Ken: Okay, hey guys, what's up? Uh... Ken here, I'm standing in for the President uh, this week because she couldn't be here. Um, so I'm a go over presidential news. Um... Not gonna lie, I-I don't really have any presidential news. Now I'm gonna move to Vice President. Not gonna lie, I don't really have any vice presidential news. Ummm... I-I mean the-the things I would say would probably be at the end of the meeting. Uh... Laughs Other than that, um... Let's move on to uh, what was it Secretary or T-Treasurer next? That-that's what it is.

Jolee: Hey, can you hear the uh, the request form?

Pause

Ken: Oh yeah, forgot. Uh, we have a complaint form, if you need to complain against anyone, let me know, as VP.

Jolee: Hey, we have a request form, put in stuff to buy.

Tom: It'll take like a year.

Jolee: We already have like a thousand dollars worth of items.

Pause

Giancarlo: Sweet.

Pause

Jolee: So, are you gonna share the request form... on the screen, Ken? Or?

Ken: Uh, yeah, um... Let's see, you want me to share my screen? Okay.

Jolee: Mhm.

Ken: So, I'mma do it through Discord since- Do we have it in the Event Discord?

Jolee: Uh, what do you mean?

Ken: Oh, I'm-I'm-I'm-I'm just wondering.

Jolee: I like- I can- If you give me permissions, I'll do it. It's not a big deal.

Ken: Oh yeah, you can put that in Event Discord since a lot of people are in that too, and, you know, it's probably a good idea to have it as many places as possible. Anyway-

Jolee: No, no, I-I phy- mean you physically- Never mind.

Tom: I think she means streaming.

Ken: Oh, I have to do permissions.

Jolee: Mhm.

Ken: Okay, let's see...

Jolee: I meant stream it 'cause it makes it easier if people can-

Ken: Yeah, I agree

Jolee: just read off the list.

Ken: Oh, no, I don't know- Oh, I-I don't even know where that is-

Jolee: **Laughs**

Ken: located, my fault. Okay, uh, yeah let me give you permission. How do I, uh... How do I give you permission?

Jolee: Uh... This should work.

Ken: Okay.

Tom: It works.

Jolee: Do people-

Ken: There you go.

Jolee: Do you-

Tom: Yeah.

Jolee: see it?

Tom: Yes.

Jolee: Great... So, all of these above the green are allocations made from this semester basically. Um, I'm gonna only read off until about here *The mouse is over Teen Titans: Beast Boy* because that splits it into about half... and then we'll do the next- the rest of them next week.

Ken: Okay.

Jolee: So we have *Infinity Train: Book One* DVD, uh, *Spirou & Fantasio (Two of a Kind)* Specifically a DVD for the animated TV adaptation. Also, apparently this show has a few different names. The original release was *Les nouvelles aventures de Spirou et Fantasio*, and there were two different names for the English dub, *Spirou & Fantasio (Two of a Kind)* and *Two of a Kind: Spirou & Fantasio*, *Marsupilami's Nest*, a nanny cam, Chromebook, uh, *Speed Buggy* DVD set, eh, labels, a *Fire Emblem: Awakening* b- art book, *Smurfs Anthology 2*, *Smurfs Anthology 3*, *Smurfs Anthology 4*, *Smurfs Anthology 5*. We have a Stitch plush large, uh, we have *Teen Titans: Beast Boy*, which is a graphic novel, uh, we have *Barking Kittens*, which is an expansion of *Exploding Kittens*, I think. *It is, and apparently the third one too*. Uh, we have an allocation for bins, for comics and dividers. Yeah, uh, and that, yeah, oops, pretend I only read to *Beast Boy*... Okay, there anything on this list that people want stricken?

Ken: Um, do we already have the *Fire Emblem: Awakening* art book or do we have a different one? Can you just-

Jolee: Oh-

Tom: We do have one of them.

Jolee: Yeah, sure.

Ken: I just wanted to point it out.

