Tabs: Okay. Meeting starts at 1:13 p.m. Hello everyone and welcome back. There’s not too much to talk about once again because there’s not too much happening. I know midterms are starting up so you know, good luck on those. Vice President.

Ken: Oh, I’m sorry. No, Dennis is right. It’s really cool you can turn the captions on.

Denis: Right? It’s so cool.

Ken: They’re actually somewhat accurate. Um, anyway, um I don’t really have that much to mention. Um, Once again I have a complaint form that you can a- that you can access on either of the Discord servers. If you have a complaint about someone just. Uh, use the complaint form or message me personally. Um, that’s about it. Um... Uh, Treasurer... Oh, it’s also on the website.

Tabs: Yeah... Jolee, you’re muted... Jolee, you’re muted.

Tony: We can not hear you here.

Angela: Class right now.

Grayson: I think she said she's in class.

Jolee: What?

Tony: There you go.

Angela: She's still in class.

Tabs: Oh, you're still in class? Oh.

Angela: Yeah.

Jolee: Yeah, they're all ganging up on the teacher.

Tabs: Isn't it running long?

Jolee: Yes

Tabs: Wow, it's running a little long, huh?

Jolee: We're 'bout 10 minutes over.

Tabs: Jeez.

Tony: Eh, aw.

Tabs: Alright I guess type it in chat if you have anything to add for Treasurer business.

Jolee: Oh, um, I'm gonna not put in an allocation this week until the U.S.G. Treasurer gets back on me. If she's actually gonna let us put in allocations or not, 'cause, she hasn't responded to my e-mails.

Tabs: Jeez... Alright, uh, Secretary... Hey, Alex.

Angela: Alex?

Tabs & Angela: [Laughs]

Alex *: Alright, sorry...

Ken: You better a- er, add prolonged silences to the meeting to give-

Tabs: [Laughs]

Ken: like, flavor to like, what the tone was.

Tabs: The flavor, yeah-

Tony: The flavor.

Alex *: I'm sorry, it's hard-

Ken: No no no, for everyone, e- there's been long prolonged [laughing while speaking] for this meeting.

Tom: Will scare (?)

Ken: Yeah

Alex *: Again, I try to make a complete transcript but it's difficult. With application I use only, it only records your audio-

Ken: Mhm.

Alex *: not mine. So it's difficult later on when I create the transcript, so I try to carefully think my words before saying them. You know what, I'm just gonna type from now on whenever I have anything to say-

Tabs: Okay.

Ken: Yeah, okay.

Alex *: It'll be easier that way.

Alex: [Typed] Nothing new here as secretary

Jolee: Mmm.

Grayson: Um, could I bring something up really quick?

Tabs: Uh, we usually wait for open forum for that but if- is it related to Secretary business?

Grayson: It was related to the meetings 'cause it was brought up before.

Tabs: Okay, then I'm gonna ask you to wait for open forum if that's okay.

Grayson: Okay

[Pause]

Tabs: Alright, uh, H-Head Librarian.

Jolee: I am going to visit the forum at the Union later today. If you want to try to come... and see it.

Tom: Hype.

Tabs: Okay.

Jolee: So, probably after meeting I'll head over-

Tabs: Head AC.

Jolee: If the class ever ends.

Denis: Oh, I saved some (?)

[Pause]

Tabs: Is Taylor there?

Jolee: Taylor is here.

Tabs: She got anything to say?

Jolee: [Talking to Taylor, away from screen] You have anything to say as Head AC?

Taylor: Come to the events or suffer.

Tabs: Awesome.

Taylor: [To Jolee] Tell them I'm working, I'm busy.

Alex: [Typed] I'M SORRY

Tabs: [Laughing] Okay-

Tom: Mhm.

Taylor: [To Jolee] (?)

Tabs: alright-

Jolee: [To Taylor, away from screen] They're not saying much.

Tabs: Historian.

Tom: [REDACTED]

Tony: We have a remembrance event, there you go.

Tabs: Yeah.

Jolee: Mhm.

Tom: It's a l- yeah, it's a just remembrance event.

Angela: [Typed] lol it's fine, secretary usually doesn't have much to say

Tabs: Head PR is not here. But yeah-

Tabs & Jolee: come to the events-

Alex: [Typed] Was apologizing to Taylor about not being at meeting

Tabs: Fridays, we're probably moving meetings to near those times. Alright, open forum... Now you can go.

[Pause]

Grayson: Um, I just wanted to point out... 'cause it was mentioned beforehand- before the meeting started that a- some people aren't coming to the meetings. I only came to this one 'cause I actually got the notification that it was coming... The other meetings I haven't heard anything of... so you know, I just figured I'd met you guys' attention.

Ken: Yeah, um-

Tabs: They've been announced... in the... the, the, the Discord... I'm scrollin' up.

Ken: But, but one problem is that we like @here so-

Jolee: Yeah, I've been @ing here.

Ken: Yeah, so what-

Tabs: Uh.

Ken: that means is that people... I-It only affects people who are, like, online on Discord, instead of everyone.

Jolee: Yeah.

Ken: Which I mean n- isn't necessarily a bad thing. Some people... might just not be interested. But um-

Tabs: Yeah.

