Taylor: Thanks.

Tabs: These descriptions, I think, are too long to show up.

Jolee: Uh, probably, sorry. But they're all pretty great. If you want to see them, ask me later and I'll show them to you. Um, we have *Stranger Planet*, uh, twice.

Alex: **Typed** They're golden

Jolee: We're taking a lot of these, don't worry. But- but I have to read them, I'm obligated to. Gemstone D&D dice for \$77.00.

Taylor: **Lost audio**

Jolee: Yes, actually.

Taylor: *D&D*.

Jolee: Oh, it's just dice?

Taylor: Explorer's kit accessory dice for *Forgotten Realms* they're also- **Lost audio and Taylor leaves**

Jolee: Oh, it's just dice, okay. You could've j-

Taylor: **Lost audio**

Jolee: I mean, I figured but I wanted to know if it was, like, a book or dice. Uh-

Taylor: **Lost audio**

Jolee: Oh, okay, thank you. That clarifies it. Um, *The Book of Random Oddities* \$12.79, uh, a useless box which is \$12.80.

Taylor: **Laughs**

Jolee: Oh, did I skip one? Oh, no, that's-

Tabs: No.

Jolee: just the use- thank you, Tabs, for marking them off as I go, by the way.

Tabs: God, the thing-

Jolee: *The Princess Bride* **Bride**:-

Tabs: Wait-

Jolee: *Prepare to Die - 3rd Edition*-

Tabs: do you mind if I make a break- a break here?

Juan: Can I also interrupt?

Tabs: Um, first of-

Jolee: Sure.

Tabs: all, we absolutely can't get anything from Etsy and I don't think we can get-

Jolee: Oh, I know, I told her.

Tabs: Okay, you are allowed to strike things that we aren't literally allowed to buy before meeting starts by the way.

Jolee: You just always told me I'm obligated to read all of them so-

Juan: Wait, is it because Etsy's too expensive or because, like, you can't do it direct Amazon or something?

Tabs: You can't- we can't buy things that aren't from, like, specific sellers which I think is like Amazon-

Jolee: Yeah.

Tabs: Um-

Ken: There's a high risk of embezzlement.

Juan: Ah-

Tabs: Yeah.

Jolee: Mhm.

Juan: okay. Gotcha, gotcha. And my other question is: Taylor, What the fuck?

Jolee: She can't hear you.

Tabs: How much is this at the current moment? Are we reading all of them, all of them?

Jolee: Uh, I was just going to read the ones I know Taylor put in, which is until, uh, um, until you get to like the cabinets.

Tabs: I know you keep saying we're- we're going to strike a bunch of them, but I'm a little bit worried we're reading too many for people to be paying enough attention to strike things.

Juan: To be fair, is there anything else to really discuss here?

Tabs: I mean, I don't think all these books that seem to be fun fact books, um, I'm gonna motion strike those because they're not-

Jolee: Great.

Tabs: actually genre.

Jolee: I was going to agree.

Tabs: But let's finish this up and then we'll go on to that. I'm sorry for interrupting I just wanted to make it clear-

Juan: Take away her allocation privileges.

Tabs: Can't- we can't allocate for things from Etsy and probably not from an-anything other than Amazon is probably not going to be-

Jolee: I know.

Tabs: Able to be bought just for other people to know because they can see the sites here.

Jolee: Yeah, I'm sorry.

Tabs: No, don't apologize.

Jolee: I'm sorry, 'cause also you thought, like, you wanted to be a quick meeting and I'm sorry.

Tabs: It's fine.

Jolee: Uh, *Savage Choices* \$25, Uh, *Book of Yeezus* \$98.35... *Awkward Family Photos* for \$9.89, *Everything is Bullshit* \$16.95, underwater dogs \$16.08, *Tortuga Strategy Board Game* \$24.99, *Deadwood 1876* card game \$23.99, *Salem 1692* board game which- uh, \$24.99, a HEXBUG aquabot with fishbowl \$39.99. I said the fish would die Taylor.

