

Red text is for notes on specific actions, this generally is used for but not limited to typed messages and pauses.

Blue text is for my personal notes. This is generally small comments I have to say about something such as corrections or confirmations. Also used for small thoughts I had that don't hold much importance.

Tabs: All right, all right, meeting starts at 1:08 PM. It's pretty good time for our starts. All right, I don't have much to say. Once again, thank you all for showing up. We're almost to November. That's pretty cool because that means we're almost to Thanksgiving break which means we're almost to the end of the semester. Congratulations guys, you've made it significantly through the semester. All right, I think that's it for me. So Ken can't be here so I'll be doing Vice President stuff as well. For Vice President stuff, we have to tell you all that we are- I'm sorry, Ken will be hosting BuzzFeed Unsolved on Friday night and creepypasta night on Halloween night proper. I'm sure he would also want you guys to be reminded of our report form which is founded at sf4m.org/forms I believe I will double- sfm4.org not calendar. I'm messing things up today, whatever. Yes, sf4m.org/forms I'm not presenting, wow. sf4m.org/forms under the request form, the report form as you have seen multiple times in the past. All right, Treasurer time, Jolee you got it.

Jolee: Can you share the allocations or the request form please?

Tabs: Is it up? I don't know how far I have to go down.

Jolee: Just that blank area, right there.

Tabs: Okay.

Jolee: My class is still going, fuck. All right, so the bulk of what we have today is Chuck Tingle books from Taylor. So the books are *Trans Wizard Harriet Porber and the Bad Boy*- Some dinosaur type- *Parasaurolophus*? Okay. *An Adult Romance Novel*, *Escape from the Billings Mall: A Select Your Own Timeline Adventure*, *Scary Stories to Tingle Your Butt: 7 Tales of Gay Terror*, *Not Pounded by Anything: Six Platonic Tales of Non-Sexual Encounters*, *Highway to Heck: A Select Your Own Timeline Adventure*, *Scary Stories to Tingle Your Lesbian Butt: Seven Tales of Ladybuck on Ladybuck Terror*, *Dr. Chuck Tingle's Complete Guide to the Void*. Those are all \$13.99 each. There's *The Adventure Zone: Petals to the Metal*, it's the third book I think in *The Adventure Zone* series, we have the first two. And then we have *Ghost Hunters Adventure Club and the Secret of the Grand Chateau* which is \$14.99, *Adventure Zone* is \$15.99. Those are actually all of our allocations. The request form, other than that is completely done after this week. So please, request more things.

Tom: Time to get video game art books, oh yeah.

Jolee: No video games.

Giancarlo: Time to ruin the request form.

Tabs: Yeah, we're not really allowed to get video games.

Jolee: We can't do video games.

Tom: No, art books for video games.

Tabs: Oh, yes, those are fine.

Jolee: Art books are fine, yeah.

Tom: That's what I said! Honestly, I had to listen to that multiple times to confirm, it sounded more like Tom said "video game or books" at first, but over time I did hear "art".

Tabs: I just heard video games.

Jolee: We just heard video games.

Tom: Oh, okay.

Tabs: Your mic did not pick up the art books. *It did, I think it was more just him talking too fast.*

Tom: Stupid mic.

Tabs: All right, so motion to strike anything from the list.

Alex: **Typed** Wait, how did we get the video games we have in the first place then?

Aaron: I heard art books.

Tabs: Those were mostly donated or they're just- Well I guess that counts as a donation if someone leaves it there permanently. But yes, those are mostly donated. The games that are on the PS4 itself, technically we don't own. That's just, like, someone logged in and bought it.

Alex: **Typed** Ah, gotcha

Tabs: But anyway, motion to strike anything from the list. We are surprisingly allowed to have these books with sex in them. They are allowed.

Jolee: They're just embarrassing.

Tabs: Yeah, all right, so motion to allocate.

Tom: Jackclimate.

Jolee: Allocate.

Tabs: Motion to acclimate.

Tom: Allocate.

Jolee: Allocamate.

Tabs: You are amazing, guys. All right, we did it. Okay, after Treasurer we got Secretary. So please be patient, as he types.

