Tabs: Okay, hello guys, welcome back to GBM. We're going to start at 1:08 PM. We're gonna do things out of order 'cause, uh, Treasurer has to go. So we'll start with Treasurer rather than President.

Jolee: Thank you, Uh, we're just reading some allocations today. We have allocations for *Barking Kittens*, it's \$14.99, it's an expansion of *Exploding Kittens*. We have allocations for some of *The Last Avatar* *Avatar: The Last Airbender* we ha- in this case *The Promise*, *The Search*, uh, *Smoke and Shadow Library Edition*, *Imbalance*, and *The Shadow of Kyoshi*. Um, and they're \$35.26, \$68.96, \$28.64, \$35.99, and \$16.99 respectively... We have some more allocations for the *Mistborn* series and, uh, I forget what this one's called but-

Ken: Um-

Jolee: *The Way of*- hm?

Ken: Stormout Archives **Uncertain audio**

Jolee: Thank you... Um, *The Way of Kings*, *Words of Radiance*, *Oathbringer*, uh, *Mistborn*, *Wells of Ascension* *Well of Ascension*, and *The Hero of Ages*. They are \$26.80, \$20.99, \$24.48, \$25.43, \$25.25, and \$23.99... Uh, someone asked for the reason why we're allocating for these actually. Someone asked for them in the Freshmen Discord and, uh, I thought it would be a good series to have. Anyway... Um, we apparently don't have any of the *Harry Potter* books, I looked

in the contents, um, but I really like the *Harry Potter Illustrated* series so we have *Harry Potter Illustrated* one through four. It is \$39.51, \$30.31, \$30.3- \$30.54, \$18.89 and that's it. That's all we're allocating for this week. Is there anything you want to be- take off or can- are these all good? ...Anyone got any objections?

Jason: Give comment?

Jolee: Hm, what?

Jason: Can I comment?

Jolee & Tabs: Uh...

Tabs: It's-

Jason: **Lost audio**

Tabs: Hold on... Um, right now we're not, like, commenting on stuff. We're just- if you think we should not buy one of these things-

Jolee: Mhm.

Tabs: speak now or forever hold your peace is sort of what's going on.

Jason: Alright-

Jolee: Or-

Jason: sounds good, sorry about that.

Jolee: we'll just buy them. **Laughs** So they're all good? We're all approved? Great. Allocate.

Tabs: Allocate.

William: Allocate.

Jolee: Man, no one said acclimate. Let's see-

Tabs: Yeah, I think there's- it's fine. People are- probably just don't know what's going on.

Laughs Motion to-

Jolee: Sorry.

Tabs: acclimate. This is-

Jolee: **Lost audio**

William: Allocated

Tabs: where you say 'acclimate'. Alright, yeah, we've got to do it- two different things. One is for allocating and the other one's for acclimating.

Jolee: Yup.

Tabs: Alright, any-

Jolee: Thank you.

Tabs: other Treasurer bits?

Jolee: Um, no, not really.

Tabs: Okay, Imma go back to President now. Alright, so not much President announcements. Uh, we might have an issue with movie nights because we're not supposed to be streaming them the way we have been. Counts as an open showing and we're supposed to, like, pay extra to do that. We're currently figuring out exactly how we wanna approach that, whether we're gonna, like, bend the rules or just follow the rules which might be more annoying for the movie nights. So we'll just see how it goes in the future. Um, Vice President.

Ken: I don't really have much to say except for if you're feeling uncomfortable by a different member of the club. Uh, feel free to let me know, um, through the complaint form we have it's on our Website and it is also in the Discords I believe. Um... Yeah, b- if-if you just feel like, uh, someone in the club is being- making you uncomfortable in any sort of way, just let me know that. Other than that I don't really have much else to say except for, um, there are the club rooms are- now filled with quite a few boxes that were misplaced... Um, so there's, uh, even less room in them now, so, that's it for me.

Tabs: Alright, awesome. We did Treasurer so Secretary time... I don't know if you-you're usually typing so I'm assuming it's typing. **Laughs**

Alex: **Typed** Nothing much to say, just please mute yourself if you don't have anything you're about to say and try to talk one at a time. Only thing to note is this meeting's transcript and next week's won't be out until roughly Oct. 9-11 due to scheduling conflicts.

Tabs: Alright, everyone read chat in case you weren't doing it already, and that's it for Secretary, Head Librarian.

Jolee: Uh, we have a lot of packages to pick up and if anyone's on campus or wants to help pick up packages, please em- Uh, not email me but like, message me in the Discord or something, it's Vanic. Um, other than that there's nothing really. We need to really re-log everything, um, the library's almost all organized. That's nice.

Tabs: Woo.

Jolee: We have to start pulling stuff from the storage unit.

Tabs: Well didn't we just get a whole lot of more boxes?

Jolee: Uh, yes but a decent amount of them aren't ours, so I have to see how many of those are actually books and how many of them are like, uh, kink club's [The Next Generation's](#) books.

Tabs: A'ight, um, Head AC unless... Alright I'm assuming Taylor's not- Oh is that Taylor? ...I don't know.

Jolee: Tay-Taylor's not here.

Tabs: Okay.

Jolee: She's probably working right now or she's doing her remote work which is her sitting on her bed and watching YouTube. Um-

Tabs: Yeah.

Jolee: She's-

Tabs: That's-

Jolee: probably gonna say like, um, what she's looking into, alternatives to events and stuff like that because movie nights maybe put- a little bit harder to run. We were looking into personally- They sent us an email back about getting copyright license to, um, show some movies for a public viewing. But each one is in upwards of \$400 just about. So, not really too plausible. Like, that's more money I want to sink than on one event. Like, that's more money I want to sink than on one event.