Taylor: **Lost audio**

Jolee: *The Scale of Things* \$13.49, uh, *Notebooks of Leonardo... Da Vinci*. Whoops. Uh, *Meow* \$9.00, *Good Smile Nendoroid Jack Skellington* \$47.70, uh, dice sets \$9.79, *Tiny Book of Tiny Stories* \$15.99, *Tiny Book of Tiny Stories* volume 2 \$14.98, *Tiny Book of Tiny Stories* volume 3 \$13.19, *Magnus Chase* series \$23.00.

Tabs: Cool.

Jolee: Okay.

Tabs: Alright.

Jolee: I'm sorry.

Tabs: All of these were put in by one person.

Taylor: **Laughs**

Tabs: Well, that's fine.

Juan: Jesus Christ.

Tabs: Motion to strike things. Let me just quickly go through these, I'm gonna actually motion to strike pretty much every dice set that was allocated for.

Jolee: That-that's fine.

Tabs: These giant playing cards, are they literally playing cards?

Munachi: **Typed** Hi im new my name is Munachi

Jolee: I am pretty sure, yes I'm going to strike them.

**Pause**

Tabs: Is this- this is a book or is this dice?

Jolee: Uh, which one? Icewind?

Tabs: The accessory.

Jolee: *Icewind* is-

Tabs: It says other and it says accessory. I'm putting- I'm motioning to strike that one.

Jolee: You want to strike that one? Okay, Tabs.

Tabs: I-I- we have enough dice, we have so many dice.

Jolee: No it's the dice sets, it's the accessory one one.

Taylor: Oh, accessory's fine.

Tabs: Moti- I'm also gonna motion strike the head and eye massager that's \$400.00.

Jolee: Yeah, that's fine, if I can find where it is yeah.

Tabs: Um, more cards I'm gonna motion this s-strike the cards.

Jolee: That's fine.

Tabs: Everything that's from Etsy we can't price so that's automatically struck.

Jolee: Yeah, also that's a bag so, like, what we do with it?

Tom: Yeah.

Tabs: More dice, I'm motioning to strike the dice, this useless box I'm motion to strike that useless box.

Jolee: Um, I don't know where it is but there's a puzzle maze-

Tom: Oh.

Jolee: that's like \$25.00

Tom: Can we strike *Book of Yeezus*?

Jolee: Yes, we can.

Tabs: We can motion to strike *Book of Yeezus*. Normally we need a second but I'm pretty sure Jolee is just seconding everything so I'm not-

Jolee: Yes, yes, in this case-

Tom: I'll second everything if you really need it.

Jolee: In this case- everything we're striking I am seconding because-

Tabs: Yeezus, Oh it's-

Juan: A little too much at once, it's-

Jolee: Lord knows I don't want to put this stuff in.

Tabs: Um.

Jolee: They already questioned me about everything we allocate for.

Tabs: Striking more dice- are these stories actually science fiction, horror, or fantasy? Or are they just general stories?

Jolee: Taylor, are the *Tiny Book of Tiny Stories* science fiction, horror, or fantasy or what?

Taylor: **Lost audio**

Jolee: They're fantasy actually? Let me see.

Tabs: If they are, it's fine.

Jolee: Mmm, that's popular, blah blah blah.

Tabs: I'm striking the office supply underwater dogs.

Tom: Pfft, *Awkward Family Photos?*

Tabs: I don't know what these are so I'm gonna go and-

Jolee: Umm.

Tabs: look at this, it's like a- it says it's a book, so if it's like a book book I'll- You know what? You already said motion to strike it so actually I guess that's all it takes because Jolie seconding everything.

Jolee: Mhm.

Tabs: I can't unstrike your strike. Um-

Jolee: Uh, sorry.

Tabs: **Lost audio**

Jolee: Um, Taylor says that they are fantastical in some way and they are very short, so take it or leave it I guess.

Tabs: I'm gonna put-

Jolee: Can I st- I'm gonna strike the nendoroid al- as well.

Tom: Oh yeah, and the dice sets.

