LEAD TO HANG AS DRUSKY

ONLY STANDS 1 FOOT 4. IN THE CAP, HOWEVER, THE GARD PUNTS OR AN INVASION OF THE EARTH.

"HEY MAN, LOOK AT THIS." DRUDDY CALLS TO FARREL. "ANNE'S BEHAVIOR WAS ACTUALLY AN ALIEN, NOW HER MOTIVATION IS MORE OTHER THAN THE THING, THAT CREATURE TRYING TO EAT GARY T. AT THIS VERY MOMENT."

"HOW'D YOU READ THAT?"

"I READ AHEAD A BIT."

"SO WHAT DO WE DO?"

"THAT'S EASY, MAN. WE'VE GOT TO GO TO STONYBROOK."

STONYBROOK - WAS NOTHING BUT A SLEEPY LITTLE ISLAND TOWN.
STONYBROOK - NOW ONE OF THE 4 UNIVERSITIES IN THE SUNNY SYSTEM, HOME OF THE TRENCH SECTION EARLY STONYBROOK, LIVES AT THIS VERY MOMENT GARY T IS LOCKED IN THE ANNEX, TRYING TO KEEP STONY BEING EATEN BY THE THING.

THE ~~ANNEX~~^{ANNEX}, TWO WEEKS LATER.

"WELL, MAN, HERE WE ARE."

"YEAH. I NEVER THOUGHT I'D BE HERE AGAIN. I HOPE I DON'T HAVE TO PLAY THAT POSSESSORIAL WITH DARRYL AGAIN."

DRUDDY ~~PUT~~^{POO} PUFF, THINKING OF DARRYL. "THE PROBLEMS HERE. NONE OF THEM WOULD EVER GET INTO THE ANNEX."

THE ANNEX WAS EMPTY AS IT IS NOW, ONLY WITHOUT THE PEOPLE. SUDDENLY, ALL THE GUARDIANS CAME DOWN, AND STARTED DOING WHAT THEY NORMALLY DO. ONLY GARY WAS STILL IN THE ANNEX, GULPING WITH FEAR.

"I DON'T UNDERSTAND." FARREL SAID.

"DON'T YOU SEE? AN ~~AL~~ SENTIENT BEING COULD CONTROL ALL THE MEMBERS OF THE TEAM AND STILL ~~EXIST~~ HE DIED OF MASSIVE INDIGESTION, AND REGURGITATED ALL HE HAD CONSUMED IN HIS LAST BREATH." DRUDDY WAS TALKING VERY FAST.

"REALLY?" FARREL SAID, NOT FEELING THE HAND CREEP, ONLY A HAND BEING COMING UP FROM BEHIND HIM.

"HEY BUDDY, GOT A MATCH?" THE CREATURE WAS IN A RUSH, AND DRUDDY HAD JUST THOUGHT JUST LIKE THE GUY IN A

WAS WE-SAM LYNNARD LAIR. LARKER TURNED, ONLY TO BE ASSAULTED
IN A SINGLE, BITE-SIZED BUMP. THE CREATURE GRABBED ON HIM A
MOMENT, SWALLOWED, AND BURPED.

"THANKS, DROOPY." HE SAID WITH A GRIN. "THAT'S ALMOST ALL
OF THEM."

BUT DROOPY WAS AN LINGERER LISTENING, HAVING ALREADY
CONVINCED CORY TO LET HIM IN THE ANNEX. SOON, ALL TOO SOON THE
THING WOULD ASKED ALL OF HYPERNITH, AND THEN HE, AND ALL THE
TRUE RULERS OF THE PLANET EARTH WOULD FINALLY BE SAFE.
THEN THEY WOULD BE THE MASTERS, AND -

DROOPY'S LAST THOUGHT WAS A PITIFUL WAIL AS CORY DROPPED
A BRICK ON HIS HEAD.

"WAIL" FROM THE ~~POPULACE~~ ^{WILD} POPULACE OF THE WORLD ~~WORLD~~ ^{WORLD} FEARED
ITS CORES BEFORE THE PRESIDENT, AND I SHALL BE WORLD
LEADER. CORY -"

CORY PAUSED AS FRED AND ISHTEL ASKED HIM TO OPEN THE
ANNEX DOOR, NEVER REALISING THE TRUE MEN MEANT THEY
REPRESENTED. EVEN THE WORLD WOULD BE THE IRS. - -

"BOZOD BAIT!"

IT WAS A SUNNY DAY IN THE GARDEN. A SLIGHT BREEZE MADE THE ASPARAGUS LEAVES RUSTLE HARMONIOUSLY WITH THE CHIRPING BIRDS. THE IGUANA SAT LAZILY SUNNING HIMSELF AS HE HAPPILY MUNCHED ON LETTUCE, & SUDDENLY A hideous noise INTERRUPTED THE SERENITY OF THE GARDEN, AND FROM THE AIR CAME THE hideous FLAPPING OF THE WINGS OF THE DREADED BOZOD, FLAP FLAP FLAP, WITH A PONTIFF ON HIS BACK. THE IGUANA LOOKED UP AND SHOOK WITH FEAR AS HE REALIZED THAT THE BOZOD WAS HEADED STRAIGHT FOR HIM. UNFORTUNATELY, IGUANA'S HAVE NO LIPS, AND HE COULDN'T SCREAM "GO AWAY YOU MEGHOLES!" NOT WILLING TO BE A BOZOD'S LUNCH, THE IGUANA TRIED TO RUN AWAY BUT REALIZED IT WAS FUTILE AS THE SHADOW OF THE BOZOD FELL OVER HIM. JUST AS THE BOZOD WAS TO LAND, HOWEVER, THE IGUANA DARTED OUT OF ITS WAY, JUMPED UP AND DISMOUNTED THE PONTIFF. THE BOZOD, HAVING LOST ITS ~~ED~~ FLEW AWAY IN HUNCHED BACK TERROR. MEANWHILE, THE PONTIFF SEEMED A SPIN-~~LIKE~~ COVERING END ROLLED ON THE GROUND. THE IGUANA LICKED HIS PUMPS IN ANTICIPATION AS HE TRIED TO CRACK OPEN HIS LIPS. HE WAS SUDDENLY INTERRUPTED & HISSER, BY THE SCREECHING OF HONG BIRD FLYING RIGHT AT HIM. "BART!" HE THOUGHT. BUT ONCE AGAIN THE IGUANA USED HIS SUPERCE INTELLIGENCE TO GET OUT THE STOLEN PONTIFF. TAKING A DEEP BREATH, THE IGUANA LET OUT A SCREAM HEARD FOR GARDENS AROUND. DISTRESSED ~~BY~~ THE HONG BIRD & THOUGHT HE WAS FACING ANOTHER HOWARD IN DISGUISE AND ZOOMED COWARDLY AWAY. THE IGUANA SAT ~~IN THE GARDEN~~ AND RESTED. THEN HE

REALIZED HOW DILLY HIS TERROR OF THESE
EDMONIC ANIMALS HAD BEEN, ~~AND SINCE HE~~
THE EGG STILL LAYED THE GROUND, AND SINCE HE
COULDN'T BREAK THE SHELL, HE ROLLED IT INTO

He was a man like any other man;

Sitting on the beach, the waves

They were all dead languages, now.

He had seen it before. It was

April 22/83

My friends, assorted gentlebeings, and other Forum members:

This entry is being inscribed as clearly and brightly as possible. I want no excuses for not reading it - even if you end up thinking (once more) "that guy is just a fool whose shit belongs in the lavatory rather than our log."

My topic of discussion today involves personal ethics, and a paradox arising therefrom. I have not been able to resolve this adequately, so hereby open the floor, walls, and ceiling for discussion.

Specifically, the problem is this: On the one ~~side~~ hand, when one cares for another (or others), it is best to be open and giving of oneself. I have no cause to dispute the basic truth of this statement (despite the difficulty of (1) breaking through self-imposed defenses against being hurt, and (2) convincing anyone that I am trying to do (1)), but I have discovered a statement I read to be true, to wit: The most selfish thing that anyone can do is to give themselves over completely to someone else, as this demands reciprocation.

I trust you all see the problem now. How does one open up? How far east an individual go in giving of him/herself? If to give totally is to yet hold back (that is, to be selfish), then how can one achieve the theoretical optimum? Is the optimum only theoretical?

As I wrestle with this problem I become more and more convinced, based on personal experience and the evidence of others' experiences, that each viewpoint is quite valid. Quite frankly, it is enough to make one wish to raise and thicken the barriers of isolation, so as to avoid the issue. Of course, to do that is not to avoid, but reconfront the issue from the other angle. In other words, there the first principle, that

of giving of oneself, is violated or even lost!

Have any of you answers, I would most intensely and assuredly appreciate elucidation thereof. Please.

Thanks for listening,

Druce

PS you can laugh now, @ snickers (you know who you are) PSA

MERYL -

Are you going today? If you are, we can drop eyeballs + fuck up his BOOB-stuff. If you want to go, drop my tip room, OK? (on Wed, I'll come to here, later.) Sorry about being kind of vague, but I'm not sure what I'm doing later. Heidi

DRUCE: If you want something you TAKE it. If you don't want it, PISS ON IT. THAT is the optimum.

Seriously, Bruce, here is my point. If you want to be open with people, you are open with them. That is a gift, you to them. You never have to give that gift if you don't want to! Neither are you forced to reciprocate when someone is open with you.

Point the second. May I quote you, T.B.? "to give themselves over completely to someone else". Right. That is trash. The idea of "giving yourself over completely" is garbage. Are you still listening, or have I managed to totally close your mind?

Point 2B. The concept is garbage because

- ① it's not possible
- ② it's insane if it were possible
- ③ why would any one want to?

You've perhaps seen what happens to people who try. They get a rice jacket with straps in the back and a swell room with soft walls.