Pause

Tabs: Right, probably also would plug becoming sub ACs. So, yeah, no event this Saturday I think 'cause of the *Coraline* movie can't- we can't show the movie, correct?

Jolee: Uh, I am still wanting to hang in the Discord and show it but there is no official event.

Tabs: 'Kay. Historian.

Tom: Guys, I got a solution to our movie problem. The story this week is that solution. So you see the Forum forumites used to be the creators of various homebrew movies a-and these movies are-are ones that have been created throughout the ages. Their own sci-fi movies, fantasy movies, horror movies, all viewed in the Forum. So hopefully if we can find them in all those boxes that we've been moving around we can actually show off some of those movies. We have such titles known as *Creepy Day*. Ooo. So, aside from that, we have so many different productions of animations, movies, and live action that maybe we'll be able to support ourselves this whole spooky month just on that if we find the DVDs that is, so there we go.

Tabs: Awesome. That would be cool. I don't think I've seen them. **Laughs**

Tom: Me neither.

Tabs: Alright, uh, Head PR, Also not here, probably would ask for, um, PR committee members.

Alex: **Typed** I except *Star Trek* and *Godzilla* levels of campiness.

Tabs: Um, plug the fact-

Alex: **Typed** *expect

Tabs: that it is Spooky month even though we don't have the events necessarily, uh, ready to go yet. All right, open forum. Anyone got anything to announce?

Ken: Um, quick question, real quick-

Tom: Next week is um- I-I-I-I'm just mentioning it now when maybe it- when it- have been better. Like for Head AC or someone like that. Um, but would anyone here be opposed or for, um, like, uh, getting, like, w-would we be allowed to as a club get Forum Steam accounts that are basically accounts Forum members are able to use?

Tabs: I have-

Ken: Or would that not be possible?

Tabs: No idea. **Laughs**

Ken: Well? L-l-l-l-like where we have games?

Jolee: Uh, this may be- this may have to be a friend thing.

Tom: Mmm.

Ken: Friend thing?

Tom: Yeah.

Ken: Nah, I-I'm just wondering if we get, like, *Among Us* or, like, *Tabletop* *Tabletop Simulator* or *Jackbox* on, like, multiple accounts or so, um, and then, like, let people use them like let- loan them out or whatever, message us when they use them or something. It's kinda like loaning a Steam account.

Tabs: I don't- I think that's about as illegal as-

Tom: Yeah.

Tabs: streaming a movie to everyone.

Tom: That does sound about right.

Ken: Okay, I'm just- I'm just curious.

Jolee: Mmm, again, if we do it, it'd be, like, unofficial we wouldn't mention it in events months and then-

Ken: Okay.

Tabs: Yeah.

Jolee: it'd be a friend thing.

Alex: **Typed** Also seems like a disaster waiting to happen

Ken: Okay.

Tabs: Yeah, like what if someone, just, uses it-

Tom: Like-

Tabs: and goes wrong. **Laughs**

Alex: **Typed** You get one bitter person

Tom: Yeah- I just- Yeah.

Ken: Like, you said something'd go wrong like how so? Or how like-

Tom: Like somebody-

Tabs: Like they u-

Tom: does something terrible. On- **Lost audio** account.

Tabs: Like they take their *Among Us* and then they use it in-in-in outside of our events.

Ken: Okay, gotcha. I-I'm just checking out.

Tabs: And then get themselves banned from stuff, I don't know if you can get banned in *Among Us*. **Laughs** **You can't** But you know that sort of thing. I don't know.

Ken: Okay, I was mentioning it anyway.

Tabs: Yeah, alright. Any other announcements from people? The general body members or questions?

Jason: When would you need help moving the- some boxes.

Tabs: Ah, okay so we have to pick up our, you know how we allocate and get stuff for a library? Pretty much-

Jason: Yeah.

Tabs: every week? They get delivered to the- Is it the mailing room? I don't know what it's called exactly.

Jolee: It's the SAC, they get delivered to the SAC.

Tabs: Yeah, in the SAC. Upstairs a signatory has to pick it up but they've told us that this order is particularly heavy and oftentimes there's a lot of boxes. So, normally what we do is one signatory member, which would probably in this case be Jolee 'cause I don't know if the other signatory members on campus.

Jolee: They're not.

Tabs: Yeah, so it'd be Jolee who would probably need help carrying a ton of boxes to our new room... Which would be why it would be useful to have help. Otherwise it's going to be probably a few trips back and forth from the sac to the union.

Jolee: Do we still have a hand truck?

Ken: Yeah, we do. Uh, Jolee, I might be able-

Tabs: Um, it should be under the-

Tom: Yes, we do.

Tabs: Yeah, it should be under the rock.

Jolee: Under the rock?

Ken: Jolee, I might be able to show up on Wednesdays occasionally.

Jolee: Okay-

Tom: I-

Jolee: I think they want us to pick it up before Wednesday, but okay.

Ken: Okay, um...

William: I could help, probably.

Pause

Tabs: Alright.

Jolee: Sure. I was hoping to pick them up around, like, 2 o'clock tomorrow, ideally.

Pause

Tabs: Alright, anything else? ...Okay, motion to end meeting.

Jolee: Seconded.

Tabs: Alright, meeting ends at 1:23 PM- Wait, hold on. Old business: um... stay clean, don't get sick, treat this Discord like a child you don't abuse. New business: clean, don't get sick, treat this Discord like a child you don't abuse. Alright, meeting ends at 1:23 PM. You're all free to go.

Jolee: Have a nice day guys.