Jolee: And the *Meow* book.

Tabs: Uh, the dice-

Tom: And the *Meow* b- what's the *Meow*?

Tabs: Yeah, I don't know what the hell the *Meow* is, it's getting struck. Oh it's literally just a book that says "meow" on, like- in paragraphs, you know what I mean?

Juan: What is the point of that?

Tom: Is *The Scale of Things*- that's not fiction is it?

Jolee: The what?

Tom: *The Scale of Things*.

Jolee: Uh, *The Scale of Things*?

Tom: In between the HEXBUG aquabot-

Jolee: I do not believe it's fiction.

Tabs: I'm also striking the HEXBUGs. Did I already strike the HEXBUGs?

Jolee: No, Taylor, 'cause that's not- it's a factual book we can't do that one. It's not science fiction though.

Tom: It's literally called the Science Fiction Forum.

Tabs: Also, strike this explorer's kit.

Multiple: **Lost audio**

Tabs: See, if you didn't put these all in at once I probably wouldn't bat an eye at a sci- fantasy book called *Everything is Bullshit* but now I gotta check.

Jolee: I'm sorry I just want to get it over with.

Tabs: This is actually- this is- this is science, so this has to be fucking struck too.

Tom: Wait, the *Rock ABC Board Book* comes out as an office supplies.

Tabs: Why?

Tom: Okay, that's funky.

Jolee: Oh, it's also not from Amazon so we kind of have to strike it anyway.

Tabs: Yeah, that has to be struck.

Jolee: It's a USG rule, we can't really fix that, Taylor.

Tabs: That's fine, that's fine, these are fine.

Tom: Sure.

Tabs: Yeah, I think everything else-

Tom: This has- gaming yeah, we could- what is that?

Tabs: I don't have an issue with everything else.

Tom: What's that *Hasbro Gaming Sweet* something?

Jolee: *Gaming Sweet Existence*. What is this?

Tabs: It's a card game, for alien comics.

Tom: Okay, that's fine.

Tabs: Yeah, I think that's fine.

Jolee: Oh, it's a *Strange Planet* card game. That's fine, okay.

Alex **Typed** Taylor, you're making my life hell with the transcript that'll have to be made

Jolee: Uh, *D&D* books, *D&D* books, *Chronicles of Narnia*, see-

Tabs: I'm still the fence on these *Tiny Stories* but I won't strike them.

Jolee: I'm inclined to believe we have it because it's old and popular, but I don't know. And the thing is, no one has updated the logs for a long time on contents, so it probably won't- wouldn't show up.

Tabs: Wait, wait, wait, the logs for what?

Jolee: Like-

Tabs: Which-

Jolee: the Library contents.

Tabs: If you're looking for, like, the old stuff-

Jolee: Um, *Chronicles of Narnia*.

Tabs: *Narnia* I'm pretty sure we have, and give me a second 'cause the old logs are in a different place than the new stuff.

Jolee: Oh, are they?

Tabs: Mhm.

Jolee: 'Cause I look for stuff a lot and I'm like, it says we don't have it. That's really strange.

Tabs: Yeah, hold on.

Jolee: Like it says we don't have *Harry Potter* books, which-

Tabs: We do.

Jolee: Y'know.

Ken: We-we definitely do.

Tabs: I remember seeing them.

Jolee: I know we definitely do somewhere. It's just-

Tabs: It's-It's somewhere before my time. They like literally switched to docs and it's stupid. I don't- and they didn't put it in the library docs folder. I don't remember where it is, it's in, like, old shit.

Jolee: Alright then. I'm gonna strike the *Chronicles of Narnia*, 'cause I'm pretty sure we h-already have it and we don't need a box set.

Tabs: Yeah, and I remember asking-

Jolee: It's fancy, but it's- I'm striking it for the same reason I'm striking *The Princess Bride*. I love *The Princess Bride* but we already have it.

Taylor: **Lost audio**

Jolee: Yes we have it like twice over actually I think.