Point the third. There is nothing wrong with being selfish. People are, almost by definition, selfish. It's like necessary to survival. You are so concerned with being open and caring - I bet much more concern for being happy - i.e., having a good time. This is very selfish perhaps - but I don't stop others from having a good time. Is that not, e/s/o, caring - if only by a pathy and default?

Point the fourth. Isolation. Now, THAT is a theoretical condition. And, as you said, completely protects you from interacting with others. The only isolation possible is self-enforced, and ultimately selfish.

The next you can do is make yourself accessible to those who wish (and you wish) shared caring openness, etc. (what a terribly structured sentence.)

Point the fifth. The paradox is only apparent. It arises from thinking you give all or nothing. As to have tried to point out, you can not give all. You need not give nothing. If I think of anything more, I'll get back to you.

Botina: Oh, you are - you a a rite dismiss
Heidi: Do that again at part of - oh, never mind,
you already did.

Bruce,

1) I really must protest your statement, "When one cares about someone, it is best to be open and ~~open~~ giving of oneself."

I don't agree. This, in my opinion, just leads to be taken advantage of. I don't think you should be anything to anyone as a general rule. I think you should follow a different, specific rule for each individual you care about. For example, no matter how much I cared about a girl, I wouldn't be open about admitting I hung out here.

2) Assuming, however, you accept statement number one, as Chris Martin would say, a 'given':

, the most selfish thing a person can do is demand as little joy, or all the air or sunlight for yourself

Now or: by buying yourself a continent, state, or planet, and kick everyone else out. Clint Eastwood is trying it with Ireland, Thailand, and Tim John Kacley's Ophuchi. That's, that's exactly what happens.

Finally, the most selfish thing one of us could do is get some object, a "bag of marbles" or a "synapse", that everyone else wants, and just hide it in a closet or under a bed, and not share it with ~~them~~ ~~anybody~~ of anything demands reciprocation.

3) You open up by trying to open up, that is to say, looking the other person in the eye and not lying. I do it all the time with my father. It really works.

4) So going ~~to~~ ~~it~~ ~~point~~, you go as far as you think possible without getting hurt, depending on how far you ~~can~~ ~~control~~ ~~the~~ ~~person~~.

NOTE: It is BETTER to ASK GETTING HURT THAN TO END UP GENERAL UNHAPPY YOU HAVE AN EA IN FRONT OF THE GAME.

5) Find theoretical optimism. We live in the real world.

K Lisa Bruce, when I write a sentence I try as hard as possible to make it clear to the reading audience, even though I normally talk in what is commonly known as K Lisa speak. SAT words, when used in moderation, can really help a sentence get its point across. But when overused, they are simply bad english. Bruce - No one knows ~~unrequited~~ love, heartache, pain & confusion better than I. The troubles I've had with women far, far exceed the number of Ford memories. But I hardly let it dominate my life, verily? Sure, it would be easy to let the pain of love rule me & burden my friends, but why should I when there are so many & more fun things to do than mope? Take a bit of advice from ~~Confucius~~ Confucius. He said "Happiness is like a butterfly. The harder you try to capture it, the more quickly it eludes your grasp. But when you turn your attention to other things, it comes upon you quietly and sits softly on your shoulder." Don't try to solve all the mysteries of your life, Bruce. 7/9/83

Dicks, ex-dicks, ex-semmels, ex-papes, ex-Boties, Bo staves and ~~Bozzas~~, ex-George Hakimara chins (Double, single, or triple), and X-men... lend me your eyes.

I'm here to admonish the pointless shit being tossed off into this book (and for some, to add to that shit. You know who you are, all you guys who mistake real shit for Nabobov or MacDonni's secret sauce; and as for entries like this...)

First, there is the "Dicky Entry", usually rendered by Bruce or Lincoln. All of those Lincoln's out there, fabric hair transplanted to pater jewels, pinched and mottled flesh, short weewees. Not the Ced's, at least these guys have enough sense not to come on these pages. Two we just happen enough to watch, and sniff into our beady leather briefcases full of who knows what. Yeah, a Bruce type a a moment of something

which could pass for a brainstorm, an orgasmic epiphany - but's really just a phallic sneeze. Anyway, they write an entry on ... on something like how much should one open up to another or something equally pointless, Dicky, and not for this book.

But it is, really, for this book. Bruce, Lincoln's of the forum, you serve the interest of the forum for making this one, Dicky Entry. For from that one stupid, wide-eyed help-me-please entry, we have a precipit - a downpour of borderline interesting entries.

So Thanks for you Lincoln...

And now forge ve on.

There was one point in a past log book where fope insulted people; just random attacks meant to stir blood and raise temps. But since Hodges isn't a wide eyed, hyper gametin or uber, his insults don't stir so much as a flick of a wrist needed to turn the page.

Imagine a typical scrawled out "papist" entry that you know whittos on and on, regardless of a "warning-this entry is boring" note at the begining. I imagine his sole point to make the CEOs and Lincoln rip out of their shirts and turn lavender - ah, Charoise-green.

I have been known to insult some people (and not only with my pen, but with my words), and now I'd like to give it my best and might, my all. I'm here in the corner right now, with books, beds and trees... chips and john samuel, and I'll get time to sit and pass and I'm to water.

My goal, to insult each and everyone down here except for the apple of mine now. No. If I'm in the mood I'll even finish it.

Let us do this in "orderly, logical" manner. First I'll shoot down everyone here now, and then I'll get selective.

*** A warning: The following insults are

Derogatory in nature, and are intended to cause veins to bulge and faces to redden. It's in complete neglect of all moral structures, and its scope spans the polite to the most profane. If you are effected by the entry dedicated to you, remember that this is my only purpose (outside of mere sober observation)

Thank you,

① George Jung Hing Chin: I see Chinatown; a cheerful paper dragon mask of oriental cuisine, cinema, and pop culture. But beneath this fragile disguise, under the fried rice and ornate phonebooths there is a business surpassed only by the basest parts of Harlem. The streets smell of rotting fish, burning pork rind, and oriental sweat. Sidewalks strewn with crabshells and browning buttonshirts, broken soy sauce bottles and yawning cupacks filled with mud mixed with cigarettebutts and factory cookies. And their wares in some senseless streetry fashioned only by US denizens.

And the people; the watch hawks and snake messes, the smiling, SMILING little eger to please bastards willing to tie your shoes for a whiff of spit in the eye, they wobble and shuffle in an endless parade leading to no where. All of this, all of this on Canal Street, is Mid-Manhattan going on.

And where is Gessés home but on Coner Island in Brooklyn. There is something there, that the Chinatown was drilled from the roaring Chinatown.

Was the something B, well, it has something

to do with laundry shops and catwalks. It's a known fact that Mr. Chin, George's mythical father (and exiled Shaolin priest) does the laundry for the corpses at George's uncle's Morgue. It's a wonderful monopoly, the bodies' silent demands to be thrust in dirt with spotted attire, and only George's dad can do that.

* — — Point one: Insult an individual's family upbringing. Call their mom a fake and their dad a little wee wee, question his authority, and the insult is Enraged — *

And there George's father is, using his Calson Detergents on Stiff's duds, supporting George's two brothers, mother, and grand father —

While George Avoids A Responsible Life Chin rates in a cryogenic freeze here. He's shaving his old man, isn't he? Spending most of his time on his back, vinting the fine a way at his cardboard chairs and plotting rules, comic books and unique masturbatory scenarios. You see the belt he's boasting now? It's the biggest he's had yet. And how can a no good son fill his gut so often, with out a job? Why, there's always dad, and his weak spot for his Boy.

"Honorable father," George bows down on a gimelth knee, "your humble son requires funds." Then Chin stretches out his pudgy yellow hand and grabs some yen. He makes off on the next subway like a breeze.

And goes his business here. Why? Well, I'd let you all piece that one out. But can you see George tossing over a blanket of being mentioned via books and charts?

* — — Point two: And insult random gods of truth in your insult to makes potency increase tenfold. — *

* — — Point three: Give a topic to your insult, and stick close to it. — *

The wheel is set at torch, it burns brightly and there's much heat. At its light we may see a pair of cubes

Jiggling together in mid-air. there's characters on its surface, and as a particular surge in the wheel's flame brightens the surroundings, the cubes are cast upon a felt surfaced table, coming up ~~with~~

② John Baptist Consorti: ~~There~~ There was a man, I couldn't remember his name, but I remember the words he spoke to John's "you're a dick." well, up to this point I've heard no argument to the contrary, and have to helplessly hold up my hands and offer the option to deny that statement to you.

Oh, the guy was John's out as I recall, and he had a suitcase in his hand at the times. He was leaving, to go away from the Cloring bacon fat odor exuded by John's very pores.

But there's more to John Consorti than a lousy home situation and Sickening odors. About two hundred and eight points more. I've always, ^{noticed} what the rolls of fat on a human being look like, when they're ~~with~~ slick with olive oil. Now I no longer wonder,

It's like a greased staircase, his guttural tucks, crawling up his belly and to his mountainous, sea-inflor brewers. Beyond that they mount to a dais of hair. A forest of, of Things live off these. And sometimes, sometimes on a cold quiet night when the traffic has settled down, you can hear the chirruping and mewling of his hairy habitats.

* -- point four! If given the least chance to insult physical characteristics to go. This leads to the person's growing lack of confidence, decreased self image, and increased self-consciousness. *

And what more is there of John Consorti than the imposing overall silt appearance he cuts? YOU TELL me; I'm honestly interested.

The dice explode, sending sparks in all directions. The wheel's fire has died but for symmetry red coals, by

down has come, dimly revealing the glittering fragments of
ice as they fall earthward, in a stranger's random pattern. In fact
all of the segments were roughly in rectangular shape, very thin.
And etched on each of the groupings are numbers and designs:
Hearts, clubs, spades, and hearts.

But the dealer is tired, his fingers cramped from
being in her insults. He will return, with a new deck:

And he'll set you,

And BOZED (who needs to insult that in itself)

And Dan Semmel (The homo jokes were only a warning)

And Bruce Aberman (No hum, I'll have to be awake for that)

And Dave Holmes (what need be there to insult he who is one with deep laughter?)