Jolee: I know we have one of them. I assumed it was a different one.

Tom: I mean, it's the same game so probably the same book.

Ken: Yeah, it looks like it's the same book.

Tom: Yeah.

Jolee: Okay, we can strike that then.

Ken: Um, uh, who did- do we know who allocated for it or...?

Jolee: Uh, no. I don't think you can check-

Ken: Okay.

Jolee: 'cause we don't have them write their name or label.

Ken: Yeah, I think we already have that so you probably should-

Alex: **Typed** Probably a freshmen

Ken: strike that.

Jolee: That's fine, I wasn't sure. I don't pay attention to our *Fire Emblem: Awakening* book. I know all of these **Mouse scrolls over *Avatar: The Last Airbender* graphic novels-**

Alex: **Typed** They wouldn't know what we have

Jolee: from when we get to them later are different than the one we have.

Ken: Okay, yeah that's fine.

Tom: Well, they'll be happy to-

Jolee: Are the rest of these are good?

Ken: Yep. the rest of those look good.

Jolee: Great, allocate.

Tom: Acclimate.

Ken: Acclimate.

Jolee: Okay.

**Angela enters the Google Meet chat room**

Ken: Oh hey, Angela's here. Angela, are you the one who put in the *Fire Emblem: Awakening* book?

Pause

Angela: Yes.

Ken: Uh, okay, don't we already have that book?

Tom: We already have that one.

Jolee: Is-Is it different than the one we already have?

Angela: We no longer have it.

Alex: **Typed** I stand corrected

Tom: What happened to it?

Angela: It got lost during the move. **Laughs**

Ken: Oh.

Jolee: Oh.

Tom: Did it?

Ken: Okay.

Jolee: Oh well.

Tom: It-it got lost-

Jolee: Okay.

Tom: okay, I see. Uh huh, yeah, right, yeah we could get a new one.

Jolee: Alright, do we want it?

Ken: Yeah, that's fine, we have budget.

Jolee: Is *Fire Emblem* even, like, in our...

Ken: Sorry?

Angela: It's, uh, genre.

Tom: It's a-

Jolee: Okay.

Tom: fantasy game.

Jolee: Uh huh.

Tom: It's like half fantasy, half... weeb, but not fully weeb so it counts. [I still wonder where exactly the line is in certain cases.](#)

Jolee: Alright, I'll make the allocations later.

Ken: Oh damn, we're allocating for a Chromebook, nice.

Jolee: Oh-

Tom: Yeah, I'm so happy we finally have one.

Jolee: by the way, office supplies we- generally just goes through, like, there's no reason.

Ken: Yeah.

Jolee: Uh, we're allocating for a Chromebook because we don't really-

Ken: Wait-

Jolee: like, have a computer.

Ken: Yeah, our old computer's kind of ass.

Jolee: And we need a nanny cam for the library.

Ken: Yep, gotcha, gotcha, gotcha.

Tom: We need a computer.

Jolee: It was interested, and labels are self-explanatory. **Laughs** Please.

Ken: Weren't we considering getting more than one nanny cam?

Jolee: Uh, yes we were, but we will come to that bridge-

Tom: Coughs

Jolee: when we cross it.

Ken: Okay.

Jolee: Mostly because I wanna see how this one goes, if it's good.

Ken: Yeah, yeah, yeah, got it.

Jolee: And then we could buy 2. Okay everyone, that's enough sharing my screen.

Ken: Alright, next up is... Let's see after Treasurer- Secretary...

Alex: Typed Typing this so need a sec

Ken: Alex, you got anything you wanna say? Sees message Okay.

Jolee: I think he usually puts it in chat now.

Ken: Yeah.

Jolee: Oh, and on the bright side-

Alex: Typed Not much to say as Secretary. Although I do have two requests to make my job a little easier.

Jolee: our first Amazon order has begun shipping, hopefully.

Ken: Okay, uh, he has a request to make his job a little easier.

