Tabs: All right everyone, welcome to meeting is 1:10 PM and we're starting it. Literally nobody is here except for e-board and an alumni and I'm assuming that is because you all have tests and projects this week before break. Otherwise, you have no excuses. Where are you? Come on. In other words, also, good luck on all your tests and projects. I know it's stressful here at the end of the semester, but you guys got this and I believe in you. That's about it for President stuff, so go vice president.

Ken: Hey guys, I hope you guys are all doing well. Make sure you do well on your tests and projects. Have a good weekend off. I believe everyone's heading home this week, I don't know for sure though, I'm not- don't live on campus. And Eric, feel free to copy and paste what was in my previous meeting in terms of what I normally say. Just to make it easier on you. Anyway, that's it.

Ken's opening statement last meeting, November 11th: How's it going? Vice President here, not much to say besides use the complaint form if you, you know, feel uncomfortable, someone's making you feel uncomfortable, or something uncomfortable in the club that you want to notify me about.

Tabs: All right, all right, Treasurer. Go, go, go.

Jolee: Oh, can you- the thing- the allocation form- the request form please. All right, we have *Serenity Volume 1: Those Left Behind*, \$11.99. We have *Serenity Volume Two: Better Days*,

\$6.98. We have *Mr. Spock's Little Book of Mindfulness: How to Survive in an Illogical World* (Hardcover Edition), \$14.95. We have *Dungeons & Dragons* starter supplies miscellaneous, \$11.22, *Dungeons & Dragons Essentials Kit*, \$24.99. We have *King Sized Kirby* (Slipcase) Hardcover, it's just a big edition of all Jack Kirby's comic books basically, it's \$94.99. We have *Tasha's Cauldron of Everything* which was just released, it's \$49.95.

Tabs: All right, motion to strike anything from the list.

Jolee: Let me double check what the starter kits are, 'cause if it's just dice I'm gonna probably strike it.

Tabs: All right, I'll wait for your decision on that I guess.

Jolee: It looks like it's more than just dice, so it should be fine.

Tabs: Okay, anyone else want to strike anything from this list or ask for clarification on anything? Going once.

Ken: Looks good.

Tabs: Wait, what did you say Ken?

Ken: 'Looks good,' I love it all.

Tabs: Okay, going twice.

Jolee: Wooo.

Tabs: All right, motion to allocate?

Alex: **Typed** Allocate

Jolee: Allocate.

Tabs: And motion to acclimate?

Alex: **Typed** Acclimate

Jolee: Acclimate.

Tabs: Wow, even less than usual. All right, uh yeah, okay, all good there. Secretary... Oh, please be patient while he types.

Pause

Alex: **Typed** Not much to say here. As you know, last week's transcript won't come out pretty due to recording difficulties. Thanks for not talking over one another. That's all!

Tabs: All right, awesome, glad we're doing well. Uh, after Secretary- go Head Librarian.

Jolee: So, I haven't organized the library in a very long time, but hopefully when I- if I come back over winter I can do it or something.

Tabs: Cool, Head AC... I know she's there Jolee.

Jolee: Taylor, yeah, I know. She says she's exists, but not for long.

Tabs: All right, Now we do Historian. Let's hear a story from one of our alumni.

Jim: Hey, I'm just happy to be here. **Laughs** Let's see, so back when I was a forumite there were, I don't know how it is nowadays, but almost all forumites were on campus and we were living mostly in the suites. So there was a female suite full of female forumites, so we called it the

forumette suite, and on Monday nights which I think was *Northern Exposure* was, like, a really popular show so a lot of us would gather because they had a TV in their dorm room, in the common room. So we would go gather Monday nights and watch that and hang out a little bit. So, one of the people who live there is- her name is Vicki. She's kind of generally a stoic kind of person, very dry sense of humor, you know, not a lot of reactions, you know. So she's sitting there watching TV, she's the only one in the dorm. Then Marilyn comes running in, literally running in. She used to be a runner, she was a runner in college. So she's- right, she comes running in and she's like 'Oh my God, oh my god, I'm so thirsty, I'm so thirsty,' and she goes, 'Oh look there's a glass of water on top of the TV,' and Vicki starts to go 'No, don't!' And Marilyn grabs it, starts guzzling down, and then spits it out. 'Oh, this tastes bad!' and Vicki says 'That was the sea-monkeys that Carrie and Corrin were keeping,' and then Marilyn spits it out, drops it on the floor, starts yelling 'I drank sea-monkeys! I can't drink sea-monkeys, I'm a vegetarian! I can't drink sea-monkeys!' And we all show up right about that point. Vicki is breaking down laughing, fell off the couch on the floor, Marilyn's running around in circles freaking out 'cause she just drank sea-monkeys and Carrie and Corrin see the sea monkeys all dead and they're all upset 'cause this is the first time they had sea-monkeys in their life.

Ken: It was a good story, I was laughing. It's just I was muted, sorry you didn't hear it.

Jim: Yeah.

Tabs: Yeah.

Jim: No problem.

Jolee: It's a pretty good story.

Jim: I always- And I actually did forget to mention the build up for that story was Carrie and Corrin did a really big buildup about having those sea-monkeys in the first place, but, still works.

Tabs: All right, good story. And now it's time for Head PR who is also not here to tell us about the shirt thing. That we're still working on. Let me go get that link for interest next semester. So please, help us if you're interested.

Tabs: All right-

Jolee: Only for current members, sorry.

Tabs: Oh yeah, yeah, we talked to USG and they said it has to be current members 'cause they have to, like, pay the dues.

Ken: I have a quick question as long as you guys don't rush me for it. What's a crewneck?

Tabs: It's like-

Jolee: No, I had the same question.

Tabs: It's like a long sleeve. It's a kind of shirt that's like long sleeves and it's got, like, cuffs on the end and a little bit of a cuff around the regular hoopy-type neck. You know what I mean? Kind of like a sweatshirt.

Ken: Okay. Um, well, I'm not gonna put in that then I guess.

Tabs: All right, any other questions and stuff for open forum?

Ken: Oh no, I got you. Never mind this is fine.

Tabs: All right, going on- or you could- Yeah, all right, Going once. Going twice. All right, I'm closing the open forum and vote motion to end the meeting.

Jolee: Seconded.

Alex: **Typed** Seconded

Tabs: All right, old business: stay clean, don't get sick, treat the Discord like a child you don't abuse. New business: stay clean, don't get sick, treat the Discord like a child you don't abuse.
Meeting ends at 1:19 PM.