And Margaret (who thought Bill Duff was a ^{stupid} ~~stupid~~ ^{thing} can
hold its water)

And Hugh (They killed Jesus for the same reasons, the ones
you don't even know)

And Jeff (There's more to him than getting his rocks off
on quartz, I'll grant it)
_{gonnie}

And Fred (Having a small wee wee and big eyes ^{doesn't}
make the man)

And Cliff (Tall, stoic, apt to stiffen while viewing
Sis, nothing wrong with that, but does he have
to jiggle and throw side bits into their faces)

And Gary (Being free isn't Easy, especially when
you're apt ^{to be} a mindless puppet of a ^{higher}
order ^{being})

And Botwin (A higher order being who is a mere
puppet of the free; the paradox is
gone.)

... And the pen suddenly cries "Help me, AAAAAH!"
before leaving my hand.

69 (ex-200) thak): La problema de los numeros tres y quatro tiene solución, potentiamente ~~de~~ por que no se esta aqui cuando yo estoy?

All else: Fuck off and do. I mean it. You're all a bunch of total assholes. (the generic insult.)

4.

2

↳ SPASSEN DER "RELATIONSHIP" of additive componets of "7" not creating a compatible unity is a problem. perhaps a re-balancing of the poly-merial is in order. Thus;

$\frac{x+y}{(x \cdot y) \cdot (x \cdot y)}$ can be restructured

to: $\frac{x-y}{(x+x) - (x+x)}$

this, I think, you will find much more amusing and have TWICE the chance of being able to get in!

69

TO CONTINUE:

LET $F = X \cdot X_1$; WITH $F_1 = X \cdot X_1 \cdot X^2$

as you can see, F_1 is infinitely more desirable, with only one mode surpassing it, ~~the~~ that being:

$$Z(F_2 = X(X, Y)) . ~~infinitely~~$$

Now we must discern the other variables:

$$M = X_1(Y+1).$$

Thus, the earlier equations can be restated as:

$$\frac{F}{M+M} \text{ or } \frac{F}{2M} \text{ and } \frac{M}{F+F} \text{ or } \frac{M}{2F}$$

or we now describe, $Z(F_2)$

Now, you try it:

I beg to differ!

However, I see your main point.

given $\sum_{i=1}^n F_i \forall x(x, y_1, \dots, y_n) \equiv G$

Now $G(x, y_1, \dots, y_n)$ will eventually yield (given all permutations) $\frac{n}{F_i}$ or even $\frac{n}{F_1 + F_2 + \dots + F_n}$.

But you haven't taken into account (this is crucial) that G is a function of an angle (call it ϕ):

$$G = H(\phi) : H(\phi) = f(n)$$

(n being the aforementioned subscript)

(Note that there is not a unique given value of ϕ but, given ϕ as a function of t , there is a best angle.) Obviously,

$$L \cdot \phi = G \cdot F \cdot c \cdot N$$

(c is some constant, to be determined by repeating experimental ϕ values.)

WAIT - WAIT! YOU MISS MY
POINT!

IN A TRI-POLAR UNITY, ANGLE OF
PENETRATION ($G = H(\phi)$) HAS NO VALUE.

Obviously;

if $F_2 = (*X(x,y))$, then it will
assume dominance over

~~F~~ $F = X \cdot X_1$.

if ~~F_2~~ $(X(x,y))$ ~~F_3~~

$F_3(x(x,y))$, then F_3 will
assume passivity to both
 F_2 and ~~M~~ M.

~~WHAT~~ WHAT YOU ARE MISSING
IS THE ~~"PETEY PRINCIPLE"~~ "PETEY PRINCIPLE" IN WHICH
EXPONENTIAL GROWTH (W) IS DIRECTLY
RELATED TO A, WHICH IS THE
desirability of F_N .

THUS,

$$IF W = A(F_N)$$

~~and~~ and

$$A = F_N(L)$$

("L" IS A MEASURE OF ATTRACTIBILITY ON A SCALE OF 1-10, MAKING "L" A FUNCTION OF "A")

THEN THE BEST DESIRABILITY IS, OBVIOUSLY

$$\frac{F_2 W(\emptyset L) + F_3 W(10 L)}{F_2 10(W) + F_3 10(W)}$$

~~M~~
M

UNLESS, OF COURSE, YOU PREFER

~~M = X(Y_1)~~ $M = X(Y_1)$, OR

~~M = X(Y_1 \cdot X)~~ $M = X(Y_1 \cdot X)$,

IN WHICH CASE, I DON'T WANT TO KNOW YOU — TRY DARRYL.

OBVIOUSLY, IN RELATION TO F_N , W IS MORE DESIRABLE IN LARGER QUANTITIES, WITH A

~~full~~ possibility of exception
by F_2 , but definitely not by
 F_1 or F_3 .

NOTICE THAT ALL EQUATIONS
HAVE BEEN OVER ~~#~~ M . THOUGH
THE INVERSE IS WORKABLE, ie,

~~$F_2 W(10L) + F_3 W(10L)$~~
 ~~$F_2 W(10L) + F_3 W(10L)$~~
I AM LAZY AND PREFER TO

LET F_N DO ALL THE WORK,
TRY AGAIN!

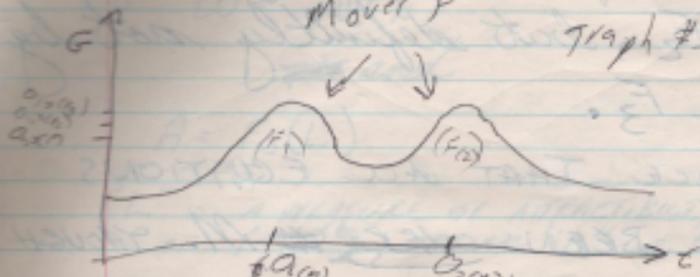

OK. I see your point, however
only limited to the case of tri-
(or possibly quadra-) poker variables.
You must grant that

$W = F(A_1 F_1, \dots, A_n F_n)$ in the
more general case. However
in the tri-poker case, one can

draw a graph:

Moves F

Graph #1

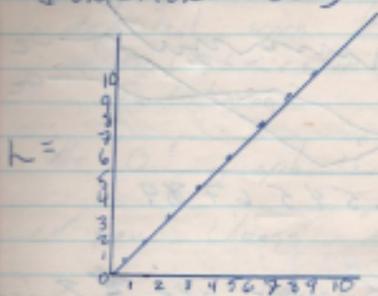

Note that there are two "humps", one due to F_1 and one due to F_2 (assuming a large enough δ value of W .)

Given that F_5 is a "Screamer", however, you may have to introduce a new variable indicating room rate or systematic interference.

TRUE, BUT ONCE AGAIN, YOU MISS MY POINT: IN A LOW / SITUATION, W HOLDS GREAT IMPORTANCE, NAMELY \rightarrow

DRAW A GRAPH!
(FUNCTION = W)

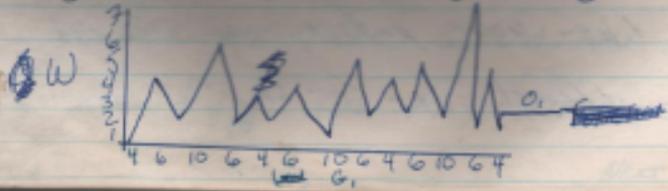

A
assuming F_S is a "screamer," and
 F_B is a "moaner" the graph changes.

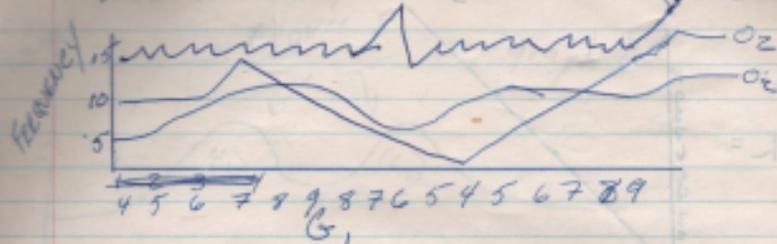

So: (FUNCTION = F_S IN DECIBELS)
 ~~$G = H(\phi)$~~

Letting G_1 = depth of penetration
per stroke, as variable, and
 $w =$ see STACCATO irregular rhythm
changes the graph yet again

AFTER INITIAL O_1 ,
DRAW A GRAPH

FREQUENCY IN STROKES PER 2 SECONDS.

NOW, FOR THE DANGEROUS PART:

if FREQUENCY = 7.5 STROKES/SEC
and $F_N = F_S$,

at O_2 THE PROBABILITY OF INTRUSION
by PUBLIC ~~menace~~ MENACE is 94.326%
Now, you DEFINE F_B (MOANERS)

Right - I'm following you in the
vocabulary, given some F_S and
stroke frequency ≥ 7.5 Hz, its sounds
like you're putting an ice pick
through her forehead.

But F_2 ("Manners") have an "O" graph dependent upon the variables L_n (typification) and S_n (stamping)

the "O" graph is similar ^{to that} for "screeners"; if you change "decibels" to "length of moon." Now, back in the tri-polar situation with F_5 and F_6 , I ~~submit~~ submit F_6 should go first in order to minimize the Public Safety Intrusion Factor.

Given large quantities of W (and something to lower the decibel rating of F_5), this could go on all night.

EUREKA! YOU'RE FINALLY GETTING IT!

IN OUR TRI-POLAR SITUATION WITH F_{25} AND F_{3B} AND M , INTRODUCE A

NEXT PAGE →

NEW FACTOR, NAMELY, "I" = igpana.
now, since I has ~~no~~ lips,
balance this: (come on, el slave you)

$$I_2 = [F_B((10L) \times (10A))]]$$

$$F_2 = [F_3((10L)(10A))]]$$

$$F_3 = [F_B((10L)(10A))]]$$

$$M = W [ZA(F_N(L))]]$$

THAN

$$I = \frac{F_2 \times F_3 \times M}{I}$$

BUT WHAT ABOUT I? WELL, AS
EVERYONE KNOWS, I'S WITH WASHED
HANDS ARE THE BEST KIND!