Taylor: **Lost audio**

Jolee: No, Taylor. Uh, we don't have these, that's fine... Uh, *Princess Bride* board games, *Savage Choices*... Uh... I think that's all. I think we're good. Thank you everyone for sitting through my allocations.

Tabs: It's fine.

Juan: In all honesty, it was one person who really enjoyed this.

Jolee: Taylor, if you want to see what was stricken, just come over here.

Taylor: **Lost audio**

Tom: Taylor ruined m-many people's days.

Juan: Yes, yes she did.

Alex: **Typed** Mine specifically.

Juan: Tell her if she comes over I counted the time of the meeting.

Jolee: You can come look at it later.

Taylor: Okay.

**Pause**

Jolee: Mmm, like, none of your dice sets made it through.

Tabs: Alright, um, guess it's the end of Treasurer, uh, Secretary.

Alex: **Typed** Okay first, thank you for muting when you don't have something to say. Makes my life a lot easier.

Alex: **Typed** Second, because of the length of this meeting, might not have the transcript out by this weekend but I'll do my best before next meeting.

Juan: **Typed** are we waiting on something or waht

Alex: **Typed** That's all, thanks.

Tabs: Alright, um, thank you Secretary, Head Librarian.

**Pause**

Jolee: Hi, we have a request form, as you just saw, because someone put in a lot of requests.

Taylor: **Lost audio**

Jolee: If you want a book series or something, you can put- request it there. The link's on our website and we'll do our best to allocate for it.

**Pause**

Tabs: Um, Head AC.

**Pause**

Taylor: **Lost audio**

Jolee: Come here. Did you guys hear Taylor?

Tabs: I heard that Taylor existed.

Jolee: She says USG should let us put movies on and-

Tabs: Ah.

Jolee: We're working other events right now.

Tabs: Cool.

**Pause**

Ken: I believe there was an emergency event the- on the 16th. For, uh, *Terraria*.

Jolee: Uh, there is a *Terraria* event coming up I believe and we're making some plans for *Shrek* week and hope- Yeah, it's next Friday, the *Terraria* event. We're making some plans for *Shrek* week and hopefully some, like, Halloween, but-

Ken: I have- I have a few-

Jolee: we make no guarantees on what they're letting us do.

Ken: I have a few YouTube series that involve, like, spooky stuff but we'll see.

Munachi: Hi, I'm new. Can somebody explain what the *Terraria* event is?

Jolee & Tabs: Sure.

Tom: So- oh, do you want to go?

Jolee: Oh, you can go Tom, you got it.

Tom: So basically, um, we'll be host, uh, one of our sub ACs, uh, activity coordinators will be hosting a gaming night where we're gonna play *Terraria* together. Um, 's a game where it's kind of an adventure game where you just- similar to *Minecraft* except you mostly fight bosses and kill enemies, but you also do the mining and stuff.

Pause

Munachi: Oh, okay-

Juan: Board.

Munachi: and will there be a Halloween thing?

## Pause

Ken: There won't be a Halloween event on campus, but we're working on, like, Halloween themed stuff, uh, through Discord.

Tabs: Yeah, we had movie plans, but those kind of got thrown to the wind when USG forbid streaming movies. We're still working on it. Also-

Munachi: Okay.

Tabs: For future reference, although this is fine because it still Head AC, um, typically we open the Forum to question during Open Forum time, but this meeting's been running long and I don't care. Alright, um, any other Head AC announcements?

Jolee: No, no other Head AC announcements.

Tabs: All right, Historian.

