

Tabs: Alright, I'm gonna start meeting at 3:20 PM. Welcome, everyone, to our meeting. We have quite a few number of eboard members missin', bit of a smaller week than usual, but that's just life. We've got a lot of midterms and I hope everyone's doing all right. We have our form, our attendance form, please fill it out. It's got a lovely question of the week as well, or I guess bi-week, Fortnight, that's the word. Question of the Fortnight, just fill that out and yeah, that's about all. Roth Regatta's coming up, we're still working on our contribution, they want us to plan an event for it as well, so we're going to have to think on that. If anyone's got ideas for that, well, maybe we'll do that, but we'll figure it out. And, yeah, look forward to Roth Regatta, April 29th to May 2nd no boats, no races, but still stuff. Alright, our vice president in the car right now can't talk. Don't know if he's gonna type or if we're just skipping over Vice Prez. If he takes too long-

Angela: Ken's alive.

Ken: Hey, hand it over. Don't do drugs kids.

Angela: It's flu season. It's Covid season actually.

Ken: Covid season, go get your vaccine, that's all I have to say.

Tabs: Yeah, go get your vaccines, guys. A reminder that we do have the report form on our website, sf4m.org/forms. Go below the request form and that's a report form, if you have any issues in the Discord or the *Minecraft* server, You can fill it out here and we'll try to sort it out for you. Next, we got Treasurer.

Jolee: Hello, we don't have anything really to say. Please fill out the request form, same link. If you want anything, we'll get to it eventually, when we have budget. If anyone has any problems with the *Minecraft* server, since it's under my name, talk to me or fill out the form and I have nothing else to say for Treasurer.

Tabs: Alright, sounds good. Secretary turn.

Alex: Yo, just wanna apologize again for lack of transcripts coming out. Busy, busy semester with classes. Thanks again for staying muted, I guess. Nothing much else to say really, thank you.

Tabs: All right, lovely. After Secretary, we got Head Librarian. Don't think-

Jolee: I mean, technically I'm here.

Tabs: Oh, are you guys joint? I forgot.

Jolee: We're joint, yeah.

Tabs: Oh, alright. Yeah, you can do it.

Jolee: Hi, everybody. If you have any books you want to request, fill out the form. I'm sorry we can't really loan out books right now and unpacking, we haven't really done much either.

Tabs: Well, looking like the vaccines we'll probably be able to do that pretty shortly.

Jolee: Woo.

Tabs: Or at least next semester.

Jolee: Hopefully over the summer, maybe we can just all go to the Forum and, like, mass move things.

Tabs: Yeah, hopefully. Alright, after Head Librarian, we have Head Activities Coordinator.

William: Hell, everybody. Go, if you've got *Minecraft*, hop on the server that Jolee setup. It's great, there's lots of cool stuff on there. Yeah, that's about it. Hopefully we'll be having some movie nights here too pretty soon.

Tabs: Yeah, and if you haven't joined the *Minecraft* realm, you need to basically enroll. There's the form for becoming whitelisted onto the server, go fill it out and join us. Alright, after Head AC we have Historian, who sadly not here. So we're gonna have to think of a story on the spot. Anyone got story?

William: [Redacted]

Angela: I was just gonna say something for the story.

Tabs: Go for it.

Angela: Native to North America (northeastern Mexico and the southern United States), pumpkins are one of the oldest domesticated plants, having been used as early as 7,500 to 5,000 BC. Pumpkins are widely grown for commercial use and as food, aesthetics, and recreational purposes. Pumpkin pie, for instance, is a traditional part of Thanksgiving meals in Canada and the United States, and pumpkins are frequently carved as jack-o'-lanterns for decoration around Halloween, although commercially canned pumpkin purée and pumpkin pie fillings are usually made from different kinds of winter squash than the ones used for jack-o'-lanterns. China and India combi- whatever.

Tabs: Alright, and that little bit of history comes courtesy of our Pumpkin Man, Andy used to do that. He's since graduated and left us, and I guess that counts as a story, fine. Our Head PR is not here either, but he would promote our *Minecraft* realm server, I'm sure, and probably Roth Regatta when- which is- I guess we'll have to be promoting it now because April 29 I think is what it is. I guess we can have it, speak about it fortnight from here.

Jolee: Rada rada rada rada.

Tabs: Yeah, Roth Regatta, it's themed after *Legends of the Hidden Temple*, which I don't know what that is. We gotta make events. Alright, so that's enough for eboard announcements, we're

gonna open it up to open forum now. Anyone who's got any new things to say, well wishes, new games, new movies, new TV shows, go ahead and announce it here. Oh, no, we're not making boats. The thing is that they want everyone to host events and then have teams compete in the events to gain points and whoever has the most points wins.

Alex: *Attack on Titan* ended and many people have many feelings about that ending.

Angela: It was an ending.

Jolee: *The Way of the Househusband* came out yesterday.

Tabs: Is that on Netflix?

Jolee: Mhm, yep.

Tabs: Cool, cool.

Ken: Prince Philip died.

Jolee: That is also.

Tabs: That's true, that's true. That did also happen... I'm goin' once... Goin' twice... Alright, open forum is closed. So I'm gonna motion to end the meeting.

Alex: Seconded.

Jolee: Seconded.

Tabs: Alright, meeting ends at 3:27 PM. Old business: stay clean, don't get sick, treat the Discord like a child you don't abuse. New business: stay clean, don't get sick, treat this child like a child

you don't abuse. No, I messed it up! Treat this Discord like a child you don't abuse. I pulled an RJ there. Oh well, it happened.

Jolee: [Laughing] Treat this child like a child you don't abuse.

Tabs: You should do that too though. Anyway, meeting's over.

TL;DR/Important Notes

- Use the sf4m.org website to report any issues you may have involving the club/members. Also use the website to make requests to add games, movies, and books to our inventory, although we will not be having allocations this semester due to the pandemic and budget cuts.
- Join the Minecraft realm server and fill out the form to be whitelisted.
- Roth Regatta was coming up so we discussed how we had to come up with ideas to submit. It was themed on *Legends of the Hidden Temple*.
- The Historian story for this meeting was a reading from the Wikipedia article for pumpkins. This was because a forumite named Andy who has since graduated was known for doing this, being referred to as the “Pumpkin Man”.
- A reminder to stay safe and clean during the pandemic. Please schedule your vaccine.
- Good luck wishes for exams.
- The ending of the *Attack on Titan* manga, the beginning of the *The Way of the Househusband* anime adaptation, and the death of Prince Philip were mentioned during open forum.