SO :

$$\left\langle \frac{[F_A(10L)(10A)] + [F_B(10L)(10A)] + [F_C(10L)(10A)]}{W[Z_A(F_N(L))]} \right\rangle =$$

$$\frac{[Z(F_B) (30L)]}{M \cdot W}$$

$$\left\langle \frac{Z(F_B) (30L)(30A)}{M(W[Z_A(F_N(L))])} \right\rangle$$

$$\frac{F_N(30LA)}{M_1} = \infty$$

Right can I watch?
(over)

Let's stay within realistic parameters. Given those parameters, "I won't have time & use inclination" for wasted hands. (I vs FI.)

Now we have an equation for O_0 , but we haven't defined the function O_0 . I submit:

$$O = f_0(W, \phi, S_m)$$

and $O_1 \Rightarrow O_0$ only in the case outlined ~~above~~ above.

Agree?

No, NO, NO, NO, NO!

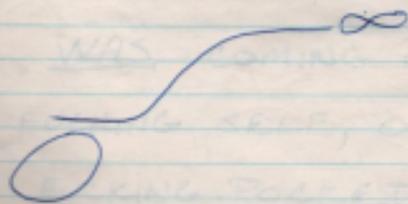

WRONG AGAIN!

O is not a function! O is a direct reaction to stimuli from F_N or M_N (see DAREYL)

O_1 is the initial signal to the pleasure centers of the brain

and O_2 is the immediate physical release caused by sudden excess of sensitivity of stimulated organs. O_{∞} is the time the mental signal lasts.

Obviously, THE LIMITS OF O (ORGASM) ARE

o All right. I've had enough of this. I'm going to have a cigarette, then go to sleep.

RIGHT -

$$O_2 + O_1 = \frac{x - T}{ASy}$$

IN RESPONSE TO YOUR COMMENTS OF EARLIER THIS EVENING. YES, YOU DONATE BOOKS, YES, YOU SPEND WORK, TIME, ENERGY, AND MONEY ON THE FORM - FREELY. YOU HAVE MADE THE PLACE FEEL BETTER WITH A MORAL, ADDED A DECK, PAINTED, ETC. FOR ALL THIS, I THANK YOU.

Yet - you feel the gives you the authority to graffiti walls, burn regs, insult people (not to say we have not at some point insulted you), begin projects when you feel like it (without any authorization, planning, or permission) and disrupt the daily activities of the Forum. For this I say, No Thank You.

When one seeks to help, but damages the entity he is seeking to help, as a ramification of the aid he offers, such help is unwanted, unneeded and can and will be made up for from other sources.

If you wish to work with us, you are welcome. However, if you choose to also work against us, we are better off without you. It does not matter, if you donate a million dollars of time and energy, but disrupt our actions, our attitudes, and our organization.

Again, I thank you for your donations of the past. Remember this.

part yesterday for what is expected to be a grueling effort to get an agreement for the withdrawal of Israeli and other foreign troops from Lebanon.

The effort begins in earnest today when Shultz goes to Israel for a meeting with Prime Minister Menachem Begin, who has set conditions for withdrawal that Lebanon is unwilling to meet.

After a 3½-hour meeting with Midebarck, Shultz gave reporters the clear impression that he and Midebarck agreed that Israel's terms were excessive. Israel insists that the Lebanese army is "radicalized and sworn to have liquidated a small contingent to protect its southern border. It also demands a key role for Maj. Gen. Haddad, the Israeli-backed militia leader.

While Midebarck at his side, the secretary said they had discussed the urgent need for a withdrawal agreement that "removes the necessity of a sovereign Lebanese able to rule itself."

"The views of the president of Egypt and the views of the President of the United States are identical on this issue," he said.

Sen. Brent reported that President Amin Gemayel rejected Israel's security demands again yesterday, insisting that the Lebanese army should take exclusive charge of Israeli-occupied southern Lebanon. The government radio said Gemayel reiterated the Lebanese position at a meeting with representatives of

ing here in Beirut.

Asked if he thought it might be possible to arrange for the withdrawal of Israeli troops during the trip, Shultz replied, "It's certainly possible, but we will see."

Midebarck, who said Shultz gave him a letter from President Reagan concerning Midebarck's presence, said he hoped the secretary's trip would conclude with "something beneficial to the whole region."

He said there must be a complete withdrawal of all foreign troops from Lebanon.

Midebarck also said Egypt considers Reagan's offering Midebarck peace initiative a golden opportunity for peace. He urged the Palestinians to meet, on terms by negotiating a truce with Israel, that will make possible peace negotiations with Israel.

At a memorial service to victims of the U.S. Embassy bombing in Beirut last week, Shultz condemned the "murder and violence against innocent people" and vowed to pursue their "peace work" for peace. At least 48 people were killed, including 17 Americans.

More than 8,100 people attended a memorial service at the National Cathedral in Washington, D.C. for victims of the blast. Vice President George Bush, Defense Secretary Casper Weinberger and CIA chief William Casey were among the dignitaries present. Acting Secretary of State Kenneth Tarr called the deaths "a collective loss . . . by all those who desire peace."

Vice President George Bush and Ken Keeney, one of the acting secretaries of state, bow heads in prayer at service for bombing victims.

Daughter Accused Of Killing Mother

By Bill Van Heintze and Sarah Pollock
Investigators — A woman who police believed had suffered a heart attack when they found her dead in her home Monday night now discovered mysteriously to have been strangled. Police charged her daughter with the crime.

The daughter, Dale Kagan, 30, who has a record of psychiatric problems, was arraigned by Nassau County Police yesterday and charged with slaying her mother, Joan, 54.

Police found Mrs. Kagan's body about 5:30 PM Monday after an unidentified woman called the police emergency number and said there was someone hurt in 88 Sachsgrove Road. Police found the woman locked when they arrived and forced their way in.

When Mrs. Kagan's body was found, police said they believed she had died from a heart attack. They took her to the Nassau County morgue, where yesterday, during an autopsy, Chief Deputy Medical Examiner Dr. Milton Anshel found a bullet wound in her back and determined that she died from the wound. He said the bullet penetrated her left lung and her main pulmonary artery.

After interviewing neighbors and relatives, police put out an alarm for Miss Kagan, of 146 Broadway in Lynbrook. The daughter, according to Nassau County Legal Aid lawyer Richard Elliott, turned herself in at 4:30 PM and was charged with second-degree murder.

She was held overnight and scheduled to be arraigned this morning in First District Court in Mineola. Michael Kormanik, attorney in chief for legal aid, would ask comment on the case.

Police said these rifles, one with a spent cartridge, were confiscated from the home. They said they are investigating the possibility that one of the rifles was the murder weapon. They did not disclose any motive for the crime.

Police said Mrs. Kagan worked for a Jewish charity in Manhattan, running a program that sends packages of food and clothing to people in countries behind the Iron Curtain. Her husband, Norman, died a year ago, police said. Neighbors said the husband had suffered from Parkinson's disease for at least 19 years before he died.

Mrs. Kagan, however, was very happy recently.

By according to police and neighbors, who said she was planning to get married and had told friends that she was going to put up for sale the house she had lived in for 18 years.

"I never saw her happier than in this past year. It seemed she was getting married, or she was recently remarried. She was so happy and optimistic," said Adeline Orsini, a neighbor who lives around the corner on Crosswell Lane. "It's just a very sad thing."

Besides Dale, the Kagans had three other children: Lisa, 22, who lives in Yonkers, Eva, 30, who lives in Maryland, and Roger, 31, who lives at home but was in Florida at the time of his mother's death.

Police said Dale Kagan was graduated from Rutgers University with a bachelor's in business administration, and then received a master's in business administration from Harvard University in 1975. After receiving her MBA, she moved to California, where she suffered a nervous breakdown and was hospitalized for an undetermined period in Del Mar Hospital in Terrance, Calif., police said.

In April, 1981, she returned to Long Island and began living in Lynbrook, police said. They said she had been treated for psychiatric problems at Pilgrim Psychiatric Center, but they were unsure when or for how long.

Dow Hits New High

The eight-month bond market reached a new peak yesterday, as the Dow Jones Industrial Average gained more than 22 points, closing above 1,900 for the first time in history. Analysts credited the market's performance to investors' take-down from restrictions and growing optimism about the outlook for the nation's economic recovery. Story, Page 11.

Any who vandalize, will have
Public Safety called on them. We are

I will accept constructive

I will not accept destructive

If you decide to ruin something I will

Next you state that we are

Daughter, Held in Slaying, to Undergo Tests

By Bill Van Halbeek and Sarah Pollack
Miracle — Dale Kagan, whom it is being psychiatric examinations after being arraigned in charges of second degree murder in the slaying death of her mother, asked the judge for a temporary mental review, a special diet and a second opinion from a private psychiatrist.

Appearing congested but with red rimmed eyes, Kagan told First District Court Judge Herbert Lipp, "I've had a constant headache, I would like to ask for the results of the test to be given, to not let me know if I am going to have a day that did not end up in a one month pre-arrest attorney Alvin Barbano to represent her.

Kagan, 31, who has a history of mental problems, arrived Tuesday afternoon for the murder of her mother, Mrs. Kay, after turning herself in. Family members had provided police with information and told attorneys they had typed Kagan's name forward to New York's Monthly Kagan is to be held without bail until a psychiatric examination determines whether she is competent to stand trial. Usually such exams take about 30 days.

She asked reporters on the left for a courtroom to print a photograph of her mother in the papers and to write about her mother's work. Her mother was director of research development for the American Jewish Joint Distribution Committee, an overseas relief agency that receives much of its money from the United Jewish Appeal. About the charges, she said, "I will not discuss it. . . . I haven't been proved that I'm guilty."

