

PRESIDENT SAMMY

Alright, hello folks. Meeting begins at 1:09 pm, the room is sad and empty bc campus life likes it to be that way. 2pm check. Don't want to be bothered, find somewhere to be at that time. Don't leave your personal belongings at the lounge or scattered about if you're not here.

VICE PRESIDENT JANELLE

<not here> get your flu shot and vaccines, use the complaint form if you have a complaint. Things are good so keep them good.

TREASURER

<never here> we have no allocations so the request form is closed, put them in for the next year. We should be able to get cool stuff

SECRETARY

<not here> Pierre is not there, he can type up the notes.

HEAD LIBRARIAN SAM

Return books, book club book is Jawbone.

HEAD AC CHRIS

Chris makes a fart sound.

DINO

Chris why did you fart?

Forum laughter

CHRIS

Forum and alumni picnic Saturday, don't have many events planned for this semester, Thursday event. Lots of things going on with club issues, petition to sign since clubs are being kicked out of their spaces.

HISTORIAN KENDALL

Roth Regatta is coming up Friday. The rigging of the Roth Regatta story: basically (prob everyone in here knows about it.) we always participate in Roth Regatta. In 2020 over COVID, since no one was there over campus, (this yr is whatever floats your vote.) At home, make a small boat. The forum had two boats. Thomas and Tab. During the voting sessions, we botted. Wolfie losing bc botting. Your supposed to vote every thirty minutes.

Forum laughter and background

chatter

UNKNOWN WOMAN

Yeah so like--

AARON

The guy who won also botted.

KENDALL

Yeah, it's the fucking acorn guy who was also against--

SAMMY

Yeah

Forum disagreement

CHRIS

There's no way—

UNKNOWN WOMAN

Yeah

AARON

Roth Regatta

KENDALL

Oh no, it was PUSO. They were botting to. In Roth Regatta, we were botting, but we were botting for two boats, (PUSO) only had one boat, so since we divided our votes to two different boats, and didn't come as a unified force, we lost to PUSO, and we could have won. It was fucked up, I can't believe PUSO botted guys. Anyway, uh, this year we're probably going to lose again, I wouldn't be surprised if our boat sinks. We used to win, but we don't win anymore.

Background chatter about what

person build is good for winning.

AARON

I'm sure Ralph won Roth Regatta.

KENDALL

I'm sure Ralph would have won Roth Regatta.

Aaron agrees

UNKNOWN WOMAN

No way

CHRIS

Ralph probably sunk to the bottom hallway in a second.

UNKNOWN VOICE

Who the fuck is Ralph

KENDALL

Uh, no. Ralph is so tall he could probably walk the people all the way.

SAMMY

He carried people along his shoulder on the boat.

AARON

Carried people like this

HEAD PR

SAMMY

Erin was here; they wanted to say sign the petition. Like, retweet, copy link, all that fun stuff, retweet, put it on your story, any engagement to help us not lose the club room. That was already mentioned, pay attention Chloe.

DINO

If this does end up being the last generation of Forumites because of stupid Campus Lifetime Policies, the forum will always exist in some capacity, but it won't feel like such a community, I just wanted to say I love all of you guys, and I was the sexiest.

UNKNOWN MAN

Seconded

CHLOE

Um, can I be the sexiest girl, Dino?

DINO

No, wait wait, yeah sure.

CHLOE

Yayyy

Sammy foghorn sound effect

SAMMY

Anyone else?

JARED

Everyone claim your things to take when the forum room goes down, I'm taking the topper poster.

UNKNOWN VOICE

Are we actually doing that?

UNKNOWN VOICE

No.

KENDALL

I'm taking everything.

SAMMY

I'm taking Stardew Valley for the record. I'm taking Stardew Valley for the record-- the permanent record. Anyone who says otherwise has no legal rights to Stardew Valley.

KENDALL

Erm, actually, I'm claiming everything: I want everything.

UNKNOWN WOMAN

Kendall wants it all for himself.

KENDALL

I'm going to take it all, and put it all in the SAC, and then I'm gonna burn it. We're gonna burn everything. Mmm no...

Background chatter

DINO

I'm going to take Issac, and I'm going to take the Bluey plushie, fuck you, Aaron.

Background chatter over Bluey

Everyone take something Bluey before Aaron.

JARED

I'll take the desk, chair and optional filing cabinets in advance

Forum laughter

SAMMY

Anyone else for open forum?

JARED

Occupancy seventeen

SAMMY

Yeah, occupancy seventeen, more than one person was unlawful at this desk. Okay, anyone else open forum?

DINO

Oh wait, we already said the forum looks sad today.

JARED

USG Senate meeting tomorrow night, we we're going to talk about the stuff.

UNKNOWN VOICE

8pm

UNKNOWN VOICE

Yeah, pull up.

CHLOE

SAC 305.

KENDALL

Meeting today, tomorrow

Confusion about today's meeting

SAMMY

2pm meeting today, but we're not going to be able to ask questions. 12 o'clock

KENDALL

And if the meetings go bad, we have to riot (I, Jacklyn Yeh and 2025-2026 secretary agrees).

SAMMY

We'll burn shit.

KENDALL

LGBTQA will help us riot.

SAMMY

They seem scared.

KENDALL

They're inactive kind of in general.

JARED

I kind of get it.

UNKNOWN VOICE

I can't complain; they might not like us.

CHLOE

Pierre, don't write that down.

SAMMY

They might take our room, oh no. I'd rather them have their room

General discussion

KENDALL

That's I'm so hungry; I could eat at Arby's.

Lots of discussion, about Arby's.

SAMMY

Yeah, Pierre, don't include that conversation. As always, treat this as a child you don't abuse, don't be a dick, meeting ends at 1:18pm.

DINO

Super business, suck dick, don't be in business...
