Tabs: Hello everyone, meeting is starting at 1:04 PM this fantastic November 4th. I hope you're all doing well after last night, but we'll not get into that 'cause that's not technically forum business, but best wishes to everyone. President business, not much to say this week, again. We have to do inventory which will be probably done by Jolee because I can't get to campus easily. Most of us with access can't get access to campus super easily except for like Thomas and Jolee, and I think Jolee is the only one who's literally allowed to do it so...

Jolee: **Typed** Actually Tom can do it right now!

Tabs: Oh, Tom? Is Tom allowed to do it? He's not-

Tom: What can I do?

Tabs: signatory. Well, technically we can see through Tom.

Tom: What?

Tabs: We'll do that after meeting though.

Tom: Okay.

Tabs: Don't worry about it, I'll talk to you.

Tom: Sure.

Tabs: Yeah, you're just gonna check off that we still are in possession of some items. Yeah, other than inventory, that's enough for me. Vice President.

Ken: I ain't got much to say. If you feel uncomfortable with anything use the complaint form or message me directly. We're having *Shrek Retold* at sometime this week so that's gonna be neat. Show up to that please. As the President is showing the complaint form is on our website and there are also links to it in other places. Feel free to talk to me whenever. Don't be a dick.

Tabs: Good words, good words. Okay, all right, yeah so this is sf4m.org/forms. It's also on our Discords. All right, after Vice Prez we got Treasurer.

Jolee: Hello, please show the request form if you don't mind. All right, Tabs is doing a great job. She put in a whole bunch of stuff right before meeting so I'm gonna read off the allocations for this week. We have *Ma* the horror movie for \$9.87, *The Art of Persona 5* for \$159.36. We have a book for the- It's the *Pokémon Sword & Pokémon Shield: The Official Galar Region Pokédex* for \$19.36. We have *Legendary and Mythical Guidebook: Deluxe Edition (Pokémon)* for \$7.19. We have *Kirby: Art & Style Collection* for \$17.08. We have some key rings for \$9.99. We have some plastic safety eyes for \$7.99. We have some light paper clay for \$12.03. We have some apoxie sculpt for \$24.95. We have some clay tools for \$22.59, and we have an adjustable TV tray table for \$47.89. That's the allocations this week.

Tabs: All right, motion to strike anything from that list?

Jolee: You wanna strike anything? Okay. Taylor does not want to strike anything. Anyone else?

Tabs: All right. Going once. Going twice. Motion to allocate, you are allowed to unmute for this.

Jolee: Allocate.

Tabs: I'll take it. Motion to acclimate.

Jolee: Acclimate.

Tabs: Good enough. All right, all right, that's enough for allocations. A reminder once again that you can also request your lovely things right here on sf4m.org/forms as well. All right, after Treasurer we got Secretary. Please be patient as he types.

Alex: **Typed** Hey y'all, nothing much to say here as Secretary. Hoping to have the next transcript out some time on Saturday. Also, thanks again for staying muted when you don't have anything to say, makes my job a lot easier! For anyone about to have midterms, good luck!

Tabs: All right, lovely notes from Secretary. After Secretary, we have our Head Librarian.

Jolee: Hi. Nothing much. Please request books.

Tabs: And Head AC, so don't meet yourself just yet Jolee. Get her on there.

Jolee: Hold on, Head AC's announcements this week... Are... Where is it...? We have two events this week. Saturday at 7:00 PM we have *Shrek Retold* we're watching, and then Friday night this week at 8:00 PM we have *Night of the Living Dead* we're showing.

Tabs: Awesome.

Jolee: Join us to hang out and watch movies please.

Tabs: Yep, that's in our Events server, so come and chill. All right, Historian.

Tom: All right, so we're having some *Shrek* themed events this week. So I figure, it's about time we go over the Shrek Week story. So I'm going to start from the very beginning. We all know it's

Shrek Week obviously. But how did it become Shrek Week? We had a forumite known as Shamik that created a poster for Shriek Week, very similar name, but had a font that was surprisingly close to the *Shrek* font. So, **Laughs** it naturally follows that Shriek Week, let's make a Shrek Week. So of course, in good fashion the forumites made Shamik Week as what it was originally called and then Shrek Week. And in a pre-online world, we used to get *Shrek* every day and watch a different *Shrek* movie at least once for every day of the week going with *Shrek* 1, 2, the bad third one, the fourth one, and then the musical. And then of course we'd also potentially watch all the TV shows and holiday specials and such. So now every year that's been our tradition every year after Halloween, the week after Shriek week. That's why we had the Shrek script reading last Sunday, which I hope you all went out for 'cause that was funny. **I'm sorry!** And we'll be watching *Shrek Retold* this... I don't think we have a date nailed down yet. But, yeah, And then-

Jolee: I said Saturday.