Mrs. Kagan's funeral was held yesterday. Her

other three children and the man she had planned to marry, Henry W. Callman, were sitting alone and dejected in court or in a rooming house. Mrs. Kagan's former husband, Norman, died five years ago.

Police said that Dale Kagan, a quiet, intelligent woman whose acquaintances remember an intriguing, did some library research on Tuesday morning. Kagan, a 1974 graduate of Hefers University and a 1978 graduate of Harvard Business School, also stopped by the Hefers School of Business Administration about 11 AM Tuesday in search of one of her former professors, Dorothy Cohen. Cohen said yesterday that Kagan never reached her. She said it had been about a year since she had seen Kagan and had known her only as a quiet, intelligent student.

According to police and other sources, Kagan worked for the past few weeks at a construction booth at Allbrands Computer Centers Inc. in Melville. She had been living in Lynbrook with a friend for about a year. Her earlier history, police said, includes several jobs and stays at several psychiatric hospitals.

After receiving her MBA from Harvard in 1978, she went to California and worked for International Business, an electronics company in El Segundo, until March, 1980. During that time she also was hospitalized in Del Amo Hospital, a psychiatric facility in Torrance. Kagan has lived in the New York area since 1980, working at various jobs, including a three-week stint in the telephone sales department at Newsday in 1981.

She was picked up by police on Nov. 12 in Nassau, wandering around confused and incoherent, and was committed to Pilgrim Psychiatric Center, according to a source there. She was released Dec. 31. She also spent time in the psychiatric facility at University Hospital in Stony Brook during 1982, police said.

HOWEVER, THE CURRENT DILEMMA MAY BE THE FAULT
OF A LACK OF EFFECTIVE COMMUNICATION AS WELL AS
A LACK OF PATIENCE. THE "PUCK THEM IF THEY CAN'T TAKE A

TO ALL PARTIES: NO SINGLE GROUP DOES OR SHOULD DOMINATE THE FORUM. THE CONCEPT OF BEING OBNOXIOUS ENOUGH TO FORCE THE "UNDESIRABLES" TO LEAVE SO YOU CAN HAVE THE PLACE TO YOURSELVES IS SELFISH AND WRONG. NO ONE, BUT NO ONE SHOULD TAKE THAT ATTITUDE, EVEN YOU, BOT, EVEN IF IT APPEARS TO BE BENEFICIAL. THE REALM OF SCIENCE FICTION IS ONE OF EXPANSIVENESS, CONGENIALITY, AND PERMISSIVENESS. IT MUST BE ^{AVAILABLE} TO ALL, AND BAR NONE, OR IT FAILS. (THE ABOVE APPLIES TO THE GENERAL PUBLIC) FANDOM, FOR BETTER OR WORSE, TOLERATES ANYBODY, AND TO EXCLUDE ANYONE BASED ON A RELATIVE VALUE JUDGEMENT, IS COMMITTING A SIN AGAINST THE IDEALS OF HUMAN SOCIETY, AND I WILL BE THE FIRST TO CHASTIZE SUCH A ONE!!

Some general comments first. ~~Waffle~~ ~~Phil~~

We are the Science Fiction Forum. No kidding. Our function, as put forth in our charter, is to maintain a functioning volunteer-staffed SF library. Our library seems to have become an warehouse, though, with half-filled shift bins and only about one or three people being here and being responsible on shift.

We are the Science Fiction Forum. Got that last word? FORUM. A place or group whose purpose is ~~to~~ discussion (in a

rational manner) ~~the~~ ^{the} topic of topics of mutual interest and/or concern.

We are the Science Fiction Forum. Account on Science Fiction again. This time, equate SF with the ideals of the large plurality (or is it a majority?) of authors and fans - the pushing aside of nuclear taboos and prejudices. The reduction of hatred.

Now, what do I mean by all of this?

Well, to take the points in order:

1) As a ~~public~~ ^{public} safety organization, and, more so, as a library, it is our job to see that vandalism and assorted other harmful activities don't happen. Since escalation seems to have set in, calling Public Safety may be the only recourse of those who know that vandalism, in some ways more than murder, is a serious crime.

2) Discussions must include all points of view. However, a discussion must be a discussion, not a threat conference or a series of terrorist actions. You know, like the PLO, the KKK, the Nazis, and the Soviets - all the world's beatards. Like them, let us be the French, the British, the Germans, the Japanese, etc.

BT VOP SUCKS
MOOSE. COCK

3) Fandom is a very permissive place/group. However, there is no known group where all of the members love each other (outside of small, intimate circles, which the forum is, unfortunately, not). Thus, nobody would expect you all to get along with each other, much less with all others. But let's not have quite so much name-calling, especially in the log? Oh yeah, fandom can also be pretty unforgiving.

DAVE LANE

Now, some personal messages - but you can all read them anyway - you always do.

George: Bravo. Just one thing. Sometimes Mommy Nature lays a bad egg - some of our debate exude H_2S ? Once identified as not only having potential for, but having caused harm, these have gotta go.

Kerri: In many ways, bravo. Just ^{two} ~~one~~ things: don't always rely on authority to back you out (use more subtle tactics), and be true ~~sure~~ your facts are complete and accurate.

Darryl: 1) Your dicky entries amuse us, too, when we want to read serum.
2) Compassion! Don't make me laugh! You, talking about a liberal view!

Sorry, but the world doesn't like
hypocrisy. Either you believe all of
your previously stated/demonstrated
Nazi-like views, or you are ~~not~~

Re: the recent series of entries

I'm not trying to be generally obnoxious -
I am only obnoxious to those people who
are sneaking around destroying things:

Reasons:

The furniture we get is from Inventory
Control. They inspect the furniture both before
and after they give it to us. It still belongs
to the university; it has just been loaned to
us. If we fuck it up, we don't get any more
and everyone down here can sit on the floor.
That's one reason I get extraordinarily upset
at vandals. And now for another;

Various people who would like to become

members but don't, tell me the reasons. I've heard this from Maime, Bob Zonis, Chris Hayden, Doug Brooks and others. - You can ask them ~~if~~ if you like. What they say is:

"People don't respect the place, they only seem to wreck stuff and try to disrupt meetings and stuff. Why should I or my friends join a club like that?"

We need more people down here folks. And if new people are turned away by the vandalism and stuff, and since you elected me to run the place and get more members (so we can justify our existence to Polity), I am forced to take a hard line view on vandalism and the like.

Other reasons: It makes this place look like shit. It disrupts the running of the library. It ruins people's hard work. Etc.

The reason for the finger-pointing which you seem to dislike:

IF YOU SIGN YOUR
FUCKING VANDALISM,
OF COURSE
WE'LL POINT FINGERS
AT YOU -

DUH (continued →)

So if you dislike my actions, then address my reasons. I'm not trying to be nasty about everything, just about vandalism.

- read my reasons, then criticize me.

And if you have a problem, talk to me about it. Don't vandalize things behind my back. I'm down here a lot. If I'm not, I'm probably up in A22. So, if you can't find me, you probably aren't trying very hard. Come to the meeting (Monday) - Speak out. This is your place too - so if you don't like what's going on, come to the meeting, damn it.

Re: Public Safety. - we're spending our damn tuition money to pay them so I intend to use them.

Ah, but now it's my turn to throw
my 2¢ worth into this raging
debate.

Now everybody has their
OPINION about these issues. Not
nobody's, a opinion is any father than
anybody else's, so it's all

BULLSHIT as ZOP said.
So, instead of opinions, let's
stick to facts.

Fact #1 (Krausell's entry):
Since I've been here, I've
voted for ME. CONSISTENTLY.
I've voted for myself for
President, vice-president, treasurer,
secretary, and librarian. Yet I
have managed to avoid getting elected.
Thus, to me, voting means
nothing, I.E., it is BULLSHIT.

Fact #2: Bruce: your opinions
are especially bullshit, because
you think you are great and
terrific, when in fact you are ~~diff~~.

Fact #3: Danny's entries ARE
amusing, even if they make less
sense than Bruce's.

Fact #4: That's me.

Fact #5: George has been here for years and years and years.

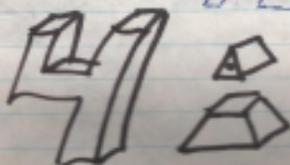

Fact #6: I can destroy whatever I like, and no one will say anything. NOTE: I did not write this as an opinion. THIS IS FACT, supported by years of observation. Also, I don't sign work that doesn't make me terribly proud or I want credit for.

Fact #7: There is no fact #7.

Fact #8: Iguanas have no lips.

It would seem we've run into a touch of controversy. I for one have caught my share of flak. I will respond to any people who said anything worth responding to in just a second, but first I'd like to say this: There is no one at the Science Fiction Forum that I do not consider to be my friend. That goes for all the Gary Halodas, ZODs, Darryl Simms, Ralph Scissors, Fred Cantus and Dale Kayes who might be down here, not to mention everybody else (even Marco). Now for the personal:

- Hugh, Jeff, K'ian, Bruce, George, Gary + all: Thanks for the support. Kudos + Egoboo to you, my esteemed friends.
- Darryl (got it right this time): The bit about the "punk in the snow Pennsylvania Dutch Hatch" was a nice, tidy insult. Would that I could get one off that clean as will.
- Darryl: your remark about me being just as likely a suspect is exactly right. I couldn't have said it better myself. We are all potential couch-slashers. And let's say this has been going on my ~~with~~ hints, either: if you'd look back to my entry of 4/7/83 (log 21), I was very careful not to point any fingers, even though I was told that either Zed or Bap did it. As far as my entry of 4/28/83 goes, I didn't accuse you of slashing the couch, I merely pointed out that you are a suspect (agreed - as am I); and that writing on the couches is an act of vandalism in itself, and it pissed me off.

- Danny (cont): The rest of your entry was ~~not worth~~ pretty irrelevant & not really worth comment, so you'd to Heidi: if I was in your shoes I wouldn't have wasted all that space saying what you did. I just would have said "ehh sorry".