Pause

Alex: **Typed** Please try to speak one at a time and try to mute yourself if you aren't about to speak. Makes the audio much easier to go through

Pause

Ken: Yep, sounds good.

Tom: Okay.

Alex: **Typed** Thanks

Ken: Okay, next up is... Head AC, right? Oh, we're missing someone.

Jolee: Uh... **Speaking not facing webcam** Taylor. **Moves webcam to point to Taylor** Head AC, come on.

Taylor: **Audio distorted** Only one thing to say.

Jolee: **Audio distorted** What?

Taylor: **Audio distorted** We have an event on Saturday show up.

Ken: Okay, fair enough.

Jolee: **Moves webcam back to self**

Pause

Ken: Okay, yep, there's an event on Saturday, show up.

Jolee: There's two events on Saturday actually. Doc Ock: There's ~~three~~ two, actually.

Ken: This upcoming Saturday? Okay, uh-

Jolee: Mhm, 7 o'clock-

Tom: One of those is *Among Us*.

Jolee: is *Detective Pikachu* and 9 o'clock is *Among Us*.

Ken: Okay, sounds good... Uh, then next up is... Historian.

Jolee: Uh, you skipped Librarian. Laughs

Tom: Incomprehensible audio

Ken: Oh, sorry, next up is Head Librarian.

Jolee: Not that we have anything. It's mostly, like, fill out the request form please. Oh, we're almost done organizing the entire library. And I need to ask you later where- who has the storage unit keys.

Ken: Okay... next up is, uh, Historian, Thomas, you're up.

Tom: Hello everybody, I have a fun little story. Alrighty, thi-this is a good one. Once upon a time, the Forum had a- had a lot of appliances, um, that we usually just have for no reason, as-as we do with a lot of other crap nowadays. Um, and one of these appliances happened to be a, uh, toaster in a fridge. Um, so one day, um, a man in a suit claiming to be a fire marshall came into the Forum and asked, “Why is there a toaster in the fridge?” So the- a forumite responded, “I like my toast cold.”

Ken: **Laughs**

Tom: So **Laughs** A fire marshall was then later on the news for being arrested for arson charges, uh, and it looked like it was the same fire marshall. So it is speculated that from previous Historians that, um, this one forumite saved the Forum from, uh, burning down again through this ridiculous interaction. Thwarting the fire marshall from looking around the Forum-

Ken: Nice.

Tom: and scaring him away.

**Pause**

Ken: Alright, uh, then next up we have Head PR. Uh, Head PR would probably say something along the lines of, uh, “Join the, uh, PR Committee if you want to and, uh, we have events that are going on Saturday so please come to those...” Alright, now it is open forum, uh, so anyone can speak now about what they want to say about pretty much anything Forum related.

Angela: Play *Hades*, it’s a good game. **I haven’t played *Hades* yet, but *Bastion* is also a good game. It’s made by the same people.**

Ken: Thanks, Ange **Laughs**

Jolee: **Laughs**

Angela: It's- today's also the last day it's on sale.

Ken: Okay, sounds good... Uh, anyone else?

Denis: Um-

Jolee: I like how you can **Incomprehensible audio**

Denis: how much is it?

Angela: Uh, *Hades*? 20 dollars.

Denis: Oof

**Pause**

Ken: Alright, uh, if no one else has anything to say for open forum, I'm going to bring meeting to a close after I say, you know obviously, the last three things. **Incomprehensible audio** that's right. Old business, uh, clean, don't be a dick, treat this Discord like- treat this online space like it's a child you don't abuse. New business, uh, clean, don't **Laughs** get sick, treat this online space like a child you don't abuse. Did I do that right guys?

Jolee: Mhm.

Tom: Yeah, sounds about right.

Denis: Yeah, pretty much.

Ken: Okay, um, I call meeting to a close 1:16pm on September 23rd.

Denis: That was quick.

Ken: Happy Fall everyone.