Tom: Saturday, so hopefully we can get some more *Shrek* events in and hopefully not traumatize people and hype people instead. Yeah.

Tabs: Lovely story, a lovely bit of forum history for us all. All right, we got our last bit of business, Head PR's not here but would once again plug our events such as Shrek Retold this Saturday and... I gotta read them again, I know they were just said...

Jolee: *Night of the Living Dead*.

Tabs: *Night of the Living Day*.

Jolee: Yeah.

Tabs: Yes. *Dead*, not *Day*, Friday night at 8:00 PM. All right guys, that's it for e-board stuff. It is now open forum, we have an announcement from an alumni. I keep forgetting the singular form but we have an announcement. Don't forget to unmute yourself before you speak.

Irina: The singular form by the way is alum. Not to be annoying, but apparently this is a more slang singular form. Apparently, the word alumni is kinda like French in that "alumni" is the plural form for a group which has at least one man. "Alumnae" is used for a group of exclusively women, and "alumnus" and "alumna" are the masculine singular and feminine singular forms respectively. Furthermore, apparently alum is also a type of chemical compound. I apologize if there's any child screaming in the background, I'm working from home but I can't do much about that. So, my name is Irina. I'm an old one. I wanted to pop by and let you guys know that we are starting to put together a, like, a mentorship program where basically, like, the decades long experience and knowledge of prior or I guess current alum forumites is at your service. You know for anything like career advice, which classes to take, what you should do with your life, you know. I know that, like, when I was there a lot of us didn't have professional, like, advice from adults because our parents were clueless and I'm sure that parents have not gotten any less clueless in the last X amount of years that I've been out of college. So, you know, we figured we'd offer and if anybody's interested at any point, this is gonna be an ongoing thing. You can come prod us in the SF4M Alumni Discord.

Jolee: Typed Alumni Server:

<https://discord.gg/chb4bK3MD> No longer valid, Angela thankfully was able to provide me with a link that shouldn't expire <https://discord.gg/xtUCet74FZ>.

Irina: There is a server channel called #wisdom-of-the-ancients and that's where you can go to, y'know, to see if there's anybody that's offering something that you're looking for. And if there isn't anything that is specifically relevant to you, you're very welcome to post in there and request by topic or anything else and we'll either find a relevant forumite or find somebody who is not a forumite but is willing to assist you. So, I hope to hear from you there and thank you so much for giving me the opportunity to talk to you.

Tabs: And thank you for trying to help our current forumites. Any other-

Irina: It's my pleasure.

Tabs: **Laughs** Any other open forum business? You're allowed to unmute yourself just don't talk over everyone.

Tom: I figure I have the camera, right? So should I show the forum?

Tabs: Oh yeah, sure, go ahead.

Tom: So, this is what we currently got. It's still in boxes because, don't know where to put everything. But, that's our lounge space and I could go run out and quickly show the library too, we got a lotta... It's pretty nice... This is good for I guess alum and past- and forumites because a lot of people haven't been able to see this as of yet. But, here's our library... Pretty set, pretty neat.

Tabs: Yee, [[Secretary: important link](#)] any other announcements? Anything, any upcoming shows that the forum should know about, questions you have about the current running of the forum. Going once.

Tom: There also may or may not be a Slurp Ramen trip later today. If anybody's interested, let me know.

Tabs: Hope that goes well because we also hope to secretly get you Slurp Ramen people to pick up our packages.

Tom: Yeah.

Tabs: All right, all right. Going once. Going twice. All right, motion to end meeting.

Ken: Seconded.

Tabs: Thank you.

Jolee: Seconded.

Tabs: All right, so old business: stay clean, don't get sick, treat the Discord like a child you don't abuse. New business: stay clean, don't get sick, treat the Discord like a child you don't abuse.

Meeting ends at 1:16 PM. You are free to go or you can sit here and hang out.