- The Ancient Void: eh sorry if I presented a Joseph "C" louty image, and even sorer if I alienated any innocent, upstanding formites. My stand against vandalism is based upon my idea of Ethics, morality, legality, and my responsibilities as a student at Stony Brook and a citizen of the United States of America. Last but not least, my stand against vandalism is based upon my responsibilities as the Vice President of the S.F.F. I intend to fulfill all my responsibilities. I am content with my stance. I defend the Forum.

Fred: A few short comments.

- 1) The "administrators" have had to take a hard line due to the total lack of consideration given to anyone by Danny, Darryl, Roy, Pops, et al. If they tried a little bit to avoid acting like assholes, this probably wouldn't have happened.
 - 2) To throw out Polity members requires proof. To throw out non Polity members requires a whim. It would be considered trespassing. Polity has responsibility for this room. Tom, Roy, Bag, George, Sline, John F, John CED, etc, are here on our say so, not their own. On graduation day this year, this also extends to me.
 - 3) Bruce's discussion does not occur if one side does whatever they want and the other side does nothing.
- 4) But: what illegal means? That's right, Gary, declare them persona non-grata, and if they re-ent, they're trespassers.

- 5) Pope: Unfortunately, neither you nor Louie can change the fact that this is a democracy. The majority is right. If you don't like it, leave. We're not forcing you to stay.
- 6) Pope: re. fact #2. Try substituting your name. Amazing it fits just as well.
- 7) Pope: In general, Danny's entries have a few moments, but they're very far apart. If I thought I could write and I produced Danny's stories, I would consider myself an amateur.
- 8) Pope: re. fact #6. Perhaps the forum has finally decided to do something about it.
- 9) Pope: re. fact #9. You're right, your entry is better.
- 10) Kevin: thank you for include Date. The fact that a prison can't deal with the world in a rational manner does not change their moral worth.

4) EVIDENCE OF THAT.

GEORGE: GEORGE RHYMES WITH ROSE, WHICH BEGINS WITH AN F, WHICH STANDS FOR FA, FA, A MUSICAL NOTE, COMES AFTER ME, THAT THE APPROPRIATION OR MAINS, AND MOST MAINS ARE SPANISH, AND SAILORS USED TO SAIL THE SPANISH MAIN. PUPETE, A SAILOR, HANGS OUT WITH JAVITO, WHICH BEGINS WITH A B, JUST LIKE PUTWIN.

DARRELL & DARRELL RHYMES WITH SARRELL. THINK ABOUT IT
BRUCE: WE ARE THE HAUM, NOT THE LIBRARY OF LUNCESS.

WE ARE A SCIENCE-FICTION CLUB, THE LIBRARY BRING A STRANGE PART OF WHAT GOES ON HERE. WE DO OTHER THINGS, SUCH AS L-GUN AND FILMS AND RADIO TIPS + T.V. ALSO. THEREFORE, AS PEOPLE, AND NOT BOND BUNGLES OR ^{THE} STY FRANKEL OF 1969, HERE IN 1962 WE CAN DO WHATEVER WE WANT TO CHANGE I.E. IF THE LIBRARY ^{WANT} INTERFERE, THEN SO BE IT. WE DON'T NEED THEM ANYMORE; SINCE HAROLD GROSS WÉVE HAD PEOPLE HERE AROUND THE CLOCK, A LONELY EVEN ^(I.E. GEORGE, PUPETE, ETC.) LIVES HERE. 'I DON'T MIND WHAT THE SHIFT LIST/LOG SAYS, AS LONG AS SUPERBOY DOES THE WORK. GARY, LEVIN, JEFF + PAT + COMPANY DO THE WORK. ASK THEM.

HEY → IN CONTRADICT YOUR POINTS WITH YOUR ANSWER TO REIN - HOW CAN YOU CALL PUBLIC SAFETY AND NOT CONSIDER THAT RESULTING ON ANTI-RACIST?

DO CONTRADICT YOUR POINTS ABOUT NAME CALLING IN LOG WITH YOUR (ALREADY KNOWN THIS WE' TOLD BRUCE?) DEGRADATORY COMMENTS AT DARRELL.

WHAT DO YOU MEAN 'HER WHO?'. THE 'HER' THAT YOU WRITE ABOUT IN YOUR ¹⁹⁶⁰ ENTRY OF APRIL 21, P. 3. OR WAS THAT ALL HYPOTHETICAL? ☹

ONE LAST THING - I REALLY HOPE YOU, LIKE GEORGE, CAN LEARN TO WRITE IN ENGLISH, NOT IN BEE HEAD. BEING FAR SHORTER THAN I HAVE EVER LET ANYONE IN SUSPECT BY MY ACTIONS I THINK ABOUT THAT, AS YOU PEOPLE SAID TO ZUCK [I'VE ALWAYS UNDERSTOOD WHAT YOU MEANT, B.C. IT'S EASY TAKES A LONG TIME TO TRANSLATE.

JEFF: WHAT? LATE PRESS CHARGES AGAINST MARR? WHAT DO HE
EVEN DO? ^{THE ONE} (GIVE ME THE WHOLE LIST OF CHARGES YOU HAVE AGAINST HIM,
FROM ALL OF HIS VANDALISM TO PERSONAL THREATS) WHY WOULD YOU JUST
LET HIM PAY \$50-75 BE THE ONLY? WHAT DO YOU KNOW ABOUT ALL
HE DOESN'T WANT TO PAY.
TILL THAT I DO? ~~NO~~ THAT'S WHY PUBLIC HEARD TO OBTAIN HIM.

ALSO, PAPER'S RIGHT. HIS VOTES WERE LESS & WOULD HE CAN GET OTHERS
TO VOTE WITH, OR FOR HIM. THE VOTE ISN'T A WEAPON. ~~NO~~
"THE VOTING OLDER" IS. THE GET A VOTING ORGANIZATION

GARY: TO ANSWER YOUR P.T., FIRST, I'M ONLY SAYING WHAT I HEAR,
BUT YOUR ACTUAL ARE STILL 1984 AS REACTIONS, AND NOTHING INNOVATIVE
OR ORIGINAL. YOU WREST IT, PANCE ALMOST A HEAD AND BRAGGING
ABOUT HIM.

SECOND, I DON'T WANT TO DO. ABOUT VOTE

SECOND, I WOULD WANT ANY PERSON TO JOIN THIS ORGANIZATION
WHO EXPECTS YOU TO BE ON THE BASIS OF THE ACTS OF HIM. BUT, IF YOU
WANT NEW PEOPLE, GET RID OF ALL THE INSTANTS. THE HELL WITH PUBLIC
SAFETY. SOMEONE EVERYONE WHO DOESN'T WIN A POPULARITY CONTEST. IS
THAT'S WHAT YOU WANT, FINE. ALL VOTING - IT'S NOT BEING INNOVATIVE. I
DON'T BELIEVE THAT ANY ONE SHOULD ALLOW MARRS AND OTHERS, OR GUY
ILL-MANAGED PEOPLE WITH BAD PERSONALITIES IN SOMETHING ELSE BEING ADOLE.

AS ONE WANTS YOU ACCORD? OR MARR? OR HE AND OTHERS? WE CAN
LIVE. WIDE TO EXPLORE, AT A PUBLIC MEETING, OR CALL PUBLIC SAFETY
AND ARREST THEM ALL. I DON'T CARE WHAT YOU DO AS LONG AS YOU IS
TRUST WHAT YOU WANT, IF YOU THINK THIS IS WHAT IT TAKES TO GET THIS
PLACE BACK TO THE WAY IT WAS 2 OR 3 YEARS AGO.

ME? I EXPECTED ME TO HAVE WORDS ABOUT THIS PLACE DEC. 4 '81,
THE DAY YOU REPELLED MARR. THOSE WORDS CHANGED, BUT THAT
DIDN'T MATTER. THAT IS THE LAST MONTH I'LL EVER ATTEND
SCHOOL AT STONEDRUCK, MADE EVEN NEW YORK. IT'S GOING AS
FOR AS I CAN GET ME FROM THE N.Y. PORT AUTHORITY
IN A SORT OF WESTERLY DIRECTION, WITH OR WITHOUT MARR.
BUT THAT DIDN'T MATTER, EITHER.

HERE'S SOMETHING THAT DOES. COE BEEN SITTING HERE,

THINKING ABOUT MY EXPERIENCES AT STONYBROOK SINCE I FIRST DROVE
I HERE WITH MY FATHER IN SEAT '79. AND LOOKED AROUND NORTH.
BUT, NO, WITH MUSINGS AREN'T FOR THIS LOG.

IN CONCLUSION, MR. HALADIN, I'M NOT GOING TO BE IN THE. I'VE
DECIDED THAT MANY MORE I AND ALL THE PEOPLE LIKE US ARE TO BLAME
FOR THE STATE OF AFFAIRS CURRENTLY TRANSPILING. I DIDN'T TALK
THE LOCATES, BUT I HAVE DONE OTHER THINGS WHICH I NOW REGRET.
I SEE NOW THAT I'VE BEEN A P-I-I-I-CK.

OH WELL. WHO CARES WHAT I THINK? I'M LEAVING EITHER WAY.
I DON'T BELONG HERE. IT'S TIME TO GO OFF AND THINK ABOUT WHAT
I SHOULD BE DOING INSTEAD OF WHAT I AM DOING.

LOVED OF THIS.

RAT: 1) JUST IT IS. I KNOW HOW THESE GYS THINK OF YOU.
JUST SUBSTITUTE LACK OF RESPECT FOR RAT FOR FEAR OF PRICE
ACTION WITH KEVIN. I HAVE FOUND YOU AN INCONSISTENT PERSONALITY
TO DEAL WITH, MAYBE THAT DID ALSO. OR MAYBE THEY WERE INDIGNATED.
I DON'T KNOW THE SITUATION.

