Tabs: Meeting starts at 1:13 PM. Hello everyone, it's kind of sparse meeting, sparser than usual because Commons Day, so all the freshmen are gone. I hope everyone's doing well on their midterms, it's midterm season right now, although it's always midterm season. I got three this week and another one on, like, Monday. So bleh, alright enough about me, Vice President.

Ken: Hi, we have a complaint form, if you feel uncomfortable, feel free to use it. I'm done.

Jolee: **Typed** Good Luck!

Tabs: Alright, Treasurer.

Jolee: If you could share the screen to the request form again.

Tabs: Oh yeah, hold on. That will take a second.

Jolee: I'm sorry.

Tabs: No.

Jolee: It just makes it a lot easier.

Tabs: I should've prepared that because we do it every week. I should have had that prepared.

Jolee: Sorry.

Tabs: Google Drive is like "you often open around this time."

Jolee: Alright, so some of these will be re-read because a couple of them are from Taylor's thing and a couple of them are new. But-

Tabs: So, were-

Jolee: all of the allocations we planned to make this week. We have *The Princess Bride: Prepared to Die - 3rd Edition* game \$25. We have *Savage Choices*, which I think it's a *Cards Against Humanity* like game. That's \$25. We have toward *Tortuga*, a strategy board game that is \$24.99. *Deadwood 1876*, it's a card game, it's \$23.99. *Salem 1692* the board game, that's \$25.99. We have *Tiny Book Tiny of Stories* \$15.99, *Tiny Book of Tiny Stories Volume 2* \$14.98, *Tiny Book of Tiny Stories Volume 3* \$13.99, *Magnus Chase* series \$23. We have *Islandia*, I think, *Volume 1* \$18.95, *Islandia Volume 2* \$13.95, *Islandia Volume 3* \$13.95, and we have *Stuffed Fables*. This is the only one I really wanted to beat, if you could click the *Amazon* link, Tabs, I don't...

Tabs: Yeah, one sec.

Jolee: So, the game itself is \$55.96 I think, it might have gone up a bit. Nope, \$55.96.

Tabs: Nope, still on sale.

Jolee: But, it is one of those games that looks like it has a lot of small parts, and maybe we don't want one of those.

Tabs: We already have those.

Jolee: As they can get lost easily. Okay, it looks like a cute game, but yeah-

Tabs: Yeah.

Jolee: I just wanted to make that known in case.

Tabs: Yeah, we have a lot of games with small parts, plus seems like the smallest parts seem to be these big ol'- well, not big, but you know-

Jolee: Yeah, the little figures.

Tabs: the little stuffed animals themselves and you can always use different minis as tokens.
Dice we have tons of.

Jolee: That's fair.

Tabs: Everything else seems to be, like, card-based. In which case we have a lot of card-based games, I think it's fine. Well, anyone else, is there a motion to strike anything from the list? Some... These.

Ken: No, we good.

Tabs: We're good? Alright, motion to allocate.

Ken & Jolee: Allocate.

Tabs: Motion to acclimate.

Ken & Jolee: Acclimate.

Tabs: Awesome. Alright, Secretary.

Alex: **Typed** As usual, nothing much to say. Gonna try to have last week's transcript in by Saturday. As you know, it's a monster.

Tabs: Oh yeah, it was a pretty long meeting.

Alex: **Typed** TAYLOR!!!!

Tabs: Okay, Head Librarian.

Jolee: Nothing really of note. We have a request form if you want to request anything. We still have a decent amount of money in the budget so- No, Taylor, request meaningful things not a- Stop laughing in the background, please. Also, we are very close to getting the library organized but it's still quite a mess because I got busy with midterms and projects right now. It might be a mess for a while because I don't know if I can get down there.

Tabs: Yeah, you're like, doing it as a party of one. I don't think we've ever had to do the whole library with like, one or two people. Yeah, I mean hey, you might be like the first Head Librarian that's like, actually getting things sorted in the way they want. I don't know.

Jolee: I mean I ordered a bunch of like, bins and stuff too 'cause I'm Treasurer, so-

Tabs: Yeah.

Jolee: some stuff is like, immediately on the form and immediately allocated for.

Tabs: Alright, Head AC.

Jolee: Taylor, you got anything for Head AC?

Jolee: Look at the announcements in the *Events Discord* is what she says.

Tabs: Alright, I'll read it. Head AC has some illegal events because they haven't been officially approved yet. On Friday 7 PM to 9 PM *Skribblio*, *Among Us*, and *Cards Against Humanity* depending on what people feel like, and then at 9 PM *Terraria* game night. On Saturday, people are going to be watching *BuzzFeed Unsolved* and they might be doing these for the next few Saturdays as we work to arrange some proper movies for you @Moviegoers. And today's meeting, Sorry to the people who have Commons Day. Alright, that seems like Head AC. Historian-

Jolee: She also says she's about to put up a- just so you know. I'm sorry.

Tabs: Put up a what?

Jolee: She's about to put a poll in the chat as well she says.

Tabs: Okay, cool. Probably to determine the game on Friday I imagine. Alright, Historian's not here. Do I know any stories from the forum? Yeah, but I don't know any stories that are necessarily good on the fly. Anybody got any stories for Historian?

Jolee: We could talk about the time Tom wore heels and danced around.

Tabs: Go ahead, tell about the time Tom wore heels and danced around.

Giancarlo: And the fact that he looked good in them.

Tabs: And the fact that he looked good in them.

Jolee: So, very often, people leave things in the Forum and we do our best to get them back to people. But sometimes, they graduate and they never take their stuff back. So for a very long time, there was a pair of heels from Nine West sitting in the corner. Nice, black, had the little straps and stuff. We didn't know who they belonged to and we put it in the *Discord* multiple

times and eventually we came to the conclusion that they were probably Juls', a former forumite, and since she had graduated at that point, we decided we'd see who fits into them, *Cinderella* style. I think they were like a size 9 or something. Yeah, they're a size 8 or 9. It was too big for me, I'm a size 6 and it was too small for Taylor who- who's a size 10. But on Tom it was just right. So, he put them on and like, climbed on top of the main table and we put on *I Need a Hero* *Holding Out for a Hero* from *Shrek 2* and we danced around for a little bit.

Tabs: Lovely.

Jolee: If anyone wants pictures, DM me.

Tabs: Alright, that's a good piece of history there. I think Tom would approve. Head PR, I imagine would similarly say to show up to those events we listed earlier that aren't technically official because they haven't officially been approved. Oh, actually, sorry. The poll is not about the *Skribblio*, *Among Us*, or *Cards Against Humanity*. It's asking about one shot tabletop games including *D&D Pathfinder* and systems other than that. So, go and vote in #event-announcements in the *Event Discord*. Alright, opening things up to open forum, now if anyone has any announcements or questions please speak now or-

Jolee: Please go and vote in real life.

Tabs: hold your peace until- Yeah, that's a good one, vote in real life. P.S. If you have anything to say, speak now or wait until next week. Going once, going twice, alright, I guess that's the end of open forum. So motion to end meeting.

Ken: I'll allow it.

Tabs: Okay, meeting ends at-

Jolee: I can do that.

Tabs: Meeting ends at 1:24 PM. Old business: stay clean, don't get sick, treat the *Discord* like a child you don't abuse. New business: stay clean, don't get sick, treat this *Discord* like a child you don't abuse.
