

Tabs: Meeting will start at 1:08 P.M. Let's see uh president stuff not too much to say here. Ummmm yeah we returned the key so we're officially-

Jolee: Yaaaay.

Tabs: moved out of the SAC room.

Jon: RIP.

Tabs: And we're officially moved in to the lounge in the Student Union... Think that's about it that I have to say so vice prez.

Ken: Uhm, I have a complaint form use it if you feel threatened or uncomfortable by anyone, or just wanna complain about me I guess I dunno.

Tabs: [laughter] Alright.

Ken: That's kind of it there hasn't really been much in the past week.

Jolee: Hmmm.

Tabs: That's a good thing.

Ken: Is head AC here? Oh wait head AC's not here there's a uh game night friday.

Tabs: We can add that.

Jolee: It's okay.

Tabs: Alright, treasurer.

Jolee: Uh I have a list of allocations to read through again if you uh want to go to that page... in the spreadsheet.

Tabs: Oh yeah gimme a sec. Bu-budup-budup-budup-budup.

Jolee: Yeah takes forever I'm sorry... It's the longest part of my job.

[Pause]

Tabs: This one, correct?

Jolee: Yup. I do-

Tabs: Alright.

Jolee: like that we can show people the list of allocations now though. Alright so I don't know if you can see my cursor but this week we plan to allocate for all of these which I read last time until basically Wonder Woman by George... I can't read the rest of it until line 44 basically. So that's of the old allocations I was wondering if you wanted me to read the new ones, uh, since like basically all of this is stuff you put in Tabs and like 2 things that I put in. But-

Tabs: Um, if we're just doing all of the stuff we've allocate-acclimated for or do you want to-

Jolee: Yeah

Tabs: read through these right now?

Jolee: I'm just asking your opinion on it now because I plan to allocate for these as I explained for the old one anyway this week and-

Tabs: Yeah.

Jolee: I don't think we'll get flooded with allocations so we can allocate for these as well the- the newer ones but like I don't see-

Tabs: It's up to you treasurer, you're the money one.

Jolee: Any harm in waiting.

Jolee: I'll put it off then because I don't see any harm in waiting. We're not in a rush to this stuff and open. Also if we start killing all the packages at the same time that's a pain. Because I gotta move 'em to my room.

Tabs: No

Ken: Wait the part where you can't store the packages and um-

Jolee: I couldn't put 'em in the forum but uh I don't know.

Tabs: How do you open the forum? I put in-

Jolee: I feel like tracking more stuff to the forum maybe is not the best idea.

Ken: Yeah, maybe, I don't know.

Jolee: Mmhm.

Tabs: I did put in the request stuff, so hopefully that I'll get.

Jolee: We have a request form on the website. Please request stuff-

Tabs: Like my request for the keys. I requested for the key access so... anyhow, oh. Hello.

Ken: Hey, how's it going, Tom?

Jolee: Hey, Thomas.

Alex: Yo, Tom.

Jon: It's our resident goose.

Tabs: Alright, uh treasurer, are you done?

Jolee: Uh, yeah, I have some internal problems but the- I can't- that's not for me.

Tabs: Okay, secretary.

Alex: Okay umm I don't really have much to say. I'm gonna try not to say too much given that the application I use doesn't record what I say.

Ken: Uh-huh.

Tabs: Yeah, that's fine... Okay, sounds good. Head Librarian.

[Pause]

Jolee: Hm? What happened?

Tabs: Head Librarian?

Jolee: Oh I'm sorry. I was-

Tabs: [laughs]

Jolee: cutting out. School Wi-Fi hasn't been good today.

Tabs: Oh no.

Jolee: I got dropped from 2 quizzes. Well there's nothing we gotta organize. Please request more books if you want books.

Ken: Okay.

Tabs: Head AC.

Ken: Not present.

Tabs: Not present, we already-

Jolee: Basically-

Tabs: there's like a game night yeah.

Jolee: There's a game night this Friday. And then I was hoping to ask people in the meeting what movies they'd like to see for a movie night either Saturday or next Friday.

Ken: Mhm.

Jolee: Mhm. So does anyone have any movies they want to see for an event?

Ken: Oh.

Tabs: I don't know.

Ken: Let me think... Angela said she might want to watch Midsummer with you guys.

Jolee: Mmm.

Ken: Which is a horror movie.

Jolee: Yeah.

Ken: I'm not sure.

Tabs: We should have some horror stuff for October, yeah?

Tom: Yeah.

Jolee: Yeah.

Jon: All of clubs party.

Jolee: No, that's not genre. Um-

Ken: F

Jolee: I was joking that we could watch the new Mulan but I realized it's technically not genre I think.

Tabs: Yeah, didn't they like take out the genre stuff-

Jon: They took out-

Tabs: from it.

Jon: They took out anything-

Jolee: Yeah.

Jon: with the fantasy. So yeah, not really.

Jolee: Yeah, it's not genre anymore, kind of.

Alex: More reason for me to not see Disney live-action remakes.

Jon: Wait a minute-

Jolee: I mean I just don't see them generally.

Jon: wouldn't Mulan be alternate history making it genre?

Tabs: That's not-

Jolee: Um.

Tabs: really alternate history.

Ken: Alternate history also- it depends on the history like if it's something like space nazi astronauts or because there's like another element to it. Um, but just like something like JFK wasn't assassinated and that wasn't necessarily like genre, does that make sense?

Tabs: JFK-

Jon: What about-

Tabs: wasn't assassinated would be genre if it takes place-

Tom: Yeah.

Tabs: like-

Jon: Like in the future?

Tabs: Past that point like-

Ken: Yeah.

Tabs: in our current day.