2) I'D LIKE TO REWRITE 'your writing subs' BUT WHY HAVEN'T I?
YOU HAVE AN OPINION OF ME; YOU'VE ARTICULATED AN OPINION OF MY
WRITING WITHOUT EVEN FEELING OBTAINING OUT MY INTENT. NOW,
I COULD CARE LESS WHAT YOU THINK OF ME SINCE I'VE NEVER GIVEN
YOU CAUSE TO THINK OF ME AT ANYTHING BUT WHAT I AM, JUST A
REALLY YOUNG IMAGINATIVE GUY. ~~AND I'VE BEEN WRITING SINCE I WAS 16.~~ BUT A GUY.
BUT IT REALLY HURTS TO HAVE THE INSULT MY FICTION WITHOUT THE
COURTESY OF ~~READING~~ READING IT. I MEAN, MAYBE IT BAD, MAYBE
IT GOOD, BUT I DON'T TOLERATE YOUR SAYING ANYTHING ABOUT IT
WITHOUT READING IT.

BUT WHY AM I WRITING MY BREATH ON YOU? YOU TALK IT
SPECIFICALLY TO BE AN INSULTING CHEER SUIT, JUST TO HURT ME
I ⁶⁻¹⁵⁻⁸⁸ ~~6-15-88~~. IT'S TIME I STARTED ACCEPTING THE FACT THAT THERE
ARE PEOPLE LIKE YOU OUT THERE. BUT I DON'T CARE. GOOD OR
BAD, I'M GOING TO PERSIST. I'M SURE YOU WILL ADMIT YOU
WERE WRONG. OR NOT. I'LL WAIT. BUT YOU'VE BEEN RAT, TUCKER 166.

POPE'S MATHS: (YOU TELLIN' ME I HAVE LESS SENSE THAN TWO
LINES?) ANSWER AT ALL.

KEVIN: I GUESS I WENT A BIT DRUNK AT THE TIME.

CHANGING THE GENERAL COMMENTS:
THINK ABOUT THIS: IF I WAS A GIRL, I WOULDN'T WANT TO BE THE
GIRL OF ANY BOY WHO CONFESSED THAT HE LIVED ALL, AND IF I WAS
A GUY, I WOULDN'T WANT TO BE THE FRIEND OF A GUY WHO SAID THAT
HE CAN LIKE ME EQUALLY. WHY? I'D NEVER KNOW WHOSE SIDE YOU'D
BE ON IF I HAD AN INTERESTION WITH SOMEONE. WOULD IT BE ME, OR
ME EITHER, YOU'D BEHOLD TO BOTH, RIGHT? ALSO, WHY SHOULD ANY GIRL WANT
TO BE THE GIRLFRIEND UNLESS SHE FEELS YOU FEEL MORE FOR HER THAN
ANYONE ELSE, WE ALL NEED TO FEEL SPECIAL TO SOMEONE, RIGHT? THIS ALSO APPLIES
TO THE LUCKY 13/1/88,
WE GOVT TO 20...

AND NOW WE COME TO 'YOU AND ME', LITTLE MAN. INCORRECT, NO?
A WANDER, NO? WELL, I'D LIKE TO SAY SOMETHING TO YOU, MR. KEVIN
KARLSON STEVENSON. YOU - YOU - WHY - AND I'LL - ON -
YOU - LET ME AT EYE - LET ME AT EYE - WHY -
-- WANT, YOU - I'LL SHOW YOU - YOU - YOU - LITTLE - YOU'LL SEE -
-- GUY, GET ME AT EYE - I'LL MURDERISE YOU -
I CRASH MY TEETH AT YOU - THERE THAT'S FOR YOU, YOU
BE LUN

YOU LISTEN ^{UP} BOB, AND LISTEN GORD. YOU THINK I'M GOING TO
ALASKA FOR MY HEALTH? YEAH, WELL MINDS ARE GOING TO BE DIFFERENT
AROUND HERE ONCE I'M GONE, BE SEE? I

ENOUGH OF THAT.

KEVIN'S (AGAIN) / I MEANT WHO? I SAID TO HEIDI? IT WAS MY
FAULT WE DURING EVEN TIME WHEN I'M READ SERIOUSLY. SHE DOESN'T
TAKE NOTHING I SAY SERIOUSLY, AS WE DID. 'WHY SHOULD SHE?', YOU
ASK. SHE DOESN'T, THAT WAS THE POINT - I DON'T CARE HOW MANY
PEOPLE DISLIKE ME, OR THINK I'M DULL. WHAT I CARE IS ONE
PERSON, I WANT TO BECOME IN A FRIEND

WHY SHOULD I APOLOGISE, TO HER, YOU, OR ANYONE? I MISS
THE POINT. I'M NOT SURE FOR ANYTHING. I'VE DONE OF LATE. WE
ALL HAVE MISTAKES, I KNOW YOU'VE MADE. I SEE THAT PERSONALLY.
(BY THE WAY)
AND TO SAY I WANT TO LEAVE IT.

FRODO: Pipe said my stuff was funny, not that it was any good. I do in fact, consider myself an amateur, and always will, up until the day I get my first story published for money in a national magazine. Or my third. Whatever the requirements for joining writers guild cast are. Then I'll think of myself as professional writer, at this point changing with my ability (or lack of it) over the years.

But my point is this: I just recall you reading any final drafts of my work, and I'd rather you didn't prejudge it. I mean, unlike high, you might actually enjoy it, though I've grown to expect near ~~god~~ being told that sort of thing. Fair enough.

FRODO: You, on the other hand, can ramble in all you want, since it'll take it in the spirit in which it was meant. I mean, I know for good the adventures of Storm and Drift, so I know you're just rambling to me. **HUH? You Talking to me?**

And, I ~~just~~ not: why, I see no alternative but to come to your house, take a car, and your fridge, spray your plants and have you driven away in a black galaxy hearse with "under gelatos".

FRODO: Hey, & man, read what I said to Kevin. To be indiscriminatory is the worst sin of all. There are good people and there are bad people. Frankly, undesirable. When the people in the latter undertake or do other bad things, they should be removed, jailed, excommunicated. Sit like with Cheryl and the chair. As a responsibility to all its low sliding members (and us) this place must screen out all those who would do these harms. The principles of Fandom are great, but this is the Forum, not the Brooklyn Dodgers. We're only a dozen or two people out of 16,000. We can pick and choose as we like. I MEAN PEOPLE @ RISK, so it's not DE THEOLOGICAL ABOUT IT. I have my half dozen or so close friends, so do most of us. But some people are still ostracized. Nobody likes my comments, Pete the Frate. No one can win. That's life. Why should we accept people no one else will? Maybe, if we force them to be alone, they'll say "HEY, THERE MUST BE SOMETHING wrong with me. It's BETTER ON SOMETHING ABOUT IT". Cheryl learned her lesson, more or less. More ~~frat~~ in. More similar.

such for others - Personally, I think it's dangerous to endorse self-destructive or unreasonably aggressive behavior. Give no one else does, and to say we do is just hypocritical. You're right. No one ever says anything if it's right. But? yes. No? yes. Put out right to us destroy everything he likes, and so we will eat any anything 10761 I do not write this as an opinion THIS IS FACT, supported by years of observation. Fuckin' right! #9

Now take Zed. He pointed out it's well. Busy. I have passions. I wanna go to Alaska, just to prove I'm not a pussy like Zed. And then Linda'll just have to... but that's not important. You coming to Alaska, George? Or do you expect me to pay all the rest of the apartment myself? I don't want to live in Coors with Darryl. Coors is such a... such a... brings you know like suburb to the max. Eight years there is enough for any lifetime. Life begins with 'L' and so does by the musical note, which just happens to come after 'S', which stops with 'G', which stops with 'through' on paper, and through is what this entry is.

But entry begins with 'E', and so does Darryl's every morning when he looks at his spouse he says "I'm being as free..." And Darryl's happiness with Linda, and Linda who wrote a note saying it all. And all is what temperature there is, so temperature there which is what you do at football games, and game begins with a 'G', and so does General-El-Gid Theater, and no one's seen him is over 70 years. 70 years! That's about that, George. 70 years. Yours. You'll, to be exact, since the Spanish revolution. And phots... and so do doors. But the head singers in the doors is dead. Or missing. Just like log 11. They say Dale took log 16. But Dale killed someone. Her own mother. Chopped her up into 64-sized bits, stuck them in a blender, and then tried to claim it was suicide. Well, the judge didn't believe her. Oh no, no judge asked "Bum" Ernst. 3, was. That begins with a 'B'. In the end Budget. And Bum. And Bum... My father's a welder. And his name is GEORGE. And his age 40; 41 to 20 FIRST, AND 2001 STARTS WITH A 'G'. That's the call, Mr. Call.

Yet, the point isn't quite made, you see, both wear pants, which begins with "P", and P also is the first letter of pussy, of which they use - so. QED, CED, etc.

The first in a series of I-con II, I-con III
entries

First: Thank you, to all who helped make I-Con II the success it was. Percentage-wise, we made back around the same amount as we did last year, so an I-Con III will probably be feasible. * It was many of you, the members of the Forum, who worked your tails off, above and beyond the call of duty. I could name people, but I would be afraid of leaving someone out. You know who you are, and because you worked as long as you did, everyone else knows who the people are I am talking about. I wish that you could get more than a free membership and all the beer you could steal. It was your effort that made I-Con II and, someday I-Con III possible. So official thanks from the con-com.

And now, a report on I-Con III - so far we've decided to get a date for the convention real soon (late April perhaps) and we've lots of suggestions on authors + people to get next year, including a Trek guest, ~~etc.~~ etc. So far, it looks like we won't need a sym show. We'll get walkie-talkies and probably pay adm'n. to build + put up our road signs.

- More to come later, have to go to class now

"Dis is probably my last entry before next semester, when
everyone returns from their vacations.

Their vacations, hmn. How many of you out there in forum-
land are vied off enough, lazy and fat enough, and stoney enough
to have a vacation? I mean a real one, where you don't have to
work ^{hard} to survive? You just laze around all day, read those
books you wanted to all semester, do what ever you want. Yeah,
fun; un-sposed, joyful summer of fun!