Pause

Alex: **Typed** Hello y'all, gonna take some advice I was previously given and cut out some of the lost audio bits and stutters to A) make the transcripts come out faster and B) not make people feel bad about their stuttering, etc. Thanks again for muting yourselves when you have nothing to say and the tentative release date for the next transcript is Halloween.

Tabs: Awesome.

Giancarlo: **Typed** s'cool

Alex: **Typed** That should be all.

Tabs: All right, thank you very much for your hard work. After Secretary, we got Head Librarian.

Jolee: Request form. Please. If you don't spend the money, I'm gonna spend the rest of the budget on bookends and decorations, so...

Tabs: Sounds reasonable to me. Okay, Head Librarian after that we got Head AC.

Jolee: Taylor, anything important? Or do you want me to just read off the event plans? I got it. All right, so upcoming events are... *BuzzFeed Unsolved* on Friday, please go it's going to be hosted by Ken. Saturday we're going to have a creepypasta night for Halloween, and then after that, we start Shrek Week! Please come to Shrek Week. Unfortunately-

Tom: Wooo.

Jolee: It's a tradition that we have to uphold. [Heresy! Blasphemer! Thou dare call thyself a forumite!?](#)

Tom: Shrek Week!

Jolee: It's good when we can actually watch the *Shrek* movies. [Understandable, have a nice day.](#)

Tom: I mean, it's also good now we get to screw around with *Shrek*.

Jolee: Yeah, it'll be interesting.

Giancarlo: Copyright is a beautiful and broken thing.

Aaron: I'm out of the loop.

Tom: I consider this an absolute win. ["I understood that reference."](#)

Aaron: I'm out of the loop. What is Shrek Week?

Tabs: Wait until open forum and then we will answer your questions.

Aaron: All good.

Tom: Right.

Tabs: I was like-

Jolee: Oh-

Tabs: All right.

Jolee: And if you want to become a Head AC [sub AC](#) or host an event, please talk to Taylor or anyone on e-board essentially.

Tabs: All right, those are some good Head AC announcements, I'm digging them. We got Historian now so tell us a story.

Tom: This week is not Shrek Week, I was gonna do that story next week but this week is still a spooky story. So there was- 'twas one Halloween, where there was a forumite known as Mark, who was helping out on one of the haunted houses that was going on for the Shriek Week when we actually, y'know, met together at school. It was quite good. So you know, we had this haunted trail haunted house. It was near West apartments, near the forest in the bamboo if you know where that is. I don't know. So basically Mark was in a gorilla costume. Someone thought a gorilla costume man in a forest area "Hmm, kinda shady." So they called the cops on him. And then there was a pursuit that followed where the cops chased him basically all the way to the zebra steps and the stack and he got caught there by campus security. But, luckily for Mark, as an absolute legend even when caught, he did not break outta character and did not come clean and stayed as a gorilla. It was quite the meme, if I do say so myself.

Tabs: Amazing, it's quite a story. We have all been riveted and we have all learned more about our history.

Tom: Knowledge.

Tabs: Knowledge. All right, next is Head PR who is not here, she cannot make these meetings. Pretty much ditto Head AC, show up to all our wonderful events, like Shrek Week next week. All right, now we're in open forum Aaron, you have-

Tom: So-

Tabs: a question. Oh, Thomas, you have an announcement.

Tom: I was gonna explain it, but yeah.

Tabs: Okay.

Tom: 'Cause I mean he already asked the question so, like, I figured might as well just say it. This week is Shriek Week where we normally would watch scary movies every day. However, we're not watching scary movies every day, instead we're doing a couple of scary things. Next week is Shrek Week because of a funny screw up that I'll elaborate next week on. But basically, there's a funny screw up and people were like, "Hey, let's do Shrek Week next week." So it's been a tradition and we have watched all the *Shrek* movies and the musical the following week after Halloween. Unfortunately, since we can't watch stuff online, we're gonna have to figure out another solution and that is we're gonna watch a lot of *Shrek* related content and do a lot of *Shrek* related activities.

Aaron: Sounds amazing.

Tabs: Get cultured.

Aaron: I look forward to it.