Tom: So guys, it's spooky month. We had it- in-in the past couple years we had a forumite, who's called Andy. Um, his- he made up this whole lore and history about how he was a-a mutated Pumpkin Man and, uh, he wrote his own album on, uh- on, uh, SoundCloud, I think- it might- yeah. So, uh, but I'm going to hold up that tradition by continuing to, y'know, continue his legacy of the Pumpkin Man, uh, and that is by reading the-the pumpkins, uh, "Native to North America, pumpkins are one of the oldest domesticated plants having being used as early as 7500 to 5000 B.C. Pumpkins are widely grown for commercial use, as food, aesthetics, and recreational purposes. Pumpkin pie, for instance, is a traditional part of Thanksgiving meals in Canada and the United States, and pumpkins are frequently carved as jack-o'-lanterns for decoration around Halloween, although commercially canned pumpkin purée and pumpkin pie fillings are usually made from different kinds of winter squash than the ones you used for jack-o'-lanterns." [From 2nd paragraph Wikipedia article on Pumpkins](#) That is the pumpkin story. I wanted to do it a lot more, because it's spooky month, but I'm restricted to once per year, so...

Tabs: Yeah, I mean, a lot of people are new, and they're not gonna know Andy and I think just continuously reading the pumpkins is a little excessive. I thought- I thought well one per semester, not year. So you can do it in the spring.

Tom: Oh excellent. It's history I must continue, even no matter how stupid it is.

Tabs: It's fine. Alright, um, PR not here. Probably say show up to the-the events like the one Terraria event. Cool, alright now it's open forum. Does anyone have anything they want to, uh, announce? Questions, upcoming movies, anything they care about? To do well on a test? Speak now or forever hold your peace.

William: Does anybody have the link for the Discord for the new members?

Juan: Uh, Jolee already shared that in the chat.

William: Ah, she did? I didn't notice. Thank you. Oh, idea for movie night, um, *Dr. Horrible Sing-Along Blog* that's just on YouTube right? So we could probably show that.

Tabs: A good point, if it is on YouTube we can.

Juan: Another idea is probably five *Scooby-Doo* movies. I don't know which ones, just pick any.

Tom: But they have copyright.

Juan: We can pair here all five of them. I don't know.

Tom: No that's gonna be a one time event.

Juan: No that's fine.

Pause

Tabs: You could make your own *Scooby-Doo* movie.

Juan: We just have to give Fred a catchphrase first.

Tabs: Here's a catch phrase, it's "fuck".

Tom: It's a trap!

Juan: I always thought the catchphrase was "Alright gang" and then-

Tabs: Yeah.

Juan: whatever happened after that.

Tom: That's true.

Tabs: Pretty much.

Ken: I mean, you could always just look up for YouTube, uh, for free movies. If you guys want to, like-

Tom: There's probably plenty free.

Ken: they exist, they're quality is very dubious.

Tom: Yeah, well, you make fun of them so it's fine.

Ken: Yeah.

William: I mean, like, web series in general and stuff that's in the public domain. There's probably some good web series out there if you look for 'em.

Ken: I'd be down to read Creepypastas.

Juan: Let's read all of *Homestuck*.

Tom: Yo, actually we could have a Creepypasta day tha-that could work.

Juan: Only if they're bad Creepypastas.

Jolee: Alright, anything, any other announcements? Not just casual conversation as fun as this is.

Tom: "A pumpkin is a cultivar of winter squash that is round with smooth, slightly ribbed skin-"  
[From 1st paragraph Wikipedia article on Pumpkins](#)

Tabs: You literally just did this.

Tom: I'm-I'm doing the other part.

Jolee: I-I-

Tabs: Okay.

Jolee: I realized, I never said motion to allocate.

Tabs: Oh, yeah, shit.

Tom: Acclimate.

William: Acclimated.

Tabs: Allocate.

Jolee: Motion to acclimate, whatever.

Tom: Allocate.

Tabs: Acclimate. That's my fault, I should've remembered that. I'm tired, sorry guys.

Jolee: No, I'm sorry, it- I should have.

Tabs: Alright, any-anything else? Going once. Going twice. Okay, motion to end meeting.

Jolee: Seconded.

Tabs: Thank you.

Juan: Acclimate.

Tabs: Meeting ends at 1:31 PM. Um, old business: clean, don't get sick, treat the Discord like a child you don't abuse. New business: clean, don't get sick, Treat the child like Discord- child-like- fuck. New business: clean, don't get sick, treat the Discord like a child you don't abuse. Alright, we did it gang.