Jolee: Mmm.

Ken: But- but something like *Inglourious Basterds* isn't genre because-

Tabs: Yeah, historical fiction is not genre.

Jolee: Yeah.

Ken: Yeah.

Tabs: It's basically the turning point.

Jolee: I just want an excuse to like make fun of the movie. [Laughs]

Tabs: I mean you could do that, whatever.

Jon: No, that's justified.

Jolee: I heard a lot of things. I heard and I was typing a lot.

Tabs: Yeah, any other Head AC things other than- we might get more votes if we do it completely in the events Discord.

Jolee: Yeah, um, Taylor was saying after game night she'd run a poll and she was suggesting *Into the Spider-Verse* of course.

Tabs: Cool, cool.

Jon: Once again but it's not a bad option.

Ken: Yeah.

Jolee: No, it's a good option. It's just I'd rather poll the audience I think forumites were actually a bit washed down on it.

Ken: Last semester it was on three times a week.

Jolee: Mmhm.

Jon: Yeah, yeah.

Jolee: Taylor likes the movie enough, we got her the art book for her birthday.

Ken: Yeah.

Tabs: Awww. All right, any other Head AC things?

Jolee: Mmm, not really.

Tabs: Historian.

Tom: Hi guys. Sorry for being late. You know, sleeping is rough. Ummmm, so we got a medium-sized story today. It's about the moves because we move. Yay. So-

Ken: Yay.

Tom: I'd like to thank Neville who took this from the 2013 historian who took it from somebody else for doing all the data collection because well, well, this is a lot. Um, the Forum has been around for 50 years and we went to a lot of places. We started out in 1968, as vagabond grabbing rooms, where our first official club room was in Hendrix, known as the arcade room, starting in 1970. In 1983 they- we added a room across the hall in Hendrix then the fire happened. So, you know, uh which forces- into the basement of the library in the Summer of 1986. In Summer of '86 we moved into the Union 0-60 which was just a storage room for forumites gathered in the non-smokers lounge a lot. So, and then in March 1987 moved to the Central Hall which changed to the old Bio and is now in SAC. In 1988, we acquired another storage space in addition to the room we had. The move to Harriman occurred in 1993 and put in the Union basement in 2009 until 2016 to where we are now and to where they once were in the SAC because the Union sinkhole is set for renovation. And finally, now in 2020, we finally moved back to the Union but we can't go in because of Corona.

Ken: Yup.

Tom: So, maybe the story is cursed. It is known to be a curse because last time it was read we were forced into the SAC. So...

Jon: So we had a bit of Manifest Destiny going on.

Tom: Yeah.

[Pause]

Tabs: Cool story.

Ken: It be here.

Jolee: [Laughs]

Tabs: You know, I'm realizing we don't have Fred anymore.

Jolee: No, I was wondering about-

Tabs: No.

Jolee: that too because I-

Tabs: Nate gave Fred to someone.

Jolee: I just found- this week. Did Nate?

Tabs: Yeah, okay, yeah I just-

Jolee: I just like found-

Tabs: meant we're not collecting the hat... stuff.

Jolee: Yeah, I was just wondering if we could just do like an online thing. But, it'd be too funny.

Tabs: Yeah, I don't know how- how we could do that discretionatly. Alright, Head PR... Not here also but I imagine she would also be saying for that game night that's- that's Friday?

Ken: Yeah.

Jolee: Mmm.

Tabs: Is there a time for that?

Ken: 7, uh, I can check?

Jolee: I think it's at like 7? Maybe I'll just double check.

Tabs: Okay, well, I'm putting it on the calendar.

Ken: Uh, there's no exact time. It's just Friday.

Tabs: Great, alright I'll just leave it as Friday. But what does it say on-

Jolee: No it says 7.

Tabs: It says 7?

Jolee: What do you mean? That says 7 to 7.

Ken: I think- I think it was also on the SB Engaged. I think-

Tabs: It better be on SB Engaged.

Jolee: It is, it is, don't worry.

Ken: Yeah, I remember doing it on SB Engaged.

Tabs: Alright, I guess it's open forum then, yes?

Jolee: Uh, I think so.

Tabs: We finished all the e-board members alright open forum anyone got anything to say?

Alex: Wait so can I stop recording?

Tabs: No-

Jolee: You don't have to record this part.

Tabs: meeting's not done yet. It's just if anyone who's in the general body has an announcement to make and stuff.

[Pause]

Jon: I was gonna make a joke but I'm too hungry for it.

Tabs: That's fair.

Jolee: Oh, me too.

Tabs: Alright-

Tom: I'm hungry too.

Tabs: Guess our open forum is that everyone's hungry. Okay, I'll just go on. Motion to end meeting which I've forgotten to do. [Laughs]

Jon: Acclimate.

Jolee: [Laughs]

Ken: Acclimate.

Tabs: Alright, old business: clean, don't get sick, treat Discord like a child you don't abuse. New business: clean, don't get sick, treat Discord like a child you don't abuse. Meeting ends at 1:19 P.M.

TL;DR/Important notes

- We are officially out of the SAC room. We are now located in the lounge at the Student Union.
- No allocations, no harm in waiting
- Game Night Friday of week of this meeting (By the time this is posted, this has passed)
- Historical Fiction is clarified as not genre, however, Alternate History can be if showing past that (i.e. How the future beyond that point in time is different).
- *Mulan* (2020) is deemed not genre due to removed fantasy elements and now being historical fiction. (Secretary's Note: Apparently, it still does have Fantasy elements. All of the elements were new additions, however, with all Fantasy elements from the original being removed.)
- Tom explains the history of the roaming Forum location (See Page 7).