Tabs: Yee. All right, any other announcements or questions from the general body or anyone else. [I'll just leave this link here:](#)

https://www.youtube.com/watch?v=q6EoRBvdVPQ&list=PLFsQleAWXsj_4yDeebiIADdH5FMayBiJo&index=1

Giancarlo: Why don't we read the original books-

Tom: "Native to North America, pumpkins are one of the-" [Quoting the second paragraph from the Pumpkin Wikipedia article, see October 7th transcript for more details on why.](#)

Tabs: Tom, we already did that.

Tom: I know.

Tabs: You said once a semester.

Giancarlo: Why don't we read the original book that *Shrek* was based on?

William: I like that book, it's good.

Tabs: Good question, I guess if you want to do that event become Head AC [a sub AC](#) and talk to Taylor.

Aaron: What's the original book?

Giancarlo: That's work.

Laughter

William: It's like a kid's picture book by...

Dino: **Typed** can we watch ma

William: Some guy-

Aaron: What's it called?

William: You know the story about the donkey who accidentally gets turned into a rock? It's by that guy.

Aaron: Never heard of it. You know what the name of it is?

William: The book is just called *Shrek*.

Aaron: Oh, okay. Yeah, all right, thanks, I appreciate it. Thanks.

Tabs: We can't watch Ma because we're not allowed to officially stream anything that isn't in the public domain already. [REDACTED]

Tom: [REDACTED]

Giancarlo: [REDACTED]

Tabs: Normally during the year we can watch pretty much anything we want just by putting it on the TV. But because we're streaming it online, for some reason there's different restrictions on it and we're not allowed to watch anything that isn't in the public domain or for free available on YouTube.

Tom: Honestly-

Jolee: To clarify it's not that we're only allowed to watch stuff in the public domain. It's that technically because we're streaming it online, it's a public viewing, so everyone has to be able to have the access to watch it. So, if we were to watch Ma and say, like, it's on Netflix or something, everyone would need their own Netflix account or get a Netflix account somehow to

watch it. That's why they're encouraging using Metascreen and not, like, just streaming the Discord or something.

Tom: But we do have HBO Now.

Giancarlo: That's stupid.

Tom: So, perhaps we can do something with that.

Jolee: We do not have HBO they-

Tabs: Only residents I think have HBO.

Jolee: Not even anymore, they removed that.

William: I thought they gave it back.

Tom: They gave it back, they got a new one. It has other other shit included like Crunchyroll and stuff.

Jolee: Does it?

William: Ooo, Crunchyroll!

Tom: I think so.

Tabs: Again, I think that's only for residents, isn't it?

Jolee: Yeah. You have to. Even if it is, you have to be connected to their network.

Tom: I don't know if we could still finagle something with that. Cause in the past I know they've said, "Oh, if it's in your HBO service, you're good." I remember somebody mentioning something similar to that so...

William: What about the, like, over the TV streaming thing that people have access to if they're residents?

Tabs: Is it live TV?

William: Yeah. It's like live TV but you can also, like, virtual DVR stuff.

Tabs: I guess then we'd have to know what to DVR... And then everyone has to remember to DVR it. Yeah, anyway I don't know when the next time Ma would be on a DVR. But feel free to allocate for it and then we can watch it once we're, like, on campus again. Because it seems like the perfect sort of thing to allocate for. All right, Any other questions or announcements? Yeah, the request form is above the report form so just drop it on in there. Don't worry about the price too much. I mean, don't try to buy a 50 dollar movie. We might say yes, but people might be like "What?" I don't know how much this movie is. All right, any other announcements or questions? All right-

Tom: Happy Halloween.

Tabs: Oh yeah that's a good one. Happy Halloween everyone. All right, I'm gonna-

Giancarlo: Get your pumpkins and don't make them curse.

Tabs: All right, I'm gonna motion to end meeting.

Jolee: Seconded.

Tabs: Thank you. All right, so meeting will end at 1:24 PM. Old business: stay clean, don't get sick, treat the Discord like a child you don't abuse. New business: stay clean, don't get sick, treat the Discord like a child you don't abuse.

TL;DR/Important Notes