Ken: If you want to change that you can @everyone instead.

Tabs: I know some people also just have @here and @everyone suppressed.

[Pause]

Ken: That's true but-

Grayson: No, I have-

Tony: Yeah.

Grayson: I have both not suppressed if that makes any difference. But I could've just missed them but I figured I'd bring it up.

Tabs: Yeah, nah, um, uh, if you've been in the event Discord they've all been announced. I'm scrolling up and they have been announced in the event announcements chat. They've also all been announced in... our other Discord... for "locals", quote unquote "locals". But I guess I could put more into putting them on the Twitter and stuff-

Jolee: We'll all @everyone next time.

Tabs: Yeah, I think @event- I think @eventattendeer would be better because-

Tom: Uh, yeah.

Tabs: The @here and @everyone can both be suppressed whereas @att- eventattendeer wouldn't be.

Tom: Yep.

Tabs: Cool, then-

Tom: Also @everyone will get, like, alumni and stuff, and we maybe don't wanna hit 'em.

Tabs: I don't-

Jolee: Yeah.

Tabs: There's not that many alumni in there. I don't particularly care.

Jolee: Nah, I just- I do these during class so it's really just me not thinking that much.

Tabs: Yeah, no, that's fair. Also we- we might be switching it just because a lot of people who aren't freshmen or e-board have been complaining that... they can't really make it... and hopefully-

Jolee: I mean, my class is still going on.

Tabs: Yeah-

Denis: Same.

Tabs: your class is supposed to not still be going on though.

Tabs & Jolee: [Laughs]

Ken: Uh, the fuckin'... doesn't matter... um, if-

Denis: [Laughs]

Ken: anyone is a member of sub-AC then you can... uh-

Tabs: Oh yeah-

Denis: It censored your fuck in the subtitles.

Tabs & Jolee: [Laughs]

Ken: What sub-ACs can do, um, I'm gonna grab this real quickly, is that you can, uh host... a plan and run events... Isn't that cool? And then, uh me- uh, one other member of e-board will have to register the event for you. So basically you get to do all the fun stuff about events and

then we do all the... boring, document, administrative stuff. Well if you wanna like uh, host a game night that, you know, that doesn't conflict with other people's, like, events, then yeah, you can if you want to... Or you can, like, that-

Jolee: Or if you really wanna show a particular movie, like Angela really wants to see *Detective Pikachu*.

Ken: Yeah.

Tabs: Yeah.

Denis: It's a good movie.

Tabs: It is a good movie.

Ken: You can- you can become a sub-AC... but this is also mean if we're ever back in person you generally have to help out, like, run bigger events but... We'll see about those in the future. Anyway, that's all I have to say.

Denis: Are-

Tabs: Alright.

Denis: in-person events happening?

Tabs: We don't-

Jolee: No.

Tabs: know.

Denis: Okay.

Ken: Most likely not.

Tabs: There is a small possibility Halloween and Festivus are in person but-

Denis: Wow.

Tabs: We're, we're still talking about it.

Alex: [Sneezes multiple times]

Tony: Oh boy-

Tabs: Any other-

Tony: Gesundheit.

Tabs: Any other announcements from within the forum? ...Going once.

Denis: Is... Is the room open?

Tabs: No, we still-

Denis: Okay.

Tabs: don't even have access for more than 4 people. Only one of which is on campus and that's because she took someone else's card.

Tom: Yeah. [Laughs]

Jolee: [Gives two thumbs up]

Denis: Oof.

Jolee: Thanks, Ken.

Tabs: Yeah-

Ken: No problem.

Tabs: they- I've asked two different people and they both said they'll help me get it and I've sent them both the lists and it still doesn't seem to be going anywhere. [Laughs]

Tom: I think the only time to activate it was when I asked them in person and then they did it.

Tabs: Yeah, I don't know.

Tom: And then they're like, "Okay, we'll fix that for you," because I guess... when I'm in person that's intimidating, idk.

Tabs: I mean, I can't go all the way to campus just, to like, talk to people about keys. I don't live that close. Alright, any other open forum business?

Jolee: Mmm, if you want me to do it, tell me who'd- I'll do.

Tabs: I'll send you the list if you wanna try it, but uh, gimme a sec to get that I'll do it after meeting. Any other f- open forum business? ...Once... Twice... Alright, uh, motion to end meeting.

Jolee: Seconded.

Ken: Okay.

Tabs: Alright, that works. Uh, old business: clean, don't get sick, treat the Discord like a child you don't abuse-

Denis: Don't get sick.

Tabs: New business: clean, don't get sick, treat the Discord like a child you don't abuse. Meeting ends at 1:23 p.m.

TL;DR/Important Notes

- **No allocations.**
- **Reminder that we have events on Friday nights.**
- **We may be switching forum meeting time due to difficulties members that aren't freshmen or e-board have making it to the current meeting time. Furthermore, to ensure more people notice meetings, we may be using an "eventattende" role on the Discord to bypass the issues with using "@here" and "@everyone".**
- **We have a 9/11 remembrance event.**
- **If you sign up to be a sub-AC, you can plan and run events, as long as there is no overlap with other club events, the paperwork will be handled for you. However, if we do come back to campus this semester, you're expected to help in running bigger events.**
