Tabs: Okay, hello guys, welcome to GBM. Starting at 1:15 PM today, your President, Tab Chang. There's not too much to talk about this week for President stuff just like pretty much every other week because we're still just doing online stuff. So I'm gonna pass it off to our Vice President Ken... Okay, he was definitely here before, right? He's still here, okay. Ken, you gotta unmute yourself when you talk. Please be here.

Pause

Giancarlo: Well this is going well.

Tabs: Ken?

Rahib: RIP Ken.

Ken: Hey, what up?

Tabs: Oh, here he is.

Ken: I don't have anything to say at today's meeting. I mean, except for if you feel uncomfortable, feel free to use the complaint form and if you want to contact me I'm available on Discord.

Tabs: Yeah, you can find the complaint form or slash report form here on our sf4m.org and go to forms, scroll below the request form, there's the incident report form. Great, okay, after Vice President is Treasurer. Okay, Treasurer, she's not here today but we have things to request for the- not request, allocate for. Alright, this week up for allocation we have *5-Minute Dungeons*, *Robinson Crusoe* the board game- Oh sorry, *5-Minute Dungeons* for \$17.99, *Robinson Crusoe* the board game for \$45.09, *Forbidden Desert* for \$24.48, *Monstrumologist* the [The Monstrumologist](#) series for \$36.22, *Adventure Time* volumes one through ten which all cost different prices apparently so it's \$14.99, \$14.99, \$11.00, \$14.99, \$10.21, \$12.87, \$13.77, \$14.16, \$6.51 [\\$14.99](#), \$7.48. That's everything that's up for allocation this week. If there's anything on this list that you don't think is genre or should be owned by the Forum for other reasons, speak now for anything you would like to strike specifically from the list. Going once, going twice, okay, motion to allocate. This is where you say “allocate.”

Ken: Allocate.

Rahib: Allocate.

Tabs: Motion to acclimate, now you say “acclimate.”

Ken: Acclimate.

Rahib: Acclimate.

Giancarlo: Michael Moore.

Tabs: Great job. If anyone would like to request something else be purchased for the Forum that they would like to read, play, or watch please use the request form here you can request books, dvds, games; other is usually for, like, office supply type stuff or figurines. There, requests of stuff. Sadly, we have to buy things off Amazon because this school's kind of shitty when it comes to pretty much any other site ever. Yes, alright, that's the end of Treasurer. Next is Secretary who is probably typing so please pardon the silence.

Alex: **Typed** Hello, just wanted to say the next transcript should finally be up tonight, just the last 3-5 minutes left of the audio and formatting. Also, thank you all for muting yourselves and not talking over one another today!

Tabs: Alright, read the message in the chat if you haven't read it already but sounds good. After Secretary we got Head Librarian, also not here today but I'm sure she would say that they're making progress on the room or slash have made significant progress on putting things in the room seems to be. Hopefully we can get people in the room next semester more than just one, two people. That would be amazing. But nope, for now, nothing. Alright, after Head Librarian, Head Activities Coordinator, she is similarly not here today. Okay, upcoming events. Let me just read #event-announcements. I don't actually know-

Ken: Do you want me to-

Tabs: If you know it-

Ken: say what I'm doing?

Tabs: Yes, please.

Ken: Yeah, I don't know all the events but I know the ones I'm doing which are going to be this upcoming Saturday and next Friday are going to be *BuzzFeed Unsolved Supernatural* marathons and then the day of Halloween we're going to do a creepypasta story share/read or it doesn't necessarily need to be, like, a creepypasta it can be, like, any scary story you have. But we're gonna be doing a reading of that for, like, few hours, anyway.

Tabs: Alright, sounds awesome. I scrolled through #event-announcements and I'm not seeing-

Ken: Sorry to answer a question, the creepypastas don't have to be good but don't include anything that might make people uncomfortable. This includes content with sexual assault stuff. Just don't bring that.

Tabs: That's a good rule. Not seeing any other specific dates for events so I'm assuming that's it. If there's others I'm sure they will be announced soon. Alright, after Head AC we have Historian. Okay, anyone got a story because Historian's also not here, probably asleep.

Giancarlo: Two things. One, because nobody really said it, the room is pretty much emptied out and the wires are just recently made it there. I know 'cause Jolee had me drag the box over. Two, for a story yesterday while we were playing *D&D*, blah, blah, blah a lot of shit's happening. Long story short, we were all getting our asses handed to us by a bunch of 'byullets', they were pronounced bullets but I said 'byullets', basically think of a buncha little Gibles and Gabites. We were all getting assaulted, there was a big one and it was undead and shit. It was- I transmogrified the damn thing and turn it into a rat but then a giant black tentacle turned back to normal. Case in point, that thing was about to murder us until, I forget who delivered the finishing blow, but I thought it was Ken. He killed it, and as he killed it I simultaneously happen to be playing *JoJo's* music the *Golden Wind* theme actually and it ended right as he murdered it. I don't care how bad the rest of that session went I am very content with the fact that it ended right when *JoJo's* music ended, the thematic timing could not have been more perfect.

Tabs: Sounds fun. Alright, that is now a piece of Forum history. Alright, after a story we have PR. PR stuff, mostly just check out the #event-announcements chat, not much else. Alright, now we are in open forum. If anyone has anything to announce, go ahead and do it. This can be upcoming shows, movies, good luck wishes, or questions. I actually have an announcement myself. Right now, you can watch the *Darkwing Duck* one hour special of *DuckTales* (2017) for free on YouTube on Disney XD's channel.

Giancarlo: Hell yeah.

Tabs: This just-

Giancarlo: Well, just gonna pirate it like I always to do.

Tabs: I mean you don't have to pirate it 'cause it's literally free. It's right here.

Giancarlo: I know.

Tabs: I'm not gonna-

Giancarlo: Actually, you know, you're right it's on YouTube 'cause it's, like, it's more convenient here.

Tabs: Yeah, well, you don't have to pirate anything. It's just right there for free.

Alex: **Typed** Adblocker time

Tabs: Okay.

Giancarlo: I know but I also heard.

Tabs: Adblocker time. Alright, any other announcements?

Giancarlo: Anybody want to go to a deli?

Pause

Tabs: Going once, going twice, alright, I think we'll end open forum then. Alright, motion to end meeting. It's when you say "seconded" so I can actually end the meeting.

Ken: Seconded.

Giancarlo: Alternate word for seconded.

Rahib: Squared.

Tabs: That works, all that works. Alright, meeting ends-

Giancarlo: There squared.

Tabs: at 1:25 PM. Old business: stay clean, don't get sick, treat the Discord like a child you don't abuse. New business: stay clean, don't get sick, treat this Discord like a child you don't abuse. Alright, good job everyone. We kept meeting pretty short today.