Well, fuck you bastards to Death!

There's an Eskimo saying that revenge is a dish served
in snow, and those sons of bitches have fourteen-fucking words
for snow! well, it's very snowy... in Alaska...

-which brings me to my supposed summer plans.

My ~~coworker~~ collaborator (and friend) are going on an
excursion - quite cheap, a great gamble - perhaps a mite.

It should be interesting, I'll give it that much.

Think of that, you fat lazy bastards, think! Carrying
all your possessions strapped to your back, no Droopy's to
act as pack-savvy. Think of that, you pussies!
Surviving in a 5x7-foot tent, living in fear running...
running. Living off the land, going Conittshion with

the pengins...

None of you are that tough! None of you!
Have mommy cook and serve you on your bellies!
Work a minute we-wee job in Mac Donalds, or
gain weight while sitting in front of a computer
screen, eyes blinking, fingers jittering...

But enough; you sissy boys!! Just show it off
and do what you do. How I pity you! This place
is built on lies, it stinks of despair.

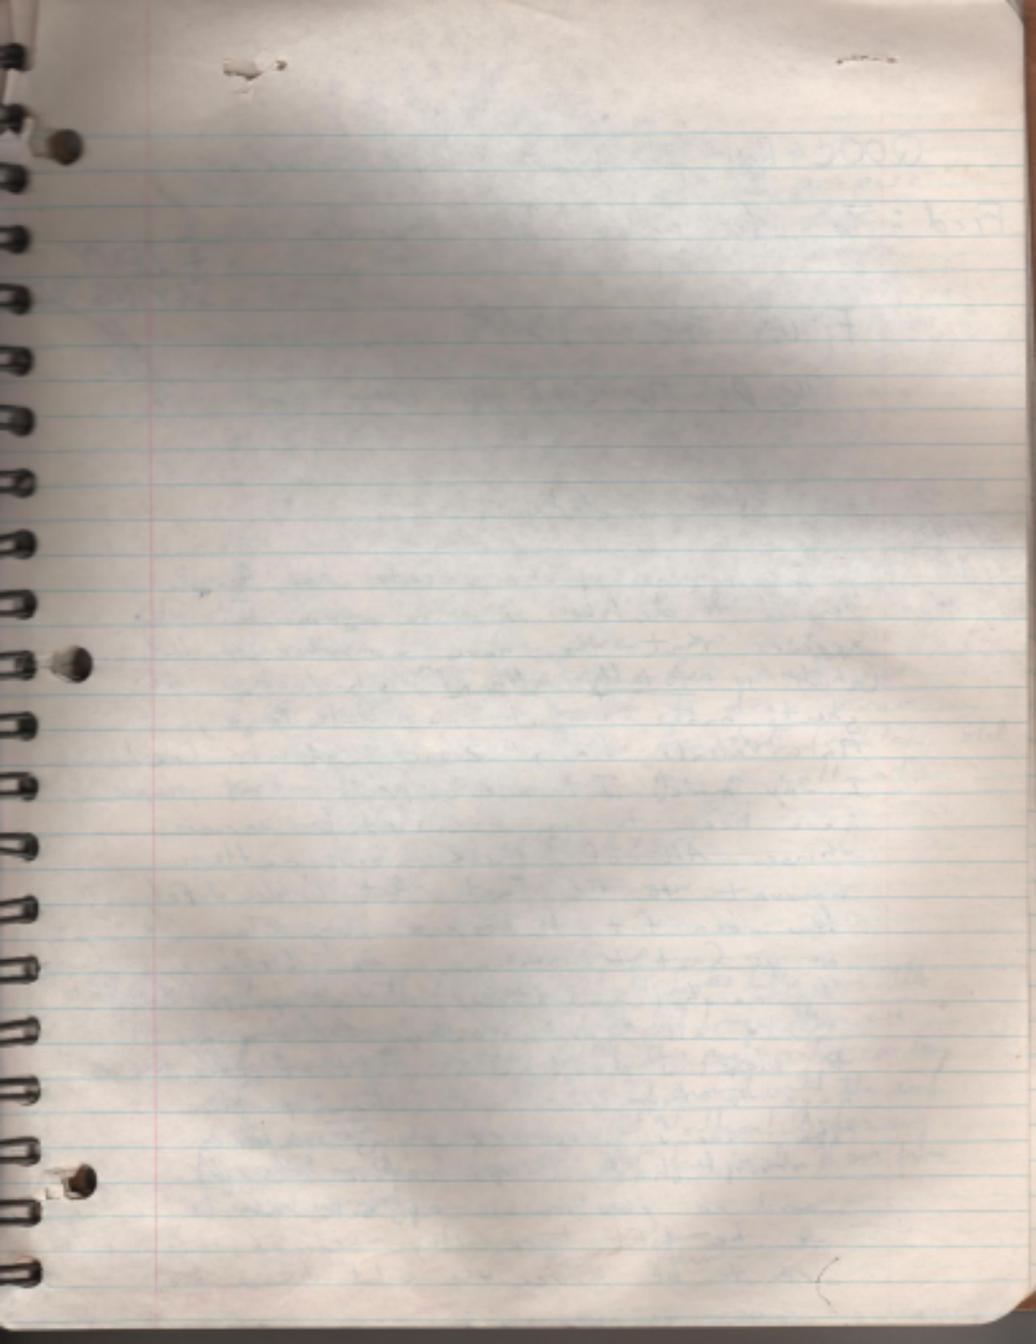

The voice of the Turtle is heard throughout
the land... and Friend won't go to second level!

SCREW you, SCREW you all right where
you, collectively breath—once up each nostril!

Oh, and have a Nice Day!!

See you next semester, boys.

GAR?

12:41pm

It appears public safety has found reasons to dislike us once again. It also appears that they have a membership list, (which is totally illegal!) which has such great names on it as Dale Kagan, Marc Valente, Darryl Zauner, Ted, etc. (Need I say more?) It also appears that people have been turning in others for various things. All of these abuse matters amount to the fact that Public Safety has seen fit to keep a very close eye on us (not to mention a few RHD's, a fire marshal, and others.) It appears that they're all just looking for some way to close us down. In light of this, we have to keep our noses clean people. That means - no crashing or living around here. (= no refuse there) and no questionable objects are to be left here. Any such objects are to be given the old heave-ho.

So, in due course of keeping our lovely little den of iniquity I propose that we keep squeaky clean for a long time. If you want more information on any of the above matters, or you want questions answered, which you feel cannot be answered here, or you just want to yak, call me at 6-7272. or drop by upstairs (A22).

P.S. If you want to get in touch with me during the summer (especially if you want to buy machine tools or boating accessories) or if you'd like to talk something over, or if you're going out to have some fun and you find it in your heart to drag your hardworking, incredibly devoted, luckless old presarian along, give me a call at:

Rothko Paintings Defaced

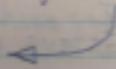

A vandal scratched Z-shaped marks on five paintings by the late abstract expressionist Mark Rothko, damaging \$2 million in art works on loan from New York to the San Francisco Museum of Modern Art, officials said yesterday.

San Francisco museum conservator James Bertone considered the marks "superficial" and "repairable." Spokeswoman Jeanne Collins said, "You can hardly see them."

But Susan Clearwater, curator of the Mark Rothko Foundation in New York, which loaned nine paintings to the San Francisco exhibit, said she was "pretty upset." "We can't make any decision until we see the works ourselves."

Police said the canvases were defaced with a "sharp instrument" sometime between 1:30 and 2:30 PM Thursday, when a security guard spotted the marks in six 25-square-foot areas on each of the paintings. The marks joining the 15-month exhibit show were closed pending an investigation. No suspect has been connected with the vandalism.

GAP.7

Well, I'm back in town kids. Actually
I'm still in East Ilip. You think Stony
Brook is boring, Bob? Heck, East Ilip's only
attraction was its movie theater until that
was blown up during a showing of "Beneath
the Valley of the Ultravivans" two years ago.
Now all the town has is gas stations and
gun shops. And the girls? Please, not while
I'm eating.

You talk about towns that roll up their
sides like at 6 P.M.? Well, East Ilip
never put them down. They never even took
the plastic wrapping off. I mean, we're
talking serious boredom folks.

Enough of this whining. How about
some good old fashioned whimpering. I'm

even buying my text books for the fall now. (I'd better, considering my grades last semester. You talk about low? The entire archaeology class had to get together to have a group dig to find them. They were under water, if you know what I mean.)

Any way, the word from Roban (the Executive Director of Polity) on the phone is, "I can see it happening." Real good. Now we just have to decide it.

The last orientation session went real good, and the next one is June 29/30 July 1. For those who want to get in on the action, we'll be doing a workshop from 8pm-9pm on June 30 (Thursday). Get in touch with me (581-2735) for more information.

I just paid my last phone bill.

— \$0.19 — can you beat that for low?

It looks like I'll be working in the Physics building next semester, so with work, The Forum (+I-con), classes, WUSB and maybe SPS (Society of Physics Students)

I'll be kind of gassed for time. (I hope to squeeze a social life in there, too)

I probably won't be able to join the Senate or building staff. So, I urge you folks out there to join the Senate or some aspect of Polity, and help the forum get more money and stuff like that. It also looks good on your resume.

That's all for this weeks fireside chat, (Throwing another log book on the flames, please) so until next week (or later)

Bye-Bye

G71 re: Campo police

I had a talk (ie I ran into)

with a Public Safety Detective the other day.

This was while I was taking photo. #

Some interesting info: They have a slipstream

a list of typewriter with the initials CED.

inquired of them, (CED ~~was~~), was seen

from admin. Although it was not done here
when they got it they think it was through
here at sometime. No proof of such. Some
other things is that some people for
the last 4 years has been complaining
about this place. Public opinion therefore
for the past 4 year has been
trying to close us down. We did
not give them anything to close us
or there for they did not. I have
more info ~~about~~ ~~what~~. What will get
be stated here.
